Jesus once warned:

“Whosoever shall say, ‘You fool,’ shall be in danger of the hell of fire” (Mt. 5:22). And yet elsewhere, the Lord, in addressing the scribes and Pharisees, declared: “You fools ...” (23:17). While the superficial student might see a conflict here, actually, there is none; the respective passages are addressing different matters.

The "fools" represented those chosen by God for their lowly status. The feast, never widespread, was largely confined to cathedrals and collegiate churches in northern France. In the fifteenth century, high-ranking clergy who relied on rumor rather than firsthand

knowledge attacked and eventually suppressed the feast.

?The Folly of Fools? - shorebird ???????????

The Folly of Fools assumes the unity of all nature and seeks to comprehend it not merely by observation and reason, but also by subjective impressions, intuition and imagination. And thus Trivers ranges across biology, anthropology, history and politics to find examples of deception and self-deception in action."

The folly of fools is deceit. This is not self-deceit, which the word does not denote, but deceit of others. Stupid persons show their folly in trying to cheat others, though they are sure to be detected, and their fraud recoils on themselves. In the case of fools, what they would call wisdom is folly; hence the wording of the sentence.
