The Fix 2 is in and the game is afoot The past few months have been a living hell for Persia. Seemingly overnight, she has fallen from grace and found herself scraping rock bottom, all in the name of two lovers--Chucky and cocaine. One was supposed to love her and the other take away the pain, but they've both fallen short on their promises.

**The Fix by K'wan - Goodreads**

K'wan is a master at storytelling. It had been a while between The Fix 2 and 3. But, you don't feel like anytime has passed while you're reading it. Love the Monk, Lil Monk, and Omega characters. The Kunte character also seems like a nice new addition. It was nice seeing recurring characters like Neighborhood pop up as well.
