With charm, wit, and intelligence, Asimov tells how he went from writing beer reviews for his high school newspaper on Long Island to the most coveted job in the industry. He evaluates the current wine culture, discussing trends both interesting and alarming, and celebrates the extraordinary pleasures of wine while, at the same time, questioning the conventional wisdom about wine. "I want my wines to tell a good story. I want them natural and most of all, like my dear friends, I want them to speak the truth even if we argue," says Alice Feiring. Join her as she sets off on her one-woman crusade against the tyranny of homogenization, wine consultants, and, of course, the 100-point scoring system of a certain all-powerful wine writer. Traveling through the ancient vineyards of the Loire and Champagne, to Piedmont and Spain, she goes in search of authentic barolo, the last old-style rioja, and the tastiest new terroir-driven champagnes. She reveals just what goes into the average bottle--the reverse osmosis, the yeasts and enzymes, the sawdust and oak chips--and why she doesn't find much to drink in California. And she introduces rebel winemakers who are embracing old-fashioned techniques and making wines with individuality and soul. No matter what your palate, travel the wine world with Feiring and you'll have to ask yourself: What do I really want in my glass?

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad--even desserts like Coconut Chocolate Cookies and Peach Coffee

Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

The Flavours of Love (una Headline

The champion of uncelebrated foods including fat, offal, and bones, Jennifer McLagan turns her attention to a fascinating, underappreciated, and trending topic: bitterness. What do coffee, IPA beer, dark chocolate, and radicchio all have in common? They're bitter. While some culinary cultures, such as in Italy and parts of Asia, have an inherent appreciation for bitter flavors (think Campari and Chinese bitter melon), little attention has been given to bitterness in North America: we're much more likely to reach for salty or sweet. However, with a surge in the popularity of craft beers; dark chocolate; coffee; greens like arugula, dandelion, radicchio, and frisée; high-quality olive oil; and cocktails made with Campari and absinthe—all foods and drinks with elements of bitterness—bitter is finally getting its due. In this deep and fascinating exploration of bitter through science, culture, history, and 100 deliciously idiosyncratic recipes—like Cardoon Beef Tagine, White Asparagus with Blood Orange Sauce, and Campari Granita—award-winning author Jennifer McLagan makes a case for this misunderstood flavor and explains how adding a touch of bitter to a dish creates an exciting taste dimension that will bring your cooking to life.
