Girls on Fire Henry Holt and Company (BYR)

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? **A Room on Lorelei Street** Marquis Who's Who

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together."—Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present."—Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free."—Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart* and *Snow*

The Jenna Fox Chronicles: The Adoration of Jenna Fox, The Fox Inheritance, and Fox Forever This award-winning trilogy explores what it means to be human. Set in a future United States, it begins with

Jenna's search for identity, a quest as old as history but as startling as the future, and continues with her friend Locke Jenkins whose life is catapulted into a future he never could have imagined. The Adoration of Jenna Fox: When seventeen-year-old Jenna Fox wakes from a coma, it isn't only her friends and family she doesn't remember—she's forgotten herself. Jenna is told that she had an accident so horrific it's a miracle that she survived. As Jenna's memories return to her, her confusion grows. This life doesn't feel like hers. This body doesn't feel like hers. What happened while Jenna was asleep? Why do her parents seem so afraid and her grandmother so cold? the answers to those questions will change everything. The Fox Inheritance: Jenna, Locke, and Kara have been separated from their bodies, their minds cast off into darkness. Together, the three friends weather their purgatory—until one day, Jenna vanishes. As the years pass, Locke and Kara take solace in each other's presence. After nearly three lifetimes have passed, they are given new bodies and reintroduced into a world they can no longer recognize. Fox Forever: Favors, especially those owed to the Network, rarely go unclaimed. Locke Jenkins learns this the hard way when the resistance group comes knocking at his door. His task involves seventeen-year-old Raine, daughter to a powerful man in the government that the Network seeks to destroy. But what starts as a political plot soon turns into something more complicated. Includes bonus chapters from Mary Pearson *Kiss of Deception!*

*The Beauty of Darkness* Macmillan

Ava, a teenage girl living aboard the male-dominated deep space merchant ship *Parastrata*, faces betrayal, banishment, and death. Taking her fate into her own hands, she flees to the Gyre, a floating continent of garbage and scrap in the Pacific Ocean, in this thrilling, surprising, and thought-provoking debut novel that will appeal to fans of *Across the Universe*, by Beth Revis, and *The Handmaid's Tale*, by Margaret Atwood. Internationally bestselling author Stephanie Perkins called it "brilliant, feminist science fiction." Ava is the captain's daughter. This allows her limited freedom and a certain status in the *Parastrata*'s rigid society—but it doesn't mean she can read or write or even withstand the forces of gravity. When Ava learns she is to be traded in marriage to another merchant ship, she hopes for the best. After all, she is the captain's daughter. But instead, betrayal, banishment, and a brush with love and death are her destiny, and Ava stows away on a mail sloop bound for Earth in order to escape both her past and her future. The gravity almost kills her. Gradually recuperating in a stranger's floating cabin on the Gyre, a huge mass of scrap and garbage in the Pacific Ocean, Ava begins to learn the true meaning of family and home and trust—and she begins to nourish her own strength and soul. This sweeping and harrowing novel explores themes of choice, agency, rebellion, and family, and after a tidal wave destroys the Gyre and all those who live there, ultimately sends its main character on a thrilling journey to Mumbai, the beating heart of Alexandra Duncan's post-climate change Earth. An Andre Norton Award nominee.
