Crimes Committed by Terrorist Groups AuthorHouse

In *Living Judaism*, Rabbi Wayne Dosick, Ph.D., author the acclaimed *Golden Rules*, *Dancing with God*, and *When Life Hurts*, offers an engaging and definitive overview of Jewish philosophy and theology, rituals and customs. Combining quality scholarship and sacred spiritual instruction, *Living Judaism* is a thought-provoking reference and guide for those already steeped in Jewish life, and a comprehensive introduction for those

exploring the richness and grandeur of Judaism.

The Rosy Crucifixion: Sexus Macmillan

WINNER OF THE NATIONAL JEWISH BOOK AWARD AND THE JEWISH FICTION AWARD FROM THE ASSOCIATION OF JEWISH LIBRARIES GOOD MORNING AMERICA MUST READ NEW BOOKS * NEW YORK POST BUZZ BOOKS * THE MILLIONS MOST ANTICIPATED A remarkable debut novel—written with the fearless imagination of Michael Chabon and the piercing humor of Gary Shteyngart—about a small Jewish village in the Polish forest that is so secluded no one knows it exists . . . until now. What if there was a town that history missed? For decades, the tiny Jewish shtetl of Kreskol existed in happy isolation, virtually untouched and unchanged. Spared by the Holocaust and the Cold War, its residents enjoyed remarkable peace. It missed out on cars, and electricity, and the internet, and indoor plumbing. But when a marriage dispute spins out of control, the whole town comes crashing into the twenty-first century. Pesha Lindauer, who has just suffered an ugly, acrimonious divorce, suddenly disappears. A day later, her husband goes after her, setting off a panic among the town elders.

They send a woefully unprepared outcast named Yankel Lewinkopf out into the wider world to alert the Polish authorities. Venturing beyond the remote safety of Kreskol, Yankel is confronted by the beauty and the ravages of the modern-day outside world – and his reception is met with a confusing mix of disbelief, condescension, and unexpected kindness. When the truth eventually surfaces, his story and the existence of Kreskol make headlines nationwide. Returning Yankel to Kreskol, the Polish government plans to reintegrate the town that time forgot. Yet in doing so, the devious origins of its disappearance come to the light. And what has become of the mystery of Pesha and her former husband? Divided between those embracing change and those clinging to its old world ways, the people of Kreskol will have to find a way to come together . . . or risk their village disappearing for good.

The North of God Yotzeret Publishing

Some of the Praise for No Sense of Obligation . . . fascinating analysis of religious belief -- Steve Allen, author, composer, entertainer [A] tour de force of science and religion, reason and faith, denoting in clear and unmistakable language and rhetoric what science really reveals about the cosmos, the world, and ourselves. Michael Shermer, Publisher, Skeptic Magazine; Author, How We Believe: The Search for God in an Age of Science About the Book Rejecting belief without evidence, a scientist searches the scientific, theological, and philosophical literature for a sign from God--and finds him to be an allegory. This remarkable book, written in the laypersons language, leaves no room for unproven ideas and instead seeks hard evidence for the existence of God. The author, a sympathetic critic and observer of religion, finds instead a

physical universe that exists reasonlessly. He attributes good and evil to biology, not to God. In place of theism, the author gives us the knowledge that the universe is intelligible and that we are grownups, responsible for ourselves. He finds salvation in the here and now, and no ultimate purpose in life, except as we define it.

Lazar Malkin Enters Heaven HarperCollins

"In the 25 years since [Stern] published his first book, younger Jewish writers have run with a similar shtick . . . But Stern was there first." —The Toronto Globe and Mail The Book of Mischief triumphantly showcases twenty-five years of outstanding work by one of our true masters of the short story. Steve Stern's stories take us from the unlikely old Jewish quarter of the Pinch in Memphis to a turn-of-the-century immigrant community in New York; from the market towns of Eastern Europe to a down-at-the-heels Catskills resort. Along the way we meet a motley assortment of characters: Mendy Dreyfus, whose bungee jump goes uncannily awry; Elijah the prophet turned voyeur; and the misfit Zelik Rifkin, who discovers the tree of dreams. Perhaps it's no surprise that Kafka's cockroach also makes an appearance in these pages, animated as they are by instances of bewildering transformation. The earthbound take flight, the meek turn incendiary, the powerless find unwonted fame. Weaving his particular brand of mischief from the wondrous and the macabre, Stern transforms us all through the power of his brilliant imagination.

The Frozen Rabbi Harper Collins

Rabbi Eliezer ben Zephyr is inadvertently frozen in 1890 and, after being transported to twenty-first century Memphis, is accidently thawed by fifteen-year-old Bernie Karp, who begins to follow the rabbi's teachings with unforeseen consequences.

Call It Sleep Dundurn

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for

survival, in a novel that is the basis for the June 2013 film starring Brad Pitt. Reissue. Movie Tie-In.
World War Z Viking Adult
This carefully crafted ebook: "ULYSSES (Modern Classics Series)" is formatted for your eReader with a functional and detailed table of contents. Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake.

The College Writer Farrar, Straus and Giroux

Student Wendy Goldberg spends a year in Jerusalem questioning the lives of American Jews who "return" both to

Israel itself and to traditional religious practices. Are they sincere? Are they happier? The unexpected answers and her experiences (a bus bombing, a funeral, an unexpected suicide, a love affair, a law suit), lead her to reconsider her own true identity.

