The Truths We Hold Imprint

"Ingenious... Builds to one of the most memorable final scenes I've read in a novel this century."
—The New York

Times WINNER OF THE 2018 WOMEN'S PRIZE FOR FICTION FINALIST FOR THE 2019 INTERNATIONAL DUBLIN LITERARY AWARD LONGLISTED FOR THE MAN BOOKER PRIZE The suspenseful and heartbreaking story of an immigrant family driven to pit love against loyalty, with devastating consequences, from the author of the forthcoming novel Best of Friends Isma is

free. After years of watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother, Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never

knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a powerful political figure, he has his own birthright to live up to—or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?

Happy Hair Grand Central Publishing Join a frolicking chase on the bustling streets of contemporary India. Bhago, Bhago as fast as you can! aloud also includes a laddoo recipe. Joey Penguin An Instant New York Times Bestseller! Contains an extended excerpt from *The Gilded Wolves*. Fate and fortune. Power and passion. What does it take to be the queen of a kingdom when you're only seventeen? Maya is cursed. With a horoscope that promises a marriage of Death and Destruction, she has earned only the scorn and fear of her father's kingdom. Content to follow more scholarly pursuits, her whole world is torn apart when her father, the Raja,

arranges a wedding of political convenience to quell outside rebellions. Soon Maya becomes the queen of Akaran and wife of Amar. Neither roles are what she expected: As Akaran's queen, she finds her voice and power. As Amar's wife, she finds something else entirely: Compassion. Protection. Desire... But Akaran has its own secrets -- thousands of locked doors, gardens of glass, and a tree that bears memories instead of fruit. Soon, Maya suspects her life is in danger. Yet who, besides her husband, can she trust? With the fate of the human and

Otherworldly realms hanging in the balance, Maya must unravel an ancient mystery that spans reincarnated lives to save those she loves the most. . including herself. A lush and vivid story that is steeped in Indian folklore and mythology. The Star-touched Queen is a novel that no reader will soon forget. The Secret Garden Doubleday Books for Young Readers An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

The Diary of Manu Gandhi The Girl in the Garden A revelatory biography of the first Black woman to stand for Vice President, charting how the daughter of two immigrants in segregated California became one of this country ' s most effective power players. There ' s very little that ' s conventional about Kamala Harris, and yet her personal story also represents the best of America. She grew up the eldest daughter of a single mother, a no-nonsense cancer researcher who emigrated from India at the age of nineteen in search

of a better education. She and her husband, an accomplished economist from Jamaica, split up when Kamala was only five. The Kamala Harris the public knows today is tough, smart, quick-witted, and demanding. She's a prosecutor—her one-liners are legendary—but she's more reticent when it comes to sharing much about herself, even in her memoirs. Fortunately, former Los Angeles Times reporter Dan Morain has been there from the start. In *Kamala's Way*, he "offers an essential roadmap" (*Politico*) to her

career from its beginnings handling child molestation cases and homicides for the Alameda County District Attorney's office and her relationship as a twenty-nine-year-old with the most powerful man in the state: married Assembly Speaker Willie Brown, a relationship that would prove life-changing. Morain takes readers through Harris's years in the San Francisco District Attorney's Office, explores her audacious embrace of the little-known Barack Obama, and shows the sharp elbows she deployed to make it to the US Senate. He analyzes

her failure as a presidential candidate and the behind-the-scenes campaign she waged to land the Vice President spot. Along the way, he paints a "revealing portrait" (*The New York Times Book Review*) of her values and priorities, the sorts of problems she's good at solving, and the missteps, risks, and bold moves she's made on her way to the top. *Kamala's Way* is essential reading for all Americans curious about the woman standing by Joe Biden's side. Kamala Harris wants

your voice to be heard. I'm Speaking is a collection of the empowering words of a trailblazing Vice President who believes we can reach a better, stronger tomorrow together. She is no stranger to being the "first" to take action and break into new leadership roles, and her guidance, resolve, and strength of character affirm the promise that she will not be the last. This book of quotations is not just a source of her wisdom, but a beacon of compassion, encouragement, and the assurance that the future is for everyone. I'm Speaking is a hopeful reminder that unity is not found by following the loudest voice, but by emboldening us all to speak up and speak

out until everyone's voice is heard. Pore over nearly 150 moving quotes on integrity, leadership, and empathy. Look to Kamala Harris for power, poise, and limitless aspirations for a better world. Celebrate a brighter future with the first Black, Asian-American, female Vice President The Nowhere Man Penguin The Girl in the Garden Grand Central Publishing Homeless Bird Harper Collins "Lush and mysterious...casts its spell from the first page...This is a deeply satisfying novel." - Kelly O'Connor McNees, author of The Island of Doves The redemptive journey

of a young woman unsure of her engagement, who revisits in memory the events of one scorching childhood summer when her beautiful yet troubled mother spirits her away from her home to an Indian village untouched by time, where she discovers in the jungle behind her ancestral house a spellbinding garden that harbors a terrifying secret. Kamala Simon and Schuster Poetry. Asian American Studies. In this new prose document, Bhanu Kapil follows a film crew to the Bengal jungle to re-encounter the true

account of two girls found living with wolves in 1921. Taking as its source text the diary of the missionary who strove to rehabilitate these orphans--through language instruction and forcible correction of supinated limbs--HUMANIMAL functions as a healing mutation for three bodies and a companion poiesis for future physiologies. Through wolfgirls Kamala and Amala, there is a grafting: what scars down into the feral opens out into the fierce,

