Dance of Thieves Henry Holt
and Company (BYR)
A USA TODAY BESTSELLER! "A
powerful debut that proves
the threads that interweave
our lives can withstand time
and any tide, and bind our
hearts forever."—Susanna
Kearsley, New York Times
bestselling author of
Belleweather and *The Vanished*
Days A historical novel
inspired by true events,
Kelli Estes's brilliant and
atmospheric debut is a
poignant tale of two women
determined to do the right
thing, highlighting the power

of our own stories. The
smallest items can hold
centuries of secrets... While
exploring her aunt's island
estate, Inara Erickson is
captivated by an elaborately
stitched piece of fabric
hidden in the house. The truth
behind the silk sleeve dated
back to 1886, when Mei Lien,
the lone survivor of a cruel
purge of the Chinese in
Seattle found refuge on Orcas
Island and shared her tragic
experience by embroidering it.
As Inara peels back layer upon
layer of the centuries of
secrets the sleeve holds, her

life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story

about discovering the past to bring peace to the present."
—Duncan Jepson, author of *All the Flowers in Shanghai*
"Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free."
—Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

This volume visits death in children's literature from around the world, making a substantial contribution to the dialogue between the expanding fields of Childhood Studies, Children's Literature, and Death

Studies. Considering both textual and pictorial representations of death, contributors focus on the topic of death in children's literature as a physical reality, a philosophical concept, a psychologically challenging adjustment, and/or a social construct. Essays covering literature from the US, Mexico, El Salvador, Guatemala, Canada, the UK, Sweden, Germany, Poland, Bulgaria, Brazil, Czechoslovakia, the Soviet Union, India, and Iran display a diverse range of theoretical and cultural perspectives. Carefully organized sections interrogate how classic texts have been adapted for the twenty-first century, how death has been politicized, ritualized, or metaphorized, and visual strategies for representing death, and how death has been represented within the context of play.

Asking how different cultures present the concept of death to children, this volume is the first to bring together a global range of perspective on death in children's literature and will be a valuable contribution to an array of disciplines.

Lord of the Flies meets War of the Worlds in J. Barton Mitchell's alien-invaded post-apocalyptic world where two teens and a young girl with amazing powers must stop the aliens' mysterious plan Earth has been conquered by an alien race known as the Assembly. The human adult population is gone, having succumbed to the Tone---a powerful, telepathic super-signal broadcast across the planet that reduces them to a state of complete subservience. But the Tone has one critical flaw. It only affects the population once they reach their early twenties, which means that there is one group left to resist: Children. Holt

Hawkins is a bounty hunter, and his current target is Mira Toombs, an infamous treasure seeker with a price on her head. It's not long before Holt bags his prey, but their instant connection isn't something he bargained for. Neither is the Assembly ship that crash-lands near them shortly after. Venturing inside, Holt finds a young girl who remembers nothing except her name: Zoey. As the three make their way to the cavernous metropolis of Midnight City, they encounter young freedom fighters, mutants, otherworldly artifacts, pirates, feuding alien armies, and the amazing powers that Zoey is beginning to exhibit. Powers that suggest she, as impossible as it seems, may just be the key to stopping the Assembly once and for all. *Midnight City* is the breathtaking first book of the *Conquered Earth* series.