One People, Two Worlds Graywolf Press

In this powerful, unforgettable memoir, acclaimed novelist Darin Strauss examines the far-reaching consequences of the tragic moment that has shadowed his whole life. In his last month of high school, he was behind the wheel of his dad's Oldsmobile, driving with friends, heading off to play mini-golf. Then: a classmate swerved in front of his car. The collision resulted in her death. With piercing insight and stark prose, Darin Strauss leads us on a deeply personal, immediate, and emotional journey—graduating high school, going away to college, starting his writing career, falling in love with his future wife, becoming a father. Along the way, he takes a hard look at loss and guilt, maturity and accountability, hope and, at last, acceptance. The result is a staggering, uplifting tour de force. Look for special features inside, including an interview with Colum McCann.

The Hidden of Things Melville House

"A gem of adolescent disaffection featuring a Holden Caulfield-like heroine." — Vogue.com "Once I started reading it, I didn't want to stop. . . . If your all-time favorite books include works of young-adult fiction (like Catcher), I strongly urge you to take a look." — USA Today/Pop Candy
A riveting coming-of-age story, *Chocolates for Breakfast* became an international sensation upon its initial publication in 1956, and still stands out as a shocking and moving account of the way teenagers collide, often disastrously, against love and sex for the first time. This edition includes an introduction by author Emma Straub. Courtney Farrell is

a disaffected, sexually precocious fifteen-year-old. She splits her time between Manhattan, where her father works in publishing, and Los Angeles, where her mother is a still-beautiful Hollywood actress. After a boarding-school crush on a female teacher ends badly, Courtney sets out to learn everything fast. Her first drink is a very dry martini, and her first kiss the beginning of a full-blown love affair with an older man.

ULYSSES (Modern Classics Series) Algonquin Books

The year is 1970, and the youth of Europe are in the chaotic, ecstatic throes of the sexual revolution. Though blindly dedicated to the cause, its nubile foot soldiers have yet to realize this disturbing truth: that between the death of one social order and the birth of another, there exists a state of terrifying purgatory—or, as Alexander Herzen put it, a pregnant widow. Keith Nearing is stuck in an exquisite limbo. Twenty years old and on vacation from college, Keith and an assortment of his peers are spending the long, hot summer in a castle in Italy. The tragicomedy of manners that ensues will have an indelible effect on all its participants, and we witness, too, how it shapes Keith's subsequent love life for decades to come. Bitingly funny, full of wit and pathos, *The Pregnant Widow* is a trenchant portrait of young lives being carried away on a sea of change.

American Stranger Oxford University Press

With a Little Help is my first serious experiment in self-publishing. I've published many novels, short story collections,

books of essays and so on with publishers, and it's all been very good and satisfying and educational and so on, but it seems like it's time to try something new. *With a Little Help* consists of 12 stories, all reprints except for "Epoch" (commissioned by Mark Shuttleworth).

Fields of Exile Melville House Publishing

After being introduced by a mutual friend in the winter of 2000, Reform Rabbi Ammiel Hirsch and Orthodox Rabbi Yosef Reinman embarked on an unprecedented eighteen-month e-mail correspondence on the fundamental principles of Jewish faith and practice. What resulted is this book: an honest, intelligent, no-holds-barred discussion of virtually every "hot button" issue on which Reform and Orthodox Jews differ, among them the existence of a Supreme Being, the origins and authenticity of the Bible and the Oral Law, the role of women, assimilation, the value of secular culture, and Israel. Sometimes they agree; more often than not they disagree—and quite sharply, too. But the important thing is that, as they keep talking to each other, they discover that they actually like each other, and, above all, they respect each other. Their journey from mutual suspicion to mutual regard is an extraordinary one; from it, both Jews and non-Jews of all backgrounds can learn a great deal about the practice of Judaism today and about the continuity of the Jewish people into the future.

The Lost Shtetl Random House

Judith was a peace activist in Israel, yet in graduate school she discovers that vilifying Israel is the expected norm.

When Judith protests the hypocrisy she finds on campus, her ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

The Class St. Martin's Griffin

"An examination of strategies for effective organizing"--

The Shaolin Cowboy Vintage

In *The Flame Alphabet*, the most maniacally gifted writer of our generation delivers a novel about how far we will go in order to protect our loved ones. The sound of children's speech has become lethal. In the park, adults wither beneath the powerful screams of their offspring. For young parents Sam and Claire, it seems their only means of survival is to flee from their daughter, Esther. But they find it isn't so easy to leave someone you love, even as they waste away from her malevolent speech. On the eve of their departure, Claire mysteriously disappears, and Sam, determined to find a cure for this new toxic language, presses on alone into a foreign world to try to save his family.

The Pinch Good Press

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the

Steven Spielberg and Philosophy Harper Collins

A collection of Jewish stories, set in Europe and America, some presented with magic realism. Subjects include relations with Christians and conflict between religion and the secular.

Living Judaism Hachette UK

The "hilarious" (New York Times Book Review) collection of short stories from the award-winning humorist Simon Rich includes the story that inspired the Seth Rogen comedy *An American Pickle*. Twenty years ago, Barney the Dinosaur told the nation's children they were special. We're still paying the price. From "one of the funniest writers in America" comes a collection of stories culled from the front lines of the millennial culture wars (Jimmy So, Daily Beast). Rife with failing rock bands, student loans, and participation trophies, *Spoiled Brats* is about a generation of narcissists -- and the well-meaning boomers who made them that way. A hardworking immigrant is preserved for a century in pickle brine. A helicopter mom strives to educate her demon son. And a family of hamsters struggles to survive in a private-school homeroom. Surreal, shrewd, and surprisingly warm, these stories are as resonant as they are hilarious.

The Book of Mischief DIANE Publishing

The story of King Solomon, as told by his court historian.
