Even though the subtitle says "An introduction to

information graphics and visualization", this is hardly a read for beginners. Rather, I'd recommend it to everyone who seeks a deeper understanding of what they are actually dealing with when producing visual communication. The Functional Art: An introduction to information ...

The Washington Post has just published the U.S. version of the project I mentioned in the previous post: what if all victims of COVID-19 lived around you?

Working with The Washington Post graphics folks was an honor and a pleasure. Here are all people involved (I copied this from

the project page itself): This is the U.S. version of a project originally created in Brazil, as a partnership by ...
