What a Paradise tells a tale of the stimulating experiences of Indian immigrants

from the painful disenchantment of the Dot com crisis to the uncertainties of adapting to new lands. It explores the experiences of NRIs vis--vis Indians through the eyes of the four main female characters. Jane: Breaking ties with her family over an arranged marriage she escapes to the United States. She savors phenomenal success after her gruesome early struggles in America working 18 hour days balancing studies and part time work at a diner to pay her way through college. Although deracinated from a life of comfort to

one of hardship, Jane the maverick wears her accomplishments humbly. Namita: Share the struggles of Namita and her family, migrants to Australia as they face initial disappointments. The issues of racism and identity also feature in their story. It is not without angst and frustration that they mull through their early days in Sydney. Lila: She begins life as a wealthy landowners daughter but loses everything before she grows up. Raised by benevolent relatives she works hard to

become a doctor. Happily married and working diligently as a medical microbiologist in her Alma Mater, she finds herself the accused in a fabricated criminal case. Although pronounced innocent and reinstated to her post, she chooses to accompany her husband to California. Rukmini: Married to a genius doctor in the U.K. whose commitment to adjuvant research distances him from mundane family matters, Rukmini fields harsh condemnation of

her husband for neglecting his aged parents back home in Delhi. Confident in her husbands love for his family she does not care to explain him to anybody. Set against the vibrant backdrop of an elaborate Delhi wedding their stories unravel alongside incidents of bomb blasts and a hit and run. *What a Paradise!* Global Collective Publishers Become the exceptional person God has called you to be with these seven practices for living a fulfilled and plentiful life from Lakewood Church co-pastor and bestselling author

that you are chosen Love well Keep your accounts short Live in your space of gratitude Start your day off right Live encouraged, live empowered, and live intentional, and see the new and exciting things God has in store for you. *Kamala's Way* Simon and Schuster "A girl is inspired by an ambitious woman to ponder the word and claim it for herself as well"-- **The Secret Garden** Crown Discover the incredible story of a young daughter of immigrants who would grow up to be the first woman, first Black person, and

first South Asian American ever elected Vice President of the United States—and in a history-making turn of events, likely to become the Democrats' 2024 Presidential nominee—in this moving picture book biography of Kamala Harris. When Kamala Harris was young, she often accompanied her parents to civil rights marches—so many, in fact, that when her mother asked a frustrated Kamala what she wanted, the young girl responded with: "Freedom!" As

Kamala grew from a small girl in Oakland to a senator running for president, it was this long-fostered belief in freedom and justice for all people that shaped her into the inspiring figure she is today. From fighting for the use of a soccer field in middle school to fighting for the people of her home state in Congress, Senator Harris used her voice to speak up for what she believed in and for those who were otherwise unheard. And now this dedication has

led her all the way to being elected Vice President of the United States and a likely 2024 Presidential candidate. Told Grimes's stunning verse and featuring gorgeous illustrations by Laura Freeman, this picture book biography brings to life a story that shows all young people that the American dream can belong to all of us if we fight for one another.

wildest, and most nutritious food there is. For free! The thirteen plants found growing in every region across the world are: dandelion, mallow, purslane, plantain, thistle, amaranth, dock, mustard, grass, chickweed, clover, lambsquarter, and knotweed. These special plants contribute to the regeneration of the earth while supporting the survival of our human species;

they grow everywhere where human civilization exists, from the hottest deserts to the Arctic Circle, following the path of human disturbance. Indeed, the more humans disturb the earth and put our food supply at risk, the more these thirteen plants proliferate. It 's a survival plan for the ages. Including over one hundred unique recipes, Katrina Blair 's book teaches us how to

prepare these wild plants from root to seed in soups, salads, slaws, crackers, pestos, seed breads, and seed butters; cereals, green powders, sauerkrauts, smoothies, and milks; first-aid concoctions such as tinctures, teas, salves, and soothers; self-scare/beauty products including shampoo, mouthwash, toothpaste (and brush), face masks; and a lot more.

