Play Matters Createspace Independent Publishing Platform I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to

escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to

untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

This book constitutes a selection of the best papers from the 15th International Conference on Business Excellence, Digital Economy and New Value Creation, ICBE 2021, held in Bucharest, Romania, in March 2021. This book is a collection of research findings

and perspectives related to the digital economy and new value creation, led by the set of improvements and changes in the economic, societal and technological structures and processes towards the effort of reaching the sustainability goals.

The Wealth of Networks

Green Press/Eva Pohler
When the 2016 Oscar acting nominations all went to whites for the second consecutive year, #OscarsSoWhite became a trending topic. Yet these enduring

racial biases afflict not only the Academy Awards, but also Hollywood as a whole. Why do actors of color, despite exhibiting talent and bankability, continue to lag behind white actors in presence and prominence? Reel Inequality examines the structural barriers minority actors face in Hollywood, while shedding light on how they survive in a racist industry. The book charts how white male gatekeepers dominate

Hollywood, breeding a culture of ethnocentric storytelling and casting. Nancy Wang Yuen interviewed nearly a hundred working actors and drew on published interviews with celebrities, such as Viola Davis, Chris Rock, Gina Rodriguez, Oscar Isaac, Lucy Liu, and Ken Jeong, to explore how racial stereotypes categorize and constrain actors. Their stories reveal the day-to-day racism actors of color experience in talent agents'

offices, at auditions, and on sets. Yuen also exposes sexist hiring and programming practices, highlighting the structural inequalities that actors of color, particularly women, continue to face in Hollywood. This book not only conveys the harsh realities of racial inequality in Hollywood, but also provides vital insights from actors who have succeeded on their own terms, whether by sidestepping the system or subverting it from within. Considering how

their struggles impact real-world attitudes about race and diversity, *Reel Inequality* follows actors of color as they suffer, strive, and thrive in Hollywood.

Thanatos and Therese's love story continues in the second book of this epic young adult series by USA

Today bestselling author Eva Pohler. Ten agonizing months have gone by since Therese faced off against her parents' murderer at Mount Olympus, and she suspects Thanatos's absence is meant to send her a message: go on with your life. She tries to return Pete's affections even though her heart aches for the god of death. Then she becomes infuriated with Than when he says that he's "been busy." In cahoots with her new friend, who's gotten in with the Demon Druggies at school, Therese takes a drug that simulates a near-death experience,

planning to tell Than off so she can have closure and move on, but things go very, very wrong. Eventually she learns that Than has been busy searching for a way to make her a god, and he's found it, but it requires her to complete a set of impossible challenges designed by Hades, who hopes to see her fail.*Formerly The Gatekeeper's Challenge

Drawing on scholarly research findings, this book presents a cogent case that librarians can use to work towards

prioritization of reading in libraries and in schools. • Provides proof of the library's vital role in readers' lives, information that may be used to justify services and collections • Compiles current research on reading from diverse sources and presents it intuitively, saving librarians time and energy when searching for research findings • Offers a clear rationale for making pleasure reading a priority in libraries and in schools
The Anatomy of Corporate Law Eva Pohler Books/Green Press
Unrest brews among gods and mortals alike when Hades

makes a deal with the Fates to end his loneliness in the Underworld. But when Persephone proposes to conspire with him in a plot against Demeter, things get out of hand. Find out the truth of how Hades and Persephone met and fell in love and the impact it had on the rest of the pantheon in the throes of the Trojan War. Learn how their children--Hypnos, Thanatos, Megaera, Tisiphone, Alecto, and Melinoe--came into being. Discover why they were assigned their respective duties as Sleep, Death, the Furies, and the goddess of ghosts. Find out the real reason why the Olympians possessed such profound disdain

for these Underworld gods. This prequel to The Underworld Saga is more than a retelling of the Persephone myth. Many more of the ancient myths are woven together to reveal the conflict, tension, and relationships among the gods in one of the most beloved pantheons in human history. Persephone can be read before or after The Underworld Saga. *Formerly called The Gatekeeper's Bride Praise for Persephone "I love how Eva created the love story of Hades and Persephone. It's both beautiful and tragic in many ways."--Book Lover Reviews

"This is such a beautifully and originally retold version of the legend

of Persephone and Hades while still feeling true to the mythology. This is an emotional roller-coaster of a book; my heart just breaks for Persephone but I'm not going to say why... you'll just need to read it."--Tamara

"Such fun heart warming stories. You really, really want things to work out for the them but well, life and death wait for no one."--Kathy Goodwin

"Well written and fast paced! Really enjoyed it! Looking forward to reading the next ones!"--K.Giegkorov

"Although this doesn't follow the exact timeline of the more traditional Greek mythologies, this is definitely a good read! I had the HARDEST

time putting the book down and was even reading instead of working at times. By far one of my favorite younger targeted books that I've read in a long time. Easy read, detailed, and exciting to the very last page! Well done!!!"--Princess Julie

"Excellent! Very easy to read. Liked the mythology mixed with a modern vibe."--Goodreads Reviewer

