Allan W. Eckert was an American historian, historical novelist, and naturalist. Eckert was born in Buffalo, New York, and raised in the Chicago, Illinois area, but had been a long-time resident of Bellefontaine, Ohio, near where he attended college. As a young man, he hitch-hiked around the United States, living off the land and learning about wildlife.

Eckert has done the country an invaluable service by recording our early history from the French and Indian War to end of the Shawnee country. Since the film seems unlikely everyone should read each Eckert book. We both laugh and cry at tv reporters that ask our young college students basic history questions they are unable to answer.

It was even better the second time. The real Simon Kenton was a real larger than life person including Tecumseh, William Henry Harrison and George Rogers Clark. I only wish this book, and the others, Wilderness War, wilderness Empire, Dark and Bloody Ground, and Tecumseh would be made into a feature film.

The Frontiersmen is equally the story of one of history's greatest leaders, whose misfortune was to be born to a doomed cause and a dying race.

Tecumseh, the brilliant Shawnee chief, welded

together by the sheer force of his intellect and charisma and incredible Indian confederacy that thrust of the white man's westward expansion.

Allan W. Eckert (Author of The Frontiersmen)

Allan Wesley Eckert was an American novelist and playwright who specialized in historical novels for adults and children, and was also a naturalist. His novel Incident at Hawk's Hill was initially marketed to adults and selected by Reader's Digest Condensed Books. A runner-up for the Newbery Medal, it was afterward marketed as a children's novel and adapted by Disney for a television movie known as The Boy Who Talked to Badgers. Eckert wrote several books of natural history. In addition, he wrote
