Double Down on Demons Whitaker House

Meet Nyx. This half-human, half-Drow private eye investigates paranormal crimes by day and is an elite Tracker of demons by night. She prefers working solo—and playing rough. So when a terrifying force starts murdering innocent humans and paranorms, and leaving strange demonic symbols burned into their buildings, it's a case Nyx takes very personally... Meanwhile, Nyx's fellow Trackers are being killed one by one—and a sexy new Tracker named Torin is shadowing her every move. Torin has powers Nyx can't read, and sometimes she wonders whose side he's on. Nyx's instincts tell her something's brewing in the city's meanest supernatural streets, and that it's ready to unleash hell on Earth. Who can she trust? Now it's five minutes to permanent midnight...and Nyx's last chance means risking everything—even her own life. *Demons Not Included* is the first Night Tracker Novel from bestselling author Cheyenne McCray.

Demon's Kiss Macmillan

Many men dream of running away to a tropical island and living surrounded by beauty and exotic exuberance. Walter Spies did more than dream. He actually did it. In the 1920s and 30s, Walter Spies — ethnographer, choreographer, film maker, natural historian and painter — transformed the perception of Bali from that of a remote island to become the site for Western fantasies about Paradise and it underwent an influx of foreign visitors. The rich and famous flocked to Spies' house in Ubud and his life and work forged a link between serious academics and the visionaries from the Golden Age of Hollywood. Charlie Chaplin, Noel Coward, Miguel Covarrubias, Vicki Baum, Barbara Hutton and many others sought to experience the vision Spies offered while Margaret Mead and Gregory Bateson, the foremost anthropologists of their day, attempted to capture the secret of this tantalizing and enigmatic culture. *Island of Demons* is a fascinating historical novel, mixing anthropology, the history of ideas and humour. It offers a unique insight into that complex and multi-hued world that was so soon to be swept away, exploring both its ideas and the

larger than life characters that inhabited it.

Queen of Demons Tor Books

Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

Angels and Demons Harper Collins

Frannie Cavanaugh is a good Catholic girl with a bit of a wicked streak. She has spent years keeping everyone at a distance—even her closest friends—and it seems as if her senior year is going to be more of the same . . . until Luc Cain enrolls in her class. No one knows where he came from, but Frannie can't seem to stay away from him. What she doesn't know is that Luc is on a mission. He's been sent from Hell itself to claim Frannie's soul. It should be easy—all he has to do is get her to sin, and Luc is as tempting as they come. Frannie doesn't stand a chance. But he has to work fast, because if the infernals are after her, the celestials can't be far behind. And sure enough, it's not long before the angel Gabriel shows up, willing to do anything to keep Luc from getting what he came for. It isn't long before they find themselves fighting for more than just Frannie's soul. But if Luc fails, there will be Hell to pay . . . for all of them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Summoning of Demons Robinson

And then there were three . . . Once upon a time four sisters confronted their demonic father in the shadowy and enchanting other-world of Everwhere. The battle between them ended in devastating losses. The scars they carried from that fatal night slowly pushed the remaining sisters apart. But now they're being drawn back together - reuniting to try and resurrect what one of them has lost . . . On the night of their twenty-first birthday, when the clock strikes midnight, when October ticks into November, when autumn wilts into winter, when All Hallows' Eve becomes All Saints' Day, the sisters Grimm will reach the zenith of their powers. On this night, at this time, in the ethereal mist-bound realm of Everwhere, anything is possible. But when dark magic is released, tragedy will strike once more. Acclaim for *The Sisters Grimm*: 'Vividly drawn, evocative and complex . . . absorbing and beautiful.' BRIDGET COLLINS, author of *The Binding* 'One of those rare finds: a vivid and fully-realised act of the imagination, written with the page-turning immediacy of the here and now, but overflowing with the wonder of the stories of old.' ROBERT DINSDALE, author of *The Toymakers* 'A very grown up fairy-tale with more than a nod to Angela Carter and Philip Pullman . . . spellbinding.' STARBURST 'Darkly beguiling . . . perfect for fans of rich and imaginative fantasy books akin to Erin Morgenstern and Neil Gaiman.' CULTUREFLY 'An entertaining and clever examination of folklore, female empowerment, and the system that attempts to keep women in check.' SciFiNOW 'A compelling, intensely poetic narrative of empowerment and self-realisation.' GUARDIAN

Nightmares with the Bible Penguin UK

Despite our tendency to think of the demonic as evil and the angelic as good, our own legends don't always bear this out. Angels can be the incarnation of light and salvation, but they can also fall - Satan himself is a fallen angel. Demons can be truly demonic, but these unearthly creatures can also, on occasion, lend humankind a hand. Temptation can lead to revelation, supernatural messengers who bring true justice may not be welcomed, and beings seeking redemption can be blind to mortal needs.

Stories from world-renowned authors of science fiction and fantasy - including Neil Gaiman, George R. R. Martin and Joyce Carol Oates - and rising stars portray angels in all their glory, demons at their most dreadful, and a surprising variety of modern interpretations of ancient myth.

