The Fort | Bernard Cornwell

The fort itself was dissected by two main thoroughfares; one ran west-to-east and one ran south-to-north. The administrative buildings were thought to be in the middle of the fort (although no remains of these building have ever been found) and the south, east and west sides of the fort would have housed the soldier ' s barracks and support buildings. The north side of the fort was thought to ...

THE FORT is about the Penobscot Expedition of 1779. A small British garrison had been established in what is now Maine (and was then part of Massachusetts), and the rebel government in Boston was determined to expel that garrison. Seven hundred British redcoats were in an unfinished fort, Fort George, and the harbour beneath the fort was protected by three sloops-of-war. Against this the State ...
