"A little girl was born with cerebral palsy, a condition that rendered her wheelchair bound. One day, her art teacher affixed a paintbrush to her forehead with a headband. From then on, the little girl was able to express herself and freely explore the world through her paintings"--Dust jacket flap.

Radical Nation Penguin

Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, *The Diary of Manu Gandhi* is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943–44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'.

"Lush and mysterious...casts its spell from the first page...This is a deeply satisfying novel." - Kelly O'Connor McNeese, author of *The Island of Doves* The redemptive journey of a young woman unsure of her engagement, who revisits in memory the events of one scorching childhood summer when her beautiful yet troubled mother spirits her away from her home to an Indian village untouched by time, where she discovers in the jungle behind her ancestral house a spellbinding garden that harbors a terrifying secret.

The Diary of Manu Gandhi Oxford University Press

Siddhartha is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German, in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, siddha (achieved) + artha (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha's own name, before his renunciation, was Siddhartha Gautama, Prince of Kapilvastu. In this book, the Buddha is referred to as "Gotama".

Meet Kamala Harris *The Girl in the Garden*

Mechal Renee Roe, illustrator of Vice President Kamala Harris's *Super Heroes Are Everywhere*, creates a joyful, positive, read-together book celebrating girls with natural black hair that will have kids everywhere chanting: "I love being me!" Kamala Harris wants your voice to be heard. *I'm Speaking* is a collection of the empowering words of a trailblazing Vice President who believes we can reach a better, stronger tomorrow together. She is no stranger to being the "first" to take action and break into new leadership roles, and her guidance, resolve, and strength of character affirm the promise that she will not be the last. This book of quotations is not just a source of her wisdom, but a beacon of compassion, encouragement, and the assurance that the future is for everyone. *I'm Speaking* is a hopeful reminder that unity is not found by following the loudest voice, but by emboldening us all to speak up and speak out until everyone's voice is heard. Pore over nearly 150 moving quotes on integrity, leadership, and empathy · Look to Kamala Harris for power, poise, and limitless aspirations for a better world · Celebrate a brighter future with the first Black, Asian-American, female Vice President

Ambitious Girl Marvel Entertainment

The #1 New York Times bestseller From Vice President Kamala Harris, one of America's most inspiring political leaders, a book about the core truths that unite us, and the long struggle to discern what those truths are and how best to act upon them, in her own life and across the life of our country "A life story that genuinely entrances." —Los Angeles Times Vice President Kamala Harris's commitment to speaking truth is informed by her upbringing. The daughter of immigrants, she was raised in an Oakland, California community that cared deeply about social justice; her parents--an esteemed economist from Jamaica and an admired cancer researcher from India--met as activists in the civil rights movement when they were graduate students at Berkeley. Growing up, Harris herself never hid her passion for justice, and when she became a prosecutor out of law school, a deputy district attorney, she quickly established herself as one of the most innovative change agents in American law enforcement. She progressed rapidly to become the elected District Attorney for San Francisco, and then the chief law enforcement officer of the state of California as a whole. Known for bringing a voice to the voiceless, she took on the big banks during the foreclosure crisis, winning a historic settlement for California's working families. Her hallmarks were applying a holistic, data-driven approach to many of California's thorniest issues, always eschewing stale "tough on crime" rhetoric as presenting a series of false choices. Neither "tough" nor "soft" but smart on crime became her mantra. Being smart means learning the truths that can make us better as a community, and supporting those truths with all our might. That has been the pole star that guided Harris to a transformational career as the top law enforcement official in California, and it is guiding her now as a transformational United States Senator, grappling with an array of complex issues that affect her state, our country, and the world, from health care and the new economy to immigration, national security, the opioid crisis, and accelerating inequality. By reckoning with the big challenges we face together, drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, Kamala Harris offers in *THE TRUTHS WE HOLD* a master class in problem solving, in crisis management, and leadership in challenging times. Through the arc of her own life, on into the great work of our day, she communicates a vision of shared struggle, shared purpose, and shared values. In a book rich in many home truths, not least is that a relatively small number of people work very hard to convince a great many of us that we have less in common than we actually do, but it falls to us to look past them and get on with the good work of living our common truth. When we do, our shared effort will continue to sustain us and this great nation, now and in the years to come.

The Hill We Climb Castle Point Books

From Vice President Kamala Harris comes a picture book with an

empowering message: Superheroes are all around us--and if we try, we can all be heroes too. Now a #1 New York Times bestseller! Before Kamala Harris was elected to the vice presidency, she was a little girl who loved superheroes. And when she looked around, she was amazed to find them everywhere! In her family, among her friends, even down the street--there were superheroes wherever she looked. And those superheroes showed her that all you need to do to be a superhero is to be the best that you can be. In this empowering and joyful picture book that speaks directly to kids, Kamala Harris takes readers through her life and shows them that the power to make the world a better place is inside all of us. And with fun and engaging art by Mechal Renee Roe, as well as a guide to being a superhero at the end, this book is sure to have kids taking up the superhero mantle (cape and mask optional). Praise for *Superheroes Are Everywhere*: "This [book] offers a solid message: a superhero could be anyone, including you."

