authors of The
Fourth

Revolution: the global race to reinvent the state. They have previously co-authored five books together: *The Witch Doctors*, *A Future Perfect*, *The Company*, *The Right Nation* and *God is Back*.

The Fourth Revolution: The Global Race to Reinvent the ...

In each, Europe and America have set the example. We are now, they argue, in the midst of a fourth revolution in the history of the nation-state, but this time the Western way is in

danger of being left behind. The Fourth Revolution brings the crisis into full view and points towards our future. The authors have enjoyed extraordinary access to influential figures and forces the world over, and the book is a global tour of the innovators.
