In my experience, anger in gifted children is often fueled by anxiety, a common byproduct of various overexcitabilities. And if anxiety triggers a fight-or-flight response, some gifted children are going to fight. If your child is indeed anxious, the first step is to help them learn how to self soothe and regulate their own emotional state.

Best Books on Parenting Gifted and Creative Children

Everybody knows a bright child who works hard and is considered a high achiever in school. Typically these children are in the top 10 to 15% of intellectual ability; but what of the children who are in the top 5% category and above? It's this group that is sometimes referred to as gifted, talented or exceptionally able.

Parenting Guide Gifted Children Ireland

Nov. 1, 2019. If you've ever suspected your child is gifted, you might also be wondering how that term is defined. Technically, the primary definition of a gifted child is one whose intelligence puts them in the top 2% of the population, says Kahina Louis, Psy.D., a licensed psychologist and CEO of Strengths and Solutions, an organization that conducts gifted testing in Miramar, Florida.