“ A rollicking good time. ”
 —Golfweek *
 “ Thoroughly engaging. ”
 —The Washington Post A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in

the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring

impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and

extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil

is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA

Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor,

and unexpected turns. Challenge of Hades Green Press/Eva Pohler Official: the world's FIRST grimoire of the Demonic Gatekeeper Amaymon, who reveals himself as the last, darkest, and eldest mask of Lucifer, the Light Bearer. Go beyond Christianity forever and discover the REAL truth about Lucifer through humanity's official contact with the second Demonic Gatekeeper from the Outer Darkness. Undergo alchemy of the Black Sun with this six-grimoire compendium by top black magicians

Thanatos when she learns no god has ever been faithful to his wife. Before she can move into Hecate's rooms, however, the Underworld is attacked, she and her friends are crushed, the souls are unleashed, and a malevolent goddess threatens to un hinge Mount Olympus. Hypnos has just made a deal with Hades to have his turn in the Upperworld, but before he can tempt Jen with a kiss, he's called back to rebind the souls and defend the House of Hades, and he unwittingly puts

Jen and her family in harm's way. The Gatekeeper's Secret ABC-CLIO Sixteen-year-old Tiuri must spend hours locked in a chapel in silent contemplation if he is to be knighted the next day. But as he waits by the light of a flickering candle, he hears a knock at the door and a voice desperately asking for help. A secret letter must be delivered to King Unauwen across the Great Mountains--a letter upon which the fate of the entire kingdom depends. Tiuri has a vital role to play, one that might cost him his knighthood. He must trust no one. He must keep his true identity secret. Above all, he must never reveal what is in the

letter . . . Tiuri's journey will take him through dark, menacing forests, across treacherous rivers, to sinister castles and strange cities. He will encounter evil enemies who would kill to get the letter, but also the best of friends in the most unexpected places. The Gatekeeper's Sons Marrow Publishing Having escaped from Hong Kong, fifteen-year-old Matt and four other Gatekeepers take an ultimate stand against a destructive evil force that has unleashed a decimating storm as part of a plot to end the world. This book deals with
what the author
considers a sorely
neglected question,
namely the role of the
judiciary in states ' foreign policy
processes. Eksteen
argues that the impact
of the judiciary on
foreign affairs is
understudied and that
recognition of its role
in foreign affairs is
now due. This makes
it a ground-breaking
scholarly contribution
that should first of all
prove of value to
students, scholars,
researchers and
practitioners in the
two broad fields of
politics and law for
the wide scope of
issues it covers and the
very comprehensive
reference lists it
contains. Secondly,
professionals working
within politics,
including members of
the legislatures of the

United States, the European Union and South Africa, as well as members of the judiciaries there, should find this book of benefit. A detailed examination has been undertaken of the role of the United States Supreme Court, the two high courts in South Africa, namely the Constitutional Court and the Supreme Court of Appeal, and the European Court of Justice of the European Union, in foreign affairs. The author substantiates the unmistakable fact that these Courts have become involved in and influence foreign affairs. Furthermore, that they have not shied away from using their judicial authority when dealing with cases touching on foreign affairs and

especially presidential overreach. The lack of recognition of the judiciary 's role in foreign affairs is still noticeable in Foreign Policy Analysis (FPA) literature. This book concludes that FPA has to accept and give proper recognition to the judiciary and its increasing relevance in foreign affairs. Dr. Riaan Eksteen is a Former South African Ambassador residing in Namibia; from 1968-1973 he served at the South African Embassy in Washington D.C.; between 1976-1994, he subsequently served as Ambassador and Head of Mission at the U.N. in New York (1976-81), in Namibia (1990-91), at the U.N. in Geneva (1992-94), and in Turkey, with accreditation also to

Azerbaijan, Kyrgyzstan, Turkmenistan and Uzbekistan (1995-97). He obtained his Ph.D. from the University of Johannesburg in October 2018. Lucifer: The Enlightener Nine Demonic Gatekeepers Saga From the Amazon bestselling teen fantasy based on Greek mythology--The Gatekeeper's Saga--comes the first in a spin-off series. Readers asked for more, and here it is. Hypnos and Jen aren't married long when they realize something's missing: they both want to have a child, especially when they see how happy Therese and Than are with their twins. But the creation of

new gods is against the rules, and they aren't willing to give up their immortality. So Hypnos goes to Mount Olympus to offer Zeus a deal. He'll make it his mission to find out the source of the recent attacks on Gaia--horrible earthquakes that have already released one monster from the Titan Pit--if Zeus will agree to let him and Jen have one immortal child. Because the attacks are getting humans killed and none of the other gods have been able to discover a lead, Zeus, in his desperation, agrees. But this new quest just might get Hypnos swallowed and trapped for all eternity.

Charon's Quest

Nine Demonic Gatekeepers Saga
Fifteen-year-old Therese watches her parents die. While in a coma, she meets the twin sons of Hades--Hypnos, the god of sleep, and Thanatos, the god of death. She thinks she's manipulating a dream, not kissing the god of death and totally rocking his world. Than makes a deal with Hades and goes as a mortal to the Upperworld to try and win Therese's heart, but not all the gods are happy. Some give her gifts. Others try to kill her. The

deal requires Therese to avenge the death of her parents. With the help of Than's fierce and exotic sisters, the Furies, she finds herself in an arena face to face with the murderer, and only one will survive.
