The Fred Factor is based on what is said to be a true story – the story of Fred the postman, who really exists and continues to work in Denver as a postman. Fred's story is told in a couple of pages at the start of the book and most of the rest of the book consists of lessons that Sanborn draws from the life of Fred.

The Fred Factor shows us how to seize the chance to be extraordinary. It would be superb if everyone who reads The Fred Factor would adapt their own work habits to become a Fred. And just imagine the possibilities, if fellow colleagues were inspired by the difference it made, and then followed suit to also commit to that change.

This short book focuses on a mailman Mark Sanborn met, a man named Fred.

The Fred Factor Kindle Edition - Amazon postman named Fred, who provides excellent customer service. I think everybody knows how to give excellent service, but I would argue that we are so wrapped up in our own world that forget to provide the service that we know we can. The Fred Factor is alike an laconic e-mail reminder; it reminds us of something we should be doing.

[Review of The Fred Factor - SteveDenning.com](#)

Fred Factor is apparently a true story of a knock-your-sock-off-service postman who left such an indelible mark (on Mark), that it became a book and a message to the masses. The gist of the whole book is simply this – Go the super extra mile not for self-benefit but Let me get something off my chest.

The Fred Factor Kindle Edition - amazon.com The Fred Factor presents a compassionate look at how every action we take can be made more significant if we take the time to reinvent our work and rejuvenate our efforts. By providing a look at the normal people who do extraordinary things in their daily activities, Sanborn presents heart-warming business lessons that expose the value and endless possibilities for improving life and work that come from loving others.