Zigzags She Writes Press

RADICAL NATION makes it clear what is at stake. If you want to Save America you must read this--it is MAGA all the way." -- PRESIDENT DONALD J. TRUMP "RADICAL NATION is a must-read. Spicer presents a clear and concise understating of the direction we are headed and provides the tools and tactics necessary to combat it." -- NEWT GINGRICH "The Biden-Harris regime is pushing discredited policies that will destroy the very fabric of America. RADICAL NATION provides us with background on the direction they could take us, and ways we can fight back and win." -- DAN BONGINO "RADICAL NATION is critically important. My friend Sean perfectly diagnoses the problems with the Biden presidency and what we can do to save our nation." -- CHARLIE KIRK The Biden-Harris progressive agenda presents a radical change to the American economy, values, national security, and freedom. From the former Trump White House press secretary and New York Times bestselling author of *THE BRIEFING* and *LEADING AMERICA* comes a stark warning: Under Joe Biden and Kamala Harris, America is lurching towards economic collapse, runaway inflation, wide-open borders, an all-out assault on human life and religious liberty, a K-12 school indoctrination plan, "election reforms" to ensure never-ending Democratic Party rule, and more. RADICAL NATION is a bold grassroots agenda for defending America against the Progressives' Socialist agenda. Featuring powerful stories that will move you and keep you riveted, this book will channel conservatives discouragement, anger, and betrayal into meaningful action to keep America free, strong, and secure for our children and grandchildren.

Mr. Green Grows a Garden Harper Collins

The Nowhere Man is an intricate, perceptive tragedy of alienation centered around the violent racism sparked by Britain's post-war immigration drive. Srinivas, an elderly Brahmin, has been living in south London suburb for 30 years. After the death of his son, and later his wife, this lonely man is befriended by an Englishwoman in her sixties, whom he takes into his home. The two form a deep and abiding relationship. But the haven they

have created for themselves proves to be a fragile one. Racist violence enters their world and Srinivas's life changes irrevocably--as does his dream of England as a country of tolerance and equality. First published in 1972, *The Nowhere Man* depicts a London convulsed by fear and bitterness. Truly shocking, *The Nowhere Man* is as relevant today as when it was first published almost fifty years ago.

[The Secret Garden](#) Little People, BIG DREAMS

A revelatory biography of the first Black woman to stand for Vice President, charting how the daughter of two immigrants in segregated California became one of this country's most effective power players. There's very little that's conventional about Kamala Harris, and yet her personal story also represents the best of America. She grew up the eldest daughter of a single mother, a no-nonsense cancer researcher who emigrated from India at the age of nineteen in search of a better education. She and her husband, an accomplished economist from Jamaica, split up when Kamala was only five. The Kamala Harris the public knows today is tough, smart, quick-witted, and demanding. She's a prosecutor—her one-liners are legendary—but she's more reticent when it comes to sharing much about herself, even in her memoirs. Fortunately, former Los Angeles Times reporter Dan Morain has been there from the start. In *Kamala's Way*, he "offers an essential roadmap" (Politico) to her career from its beginnings handling child molestation cases and homicides for the Alameda County District Attorney's office and her relationship as a twenty-nine-year-old with the most powerful man in the state: married Assembly Speaker Willie Brown, a relationship that would prove life-changing. Morain takes readers through Harris's years in the San Francisco District Attorney's Office, explores her audacious embrace of the little-known Barack Obama, and shows the sharp elbows she deployed to make it to the US Senate. He analyzes her failure as a presidential candidate and the behind-the-scenes campaign she waged to land the Vice President spot. Along the way, he paints a "revealing portrait" (The New York Times Book Review) of her values and priorities, the sorts of problems she's good at solving, and the missteps, risks, and bold moves she's made on her way to the top. *Kamala's Way* is essential reading for all Americans curious about the woman standing by Joe Biden's side.

The Sleepwalker's Guide to Dancing Not a Cult

From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 13th century Sufi mystic. Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi

and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. Rumi's Little Book of Life is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all.

Rumi's Little Book of Life Simon and Schuster

"A girl is inspired by an ambitious woman to ponder the word and claim it for herself as well"--

Kamala and Maya's Big Idea HarperCollins

"The story of Michelle Obama and her time in the White House, where she led in the growth of a kitchen garden"--

INSPIRED BY A TRUE STORY FROM THE CHILDHOOD OF VICE

PRESIDENT KAMALA HARRIS! A beautiful, empowering picture book

about two sisters who work with their community to effect change, inspired by a true story from the childhood of the author's aunt, Kamala Harris, and mother, lawyer and policy expert Maya Harris. "A must read for little girls around the world." —Elizabeth Warren, U.S. Senator from Massachusetts "An inspiring tale." —Stacey Abrams, Former Minority Leader, Georgia House of Representatives; Founder and Chair, Fair Fight Action "I love this book." —Megan Rapinoe, Co-Captain, U.S. Women's National Soccer Team One day, Kamala and Maya had an idea. A big idea: They would turn their empty apartment courtyard into a playground! This is the uplifting tale of how the author's aunt and mother first learned to persevere in the face of disappointment and turned a dream into reality. This is a story of children's ability to make a difference and of a community coming together to transform their neighborhood. A New York Times bestseller!

[I'm Speaking](#) Penguin

Born during World War II, Marilee Eaves has long struggled to fit into the New Orleans elite—secret Mardi Gras societies that ruled the city—into which she was born. Then, as a student at Wellesley, she's hospitalized at McLean psychiatric hospital, where she begins to realize how much of herself she's sacrificed to blend into and be fully accepted by the exclusive and exclusionary white Uptown New Orleans culture to which she supposedly belongs. In *Singing Out Loud*, Eaves tells of her journey to stand on her own two feet—to find a way to be grounded and evolved in the midst of that culture. Along the way, she wrestles with bipolar disorder, alcoholism, and the effects of her bad (heartbreaking, and sometimes hilarious) choices. Raw and funny, this book offers hope and encouragement to those willing to be vulnerable, address their issues, and laugh at themselves in order to embrace who they truly are.