Whether readers are based at home or traveling, this book aims to empower individuals to maintain a state of optimal health with minimal cost and effort. Dear Kamala Little, Brown Spark The first fully illustrated book on Kamala Harris ' s life and work, a retrospective that celebrates and honors her barrier-breaking achievements. When Kamala Harris became vice president of the United

States, she made history as the first woman, first Black person, first South Asian American, and first Caribbean American to hold the office. This stunning book covers Harris ' s life from her childhood in Berkeley to her Howard College years, charting the many firsts she has carried with her throughout her legal and senatorial careers. It also explores Harris ' s presidential campaign, her family (her husband, Doug

Emhoff, is the first Second Gentleman and the first Jewish vice presidential spouse), the inauguration and her first months in the White House, and includes sidebars giving historical context to Black and female representation in government. Harris ' s inspiring journey is brought to life with 120 photographs, quotes, highlights from notable speeches, and insightful commentary from Malaika Adero.

Based on peer-reviewed articles from the Second International Conference of the South Asian Society of Criminology and

Victimology, Interpersonal Criminology investigates the roots of crime and victimization, rather than dissecting criminal behavior after the fact. The book divides crime by type, covering crimes against women, crimes against children and youths, culture conflict and victimization of groups, and interpersonal cybercrimes. Perfect for criminal justice practitioners and advanced human rights, criminology, and victimology students, Interpersonal Criminology explores the

complexities of crime and interpersonal events in both established and emerging fields of criminology, including those concerning women and minorities.

The inspiring story of Vice President Kamala Harris told in the new Who HQ NOW format for trending topics. On August 22, 2020, Kamala Harris, a senator from California, became the first African-American and

South Asian-American woman to be selected as the vice presidential running mate on a major party's ticket. While her nomination was not unexpected, her rise to national prominence was one filled with unexpected turns and obstacles. After failing her first bar exam to become a lawyer, she tried again and passed. From

there, she quickly rose through the legal ranks, serving as district attorney of San Francisco, then California's attorney general, and soon, senator. As a politician, Kamala Harris has been a vocal champion of progressive reforms and women's rights. This exciting story details the defining moments of what led to her nomination and all the monumental ones since that

have shaped her career and the future of America. Vice President Kamala Harris Roaring Brook Press Green-growing secrets and powerful magic await you at Misselthwaite Manor, now reimagined in this bewitching graphic novel adaptation of Frances Hodgson Burnett's beloved tale. From Mariah Marsden, author of the critically acclaimed *Anne of Green Gables: A Graphic Novel*, comes the second installment in this series of retold children's classics. Ten-

year-old Mary Lennox arrives at a secluded estate on the Yorkshire moors with a scowl and a chip on her shoulder. First, there's Martha Sowerby: the too-cheery maid with bothersome questions who seems out of place in the dreary manor. Then there's the elusive Uncle Craven, Mary's only remaining family—whom she's not permitted to see. And finally, there are the mysteries that seem to haunt the run-down place: rumors of a lost garden with a tragic past, and a midnight wail that echoes across the

moors at night. As Mary begins to explore this new world alongside her ragtag companions—a cocky robin redbreast, a sour-faced gardener, and a boy who can talk to animals—she learns that even the loneliest of hearts can grow roots in rocky soil. Given new life as a graphic novel in illustrator Hanna Luechtefeld's whimsical style, *The Secret Garden* is more enchanting and relevant than ever before. At the back of the book, readers can learn about the life of Frances Hodgson Burnett and the history of British

colonialism that contextualizes the original novel. We're Speaking Simon and Schuster I am Kamala Harris. As soon as I could stand, I began standing up for justice. When I was a toddler, my parents took me to Civil Rights marches, in California, where I was born. People sang joyful songs of freedom. They painted colorful signs, saying "Love your

Neighbor," "Freedom," and "Equal Justice Under the Law." People of every color and background were kind to each other, working together make the American Dream come true for everybody. It was like a rainbow parade for fairness. I loved it. Once, I slipped out of my stroller at a march. My mother hugged me to comfort my fussing. "What do you want, baby?" She asked.