a remembrance of Kapil's father. The humanimal text becomes one in which personal and postcolonial histories cross a wilderness to form supported metabiology. "Lucidly, holographically, your heart pulsed in the air next to your body; then my eyes clicked the photo into place. Future child, in the time you lived in, your arms always itched and flaked. To write this, the memoir of your body, I slip my arms into the sleeves of your also shirt. I slip my arms into yours, to

become four-limbed."
Mr. Green Grows a Garden Simon and Schuster

It's a great read-aloud to promote self-esteem for girls of all ages, building and growing the foundation of self-love (and hair love!) and letting every girl know "You are made beautiful!" Look for all the books in the Happy Hair series: Cool Cuts—a celebration of boys with natural black hair I Love Being Me! (Step Into Reading)—a level one reader

about joy and self-esteem, for kids learning how to read The Sleeping Castle Point Books A ten-year-old orphan comes to live in a lonely house on the Yorkshire moors and discovers an invalid cousin and the mysteries of a locked garden. Woodpecker Girl St. Martin's Griffin Siddhartha is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German,

in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, siddha (achieved) + artha (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha's own name, before his renunciation, was Siddhartha Gautama, Prince of

Kapilvastu. In this book, the Buddha is referred to as "Gotama". Humanimal Penguin From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 13th century Sufi mystic. Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues:

coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. Rumi's Little Book of Life is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all. Singing Out Loud HarperCollins "In the middle of the big city, there was a tired, ugly place that made Mr. Green feel very sad." So begins this uplifting and charming story of the magic that can happen when young people, older people,

and plants come together. Mo has lost his father. But as he helps his neighbor Mr. Green create a beautiful garden in an abandoned, forlorn space in the city, a smiley feeling grows inside Mo and he learns that a garden can be a very good place to remember people we've lost. As the two friends grow their garden, readers will also discover:

- How being in nature is good for our mental health
- How intergenerational friendships are important
- The importance of rebuilding ecosystems and making places for wildlife
- How plants grow, including vegetables
- The importance of planting trees
- How soil is a living thing that needs to be

nurtured The story is told with beautiful artwork created from collage and pencil drawings.

Kamala's Way D C Books

"A girl is inspired by an ambitious woman to ponder the word and claim it for herself as well"--

The Sleepwalker's Guide to Dancing Penguin

The #1 New York Times bestseller

From Vice

President Kamala Harris, one of

America's most inspiring political

leaders, a book

about the core truths that unite us,

and the long

struggle to discern what those truths

are and how best to act upon them, in

her own life and

across the life of our country "A life story that genuinely entrances." —Los Angeles Times Vice President Kamala Harris's

commitment to speaking truth is informed by her upbringing. The daughter of

immigrants, she was raised in an

Oakland, California community that

cared deeply about social justice; her

parents--an esteemed economist

from Jamaica and an admired cancer

researcher from India--met as

activists in the civil rights movement

when they were graduate students at

Berkeley. Growing up, Harris herself

never hid her passion for justice, and when she became a prosecutor out of law school, a deputy

district attorney, she quickly established herself as one of the most innovative change agents in American law

enforcement. She progressed rapidly to become the

elected District Attorney for San

Francisco, and then the chief law

enforcement officer of the state of

California as a whole. Known for

bringing a voice to the voiceless, she

took on the big banks during the

foreclosure crisis, winning a historic

settlement for California's working

families. Her hallmarks were applying a holistic, data-driven approach to many of California's thorniest issues, always eschewing stale "tough on crime" rhetoric as presenting a series of false choices. Neither "tough" nor "soft" but smart on crime became her mantra. Being smart means learning the truths that can make us better as a community, and supporting those truths with all our might. That has been the pole star that guided Harris to a transformational career as the top law enforcement official in California, and it

is guiding her now as a transformational United States Senator, grappling with an array of complex issues that affect her state, our country, and the world, from health care and the new economy to immigration, national security, the opioid crisis, and accelerating inequality. By reckoning with the big challenges we face together, drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, Kamala Harris offers in **THE TRUTHS WE HOLD** a master class in problem

solving, in crisis management, and leadership in challenging times. Through the arc of her own life, on into the great work of our day, she communicates a vision of shared struggle, shared purpose, and shared values. In a book rich in many home truths, not least is that a relatively small number of people work very hard to convince a great many of us that we have less in common than we actually do, but it falls to us to look past them and get on with the good work of living our common truth. When we do, our shared effort will

continue to sustain us and this great nation, now and in the years to come. [Ambitious Girl](#) Little People, BIG DREAMS From Vice President Kamala Harris comes a picture book with an empowering message: Superheroes are all around us--and if we try, we can all be heroes too. Now a #1 New York Times bestseller! Before Kamala Harris was elected to the vice presidency, she was a little girl who loved superheroes. And when she looked around, she was amazed to find them everywhere! In her family,

among her friends, even down the street--there were superheroes wherever she looked. And those superheroes showed her that all you need to do to be a superhero is to be the best that you can be. In this empowering and joyful picture book that speaks directly to kids, Kamala Harris takes readers through her life and shows them that the power to make the world a better place is inside all of us. And with fun and engaging art by Mechal Renee Roe, as well as a guide to being a superhero at the end, this book is sure to have kids taking up the

superhero mantle (cape and mask optional). Praise for Superheroes Are Everywhere: "This [book] offers a solid message: a superhero could be anyone, including you." --Booklist The Girl in the Garden Marvel Entertainment Down Girl is a broad, original, and far ranging analysis of what misogyny really is, how it works, its purpose, and how to fight it. The philosopher Kate Manne argues that modern society's failure to recognize women's full humanity and autonomy is not actually the problem. She argues instead that

it is women's
manifestations of
human capacities --
autonomy, agency,
political engagement
-- is what engenders
misogynist hostility.