Demons, Angels, and Writing in Ancient Judaism Tor Books

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

Demon's Embrace CreateSpace

Bela, son of a Fallen Angel and a mortal woman, has lived for centuries. For one misstep in his youth, he was cursed and powers he had not yet learned to use were ripped away by a Guardian Angel. As a cursed half Demon, he is an outcast living outside of today's society, withdrawn to a safe oasis created for himself and others like him. After centuries, he finds his first human friend, his closed heart gradually opening to accept friendship and love in his life. When an old nemesis in new guise rises again to threaten today's way of life, the future of the world is on razor's edge. Characters never meant to be heroes are forced to suddenly embrace a new and terrifying role. Will there be enough time for Bela to come to terms with the past, to accept the changes, to embrace newfound abilities? Will it be enough to tip the scales in favor of the unsuspecting human world?

The Supernatural Book of Monsters, Spirits, Demons, and Ghouls Createspace Independent Pub

"The First Satan" is a book every Bible believer needs to read. Satan has been misunderstood based on pagan and Jewish mythology. Dr Al Garza explores the evolution of Satan from the Hebrew Bible to the 2nd Temple period and right into the New Testament. Discover why the Greek and Latin Church fathers adopted such a teaching that lead into the modern day view of a horned devil. "Does the Old and New Testament really teach that Satan is an angel who rebelled against God?" "Is Satan the Devil?" "What is the difference between a Satan and The Satan?" "Who are the Nephilim?" "Does Isiah and Ezekiel say Lucifer fell from heaven?" "Where did Angels come from?" "Who are the Cherubim and Seraphim?" These questions are all answered and more. Discover the truth about the origins of Satan, Devils and Demons. Separating truth from mythology.

Fallen Angels The First Book of Demons

Alexandra's world is shattered when the only family she has is brutally murdered. A series of strange encounters, and her relentlessly curious nature, lead her into the woods where she meets a destiny that has been chasing her since birth. She is brought into a world of demons that is fraught with turmoil and deadly power struggles. Lord Balthazar, a demon prince trying to hold his new kingdom together, seizes the opportunity, taking her hostage in a bid to gain the power he so badly needs. Alexandra's strong-willed, defiant personality not only gets her into heaps of trouble, but also manages to gain the unlikely affections of the handsome demon prince that is holding her captive. As time begins to run out for both of them, sacrifices must be made. By the time they realize their true desires, it may be too late.

Demons the Answer Book Monsoon Books

Twenty-three years ago, Sam and Dean Winchester lost their mother to a demonic supernatural force. Following the tragedy, their father, John, set out to teach his boys everything about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. Fans of the blockbuster television phenomenon can rejoice! A one-of-a-kind compilation of all of Sam and Dean's demon-busting knowledge, *The Supernatural Book of Monsters, Spirits, Demons, and Ghouls* contains illustrations and detailed descriptions that catalogue the more than two dozen otherworldly enemies that most people believe exist only in folklore, superstition, and nightmares: vampires, ghosts, revenants, reapers, and even bloody clowns. You'll find within these pages Sam and Dean's notes, observations, and memories interwoven with sections of John Winchester's invaluable journal, making this book the perfect companion to every thrilling episode—and an essential weapon in the secret war against the hidden creatures of the darkness!

The Book of Demons St. Martin's Paperbacks

In his own inimitable style Ramsey Dukes takes us through the advantages and dangers of hobnobbing with Demons. However for him Demons are very much our own creations; life's problems and challenges personified and given form. We can either be their slaves or strike bargains and get back into the driving seat. With his characteristic wit and wisdom, Uncle Ramsey takes us on a rollercoaster ride through our own subconscious in a sustained effort for us to accept and negotiate with life's challenges.

Book of Demons Aeon Books Limited

"Demons, as viewed through popular culture and history, are nightmares. This book considers demonic possession both historically and through the lenses of several popular movies that focus on exorcism"--

The Complete Book of Devils and Demons Infobase Publishing

In Peachville, even the cheerleaders have a dark side... Harper Madison isn't like other girls. She has extraordinary powers, but her inability to control them has gotten her kicked from so many foster homes she's lost count. Shadowford Home is her last chance, and she hopes Peachville High will be the fresh start

she needs. But when evidence ties her to the gruesome murder of a Demons cheerleader, Harper discovers this small town has a big secret.

Island of Demons Touchstone

With this handy Necronomicon for kids, and its easy to follow how-to steps, summoning demons has never been so much fun!

The Demonata: Lord Loss Greenleaf Book Group

This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

A Children's Book of Demons Random House

When Professor Miri Reynolds spots the incredibly handsome man standing in the shadows of the lecture hall, she doesn't know he's there for a purpose. Ash has come to seek information about the ethereal, or temporal, planes in order to recover the Book of Demons. He's not the only one looking, a shadowy corporation called Prometheus is hunting her as well, and they're not afraid to take extreme measures. What he doesn't expect is his attraction to Miri Reynolds or the secret she holds. He has his own secrets as well...