“ Freedom! ” I answered, just like the other civil rights marchers. The family laughed. But I meant it. Meet Kamala Harris New York : Farrar, Straus, Giroux 'We not only dream, we do. We not only see what has been, we see what can be. We shoot for the moon ... We are bold, fearless, and ambitious. We are undaunted in our belief that we shall overcome; that we will rise up.' - Kamala Harris; Inauguration night address

On 20 January 2021, Kamala Harris was sworn in as the Vice President of the United States of America, making her the first person of Indian descent, and the first woman to reach this position. This was hardly surprising, for Kamala - the daughter of a breast-cancer scientist Indian mother and a Stanford University emeritus professor of economics Jamaican father - has been known to blaze a trail for herself

in her chosen fields. Fun 'momala' and aunt at home but hard-nosed, unsparing prosecutor and senator elsewhere, Kamala dons many hats. This biography focuses on the micro-histories that shaped Kamala Harris and celebrates her Asian and Jamaican heritage - with special attention to her India connect - and her barrier-shattering ascent as a woman of colour coming to occupy one of the highest

offices in the USA. Chidanand Rajghatta's masterful chronicling of Kamala's life - her rise to candidature, the struggles and triumph in a messy, hard-won election despite coming from a 'non-traditional' background - delivers an inspirational story of a phenomenal woman.

"Promise me, Dad," Beau had told his father. "Give me your

word that no matter what happens, you're going to be all right." Joe Biden gave him his word. Promise Me, Dad chronicles the year that followed, which would be the most momentous and challenging in Joe Biden's extraordinary life and career. Vice President Biden traveled more than a hundred thousand miles that year, across the world, dealing with crises in Ukraine,

Central America, and Iraq. When a call came from New York, or Capitol Hill, or Kyiv, or Baghdad--"Joe, I need your help"--he responded. For twelve months, while Beau fought for and then lost his life, the vice president balanced the twin imperatives of living up to his responsibilities to his country and his responsibilities to his family. And never far away was the

insistent and urgent question of whether he should seek the presidency in 2016. The year brought real triumph and accomplishment, and wrenching pain. But even in the worst times, Biden was able to lean on the strength of his long, deep bonds with his family, on his faith, and on his deepening friendship with the man in the Oval Office, Barack Obama. Writing with poignancy and immediacy, Joe

Biden allows readers to feel the urgency of each moment, to experience the days when he felt unable to move forward as well as the days when he felt like he could not afford to stop. This is a book written not just by the vice president, but by a father, grandfather, friend, and husband. *Promise Me, Dad* is a story of how family and friendships sustain us and how hope, purpose, and

action can guide us through the pain of personal loss into the light of a new future." -

The #1 New York Times bestseller
From Vice President Kamala Harris, one of America's most inspiring political leaders, comes a book about the core truths that unite us and how best to act upon them. "A life

story that genuinely entrances." —Los Angeles Times " An engaging read that provides insights into the influences of [Harris ' s] life...Revealing and even endearing. " —San Francisco Chronicle The daughter of immigrants and civil rights activists, Vice President Kamala Harris was raised in an Oakland, California, community that cared deeply about social justice. As she

rose to prominence as one of the political leaders of our time, her experiences would become her guiding light as she grappled with an array of complex issues and learned to bring a voice to the voiceless. In *The Truths We Hold*, she reckons with the big challenges we face together. Drawing on the hard-won wisdom and insight from her own career and the work of those who have

most inspired her, she communicates a vision of shared struggle, shared purpose, and shared values as we confront the great work of our day.
