Manu Gandhi, M.K. Gandhi’s grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi’s ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, *The Diary of Manu Gandhi* is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi’s life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943–44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi’s illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her ‘mother’.

*Siddhartha* is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse’s ninth novel, was written in German, in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, siddha (achieved) + artha (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha’s own name, before his renunciation, was Siddhartha Gautama, Prince of Kapilvastu. In this book, the Buddha is referred to as "Gotama".

Born during World War II, Marilee Eaves has long struggled to fit into the New Orleans elite—secret Mardi Gras societies that ruled the city—into which she was born. Then, as a student at Wellesley, she’s hospitalized at McLean psychiatric hospital, where she begins to realize how much of herself she’s sacrificed to blend into and be fully accepted by the exclusive and exclusionary white Uptown New Orleans culture to which she supposedly belongs. In *Singing Out Loud*, Eaves tells of her journey to stand on her own two feet—to find a way to be grounded and evolved in the midst of that culture. Along the way, she wrestles with bipolar disorder, alcoholism, and the effects of her bad (heartbreaking, and sometimes hilarious) choices. Down Girl is a broad, original, and far ranging analysis of what misogyny really is, how it works, its purpose, and how to fight it. The philosopher Kate Manne argues that modern society's failure to recognize women's full humanity and autonomy is not actually the problem. She argues instead that it is women's manifestations of human capacities -- autonomy, agency, political engagement -- is what engenders misogynist hostility.
