“ Slow violence ” from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Inquisition by converting to Christianity. It is told through the eyes of two New York sisters, researching their roots in Europe to please their dying grandmother. In the process, the women discover their heritage and each finds love with a man. Delilah W. W. Norton & Company
A groundbreaking history of how Jewish women maintained their identity and influenced social activism as they wrote themselves into American history. What does it mean to be a Jewish

woman in America? In a gripping historical narrative, Pamela S. Nadell weaves together the stories of a diverse group of extraordinary people—from the colonial-era matriarch Grace Nathan and her great-granddaughter, poet Emma Lazarus, to labor organizer Bessie Hillman and the great justice Ruth Bader Ginsburg, to scores of other activists, workers, wives, and mothers who helped carve out a Jewish American identity. The twin threads binding these women together, she argues, are a strong sense of

self and a resolute commitment to making the world a better place. Nadell recounts how Jewish women have been at the forefront of causes for centuries, fighting for suffrage, trade unions, civil rights, and feminism, and hoisting banners for Jewish rights around the world. Informed by shared values of America's founding and Jewish identity, these women's lives have left deep footprints in the history of the nation they call home. The Sisters Weiss Amazonencore
When her

husband and daughter disappear from their violent Jerusalem community, a pregnant Elise Margulies desperately calls her grandmother in America for help and finds herself at the front lines against terrorism. Seven Blessings Macmillan With more than half a million copies of her novels sold, Naomi Ragen has connected with the hearts of readers as well as reviewers who have met her work with unanimous praise. In The Saturday

Wife, Ragen utilizes her fluid writing style--rich with charm and detail--to break new ground as she harnesses satire to expose a world filled with contradiction. Beautiful, blonde, materialistic Delilah Levy steps into a life she could have never imagined when in a moment of panic she decides to marry a sincere Rabbinical student. But the reality of becoming a paragon of virtue for a demanding and hypocritical congregation leads sexy Delilah into a vortex of shocking choices which spiral out of control into a

catastrophe which is as sadly believable as it is wildly amusing. Told with immense warmth, fascinating insight, and wicked humor, The Saturday Wife depicts the pitched and often losing battle of all of us as we struggle to hold on to our faith and our values amid the often delicious temptations of the modern world. The Ghost of Hannah Mendes Harvard University Press For generations of German-speaking Jews, the works of Goethe and Schiller epitomized the

world of European high culture, a realm that Jews actively participated in as both readers and consumers. Yet from the 1830s on, Jews writing in German also produced a vast corpus of popular fiction that was explicitly Jewish in content, audience, and function. Middlebrow Literature and the Making of German-Jewish Identity offers the first comprehensive investigation in English of this literature, which

sought to navigate between tradition and modernity, between Jewish history and the German present, and between the fading walls of the ghetto and the promise of a new identity as members of a German bourgeoisie. This study examines the ways in which popular fiction assumed an unprecedented role in shaping Jewish identity during this period. It locates in nineteenth-century Germany a defining moment

of the modern Jewish experience and the beginnings of a tradition of Jewish belles lettres that is in many ways still with us today. The Ghost of Hannah Mendes Harvard University Press This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background

information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of

Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition. To Whom Was The Promised Land Promised? Verso Books Atlit is a holding camp for "illegal" immigrants in Israel in 1945. There, about 270 men and women await their future and try to recover from their past. Diamant, with infinite compassion and understanding, tells the stories

of the women gathered in this place. Shayndel is a Polish Zionist who fought the Germans with a band of partisans. Leonie is a Parisian beauty. Tedi is Dutch, a strapping blond who wants only to forget. Zorah survived Auschwitz. Haunted by unspeakable memories and too many losses to bear, these young women, along with a stunning cast of supporting characters who work in or pass through Atlit, begin to find

salvation in the bonds of friendship and shared experience, as they confront the challenge of re-creating themselves and discovering a way to live again.

priestess to the Five Cities that rule Canaan. With her beloved friend Aylah, Delilah grows up under the watchful eyes of high priestess Derceto, who sees the devout young priestesses as valuable playing pieces in her political schemes. In the hills of Canaan, the Israelites chafe under the rule of the Five Cities, and choose Samson to lead them to victory. A reluctant warrior,

Samson is a man of great heart who prefers peace to war. But fearing a rebellion, those who rule the Five Cities will do anything to capture Samson. When Samson catches a glimpse of Delilah, he is ready to risk his freedom to marry her, and Derceto seizes the chance to have Samson at her mercy. The Temple's intrigues against Samson force Aylah and Delilah apart,

lead Delilah to question her own heart, and change her future forever. A glorious and inventive retelling of an ancient story, Delilah is a soaring tale of political turmoil, searing betrayal, passionate friendship, and forbidden love. Women's Minyan Macmillan In My Mother's House is a beautiful, haunting, and elegantly crafted novel about a daughter's obsession to understand her mother's staunch commitment to

silence about their family's experiences during World War II Vienna--and how they were able to escape. Told in alternating voices (Elizabeth and her mother Jenny), the story is remarkable for its fullness and rich details: the pieces of family silver the grandmother mails to the family, piece by piece, over the years; Jenny's war-time memories of her uncle's *viola d'amore* lessons; the fragrant smell of the wood floors at the Hofzeile, the family's longstanding yellow home in Vienna. As Elizabeth begins

to fill the gaps of Jenny's troubled memory, she stumbles upon a family secret that ultimately reveals how it is that we inherit the things we do, from one generation to the next. In *My Mother's House* is a poignant look at a family struggling to regain what took them generations to build and at what cost. It's an emotional, expertly told novel that proves that Margaret McMullan will soon join the ranks of writers such as Anita Shreve and Carol Shields. *To Have and Have Not* Macmillan When she

discovers the truth about her Aunt Rose, who, in the 1950s, committed an unforgivable act, Rivka, growing up in a strict ultra-Orthodox family, sets off on a dangerous adventure to find her, which sets in motion a chain of events that stirs up the ghosts of the past and alters the future. 50,000 first printing.
