Kamal's Kes The Girl in the Garden

The National Book Award-winning novel about one remarkable young woman who dares to defy fate, perfect for readers who enjoyed *A Long Walk to Water* by Linda Sue Park or *Inside Out and Back Again* by Thanhha Lai. Like many girls her age in India, thirteen-year-old Koly faces her arranged marriage with hope and courage. But Koly's story takes a terrible turn when in the wake of the ceremony, she discovers she's been horribly misled—her life has been sold for a dowry. Can she forge her own future, even in the face of time-worn tradition? Perfect for schools and classrooms, this universally acclaimed, bestselling, and award-winning novel by master of historical fiction Gloria Whelan is a gripping tale of hope that will transport readers of all ages.

Superheroes Are Everywhere Simon and Schuster

An award-winning political journalist for *The Atlantic* tells the inside story of how the embattled Democratic Party, seeking a direction for its future during the Trump years, successfully regained the White House. The 2020 presidential campaign was a defining moment for America. As Donald Trump and his nativist populism cowed the Republican Party into submission, many Democrats—haunted by Hillary Clinton's shocking loss in 2016 and the resulting four-year-long identity crisis—were convinced that he would be unbeatable. Their party and the country, it seemed, might never recover. How, then, did Democrats manage to win the presidency, especially after the longest primary race with the biggest field ever? How did they keep themselves united through an internal struggle between newly empowered progressives and

establishment forces—playing out against a pandemic, an economic crisis, and a new racial reckoning? Edward-Isaac Dove's *Battle for the Soul* is the searing, fly-on-the-wall account of the Democrats' journey through recalibration and rebirth. Dove traces this process: from the early days in the wilderness of the post-Obama era to the jockeying of potential candidates; from the backroom battles and exhausting campaigns to the unlikely triumph of the man few expected to win; and on through the inauguration and the insurrection at the Capitol. Dove draws on years of on-the-ground reporting and contemporaneous conversations with the key players—whether with Pete Buttigieg in his hotel suite in Des Moines an hour before he won the Iowa caucuses or with Joe Biden in his first-ever interview in the Oval Office—as well as with aides, advisors, and voters. Offering unparalleled access and an insider's command of the campaign, *Battle for the Soul* takes a compelling look at the policies, politics, and people, as well as the often absurd process of running for president. This fresh and timely story brings you on the trail, into the private rooms, and along to eavesdrop on critical conversations. You will never see campaigns or this turning point in our history the same way again.

I'm Speaking Penguin

The Girl in the Garden Grand Central Publishing

Mr. Green Grows a Garden Penguin

The #1 New York Times bestseller From Vice President Kamala Harris, one of America's most inspiring political leaders, a book about the core truths that unite us, and the long struggle to discern what those truths are and how best to act upon them, in her own life and across the life of our country "A life story that genuinely entrances." —Los Angeles Times Vice President Kamala Harris's commitment to speaking truth is informed by her upbringing. The daughter of immigrants, she was raised in an Oakland, California community that cared deeply about social justice; her parents—an esteemed economist from Jamaica and an admired cancer researcher from India—met as activists in the civil rights movement when they were graduate students at Berkeley. Growing up, Harris herself never hid her passion for justice, and when she became a prosecutor out of law school, a deputy

district attorney, she quickly established herself as one of the most innovative change agents in American law enforcement. She progressed rapidly to become the elected District Attorney for San Francisco, and then the chief law enforcement officer of the state of California as a whole. Known for bringing a voice to the voiceless, she took on the big banks during the foreclosure crisis, winning a historic settlement for California's working families. Her hallmarks were applying a holistic, data-driven approach to many of California's thorniest issues, always eschewing stale "tough on crime" rhetoric as presenting a series of false choices. Neither "tough" nor "soft" but smart on crime became her mantra. Being smart means learning the truths that can make us better as a community, and supporting those truths with all our might. That has been the pole star that guided Harris to a transformational career as the top law enforcement official in California, and it is guiding her now as a transformational United States Senator, grappling with an array of complex issues that affect her state, our country, and the world, from health care and the new economy to immigration, national security, the opioid crisis, and accelerating inequality. By reckoning with the big challenges we face together, drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, Kamala Harris offers in *THE TRUTHS WE HOLD* a master class in problem solving, in crisis management, and leadership in challenging times. Through the arc of her own life, on into the great work of our day, she communicates a vision of shared struggle, shared purpose, and shared values. In a book rich in many home truths, not least is that a relatively small number of people work very hard to convince a great many of us that we have less in common than we actually do, but it falls to us to look past them and get on with the good work of living our common truth. When we do, our shared effort will continue to sustain us and this great nation, now and in the years to come.

Kamala Oxford University Press

"(Jill) Biden's anecdotal portrait of her spouse's early years spotlights his competitiveness and risk-taking...his role as a peacemaker, devoted brother, and defender of bullied peers...and reveals how...high school, when he became a star athlete and class president, paved the way for leadership roles in college and beyond." —Publishers Weekly "Young readers are likely to find inspiration and aspiration in young Joey as a relatable, athletic, and tenacious kid who grew into a civic leader." —School Library Journal Joey is the first ever picture book about the young life of Joe Biden, the 47th Vice President of the United States, and includes never before told family stories about the president-elect and former vice president's childhood—written by Jill Biden, his spouse. Joe Biden grew up in Scranton, Pennsylvania, the oldest of four children. His parents always encouraged him and his siblings to be independent and strong. The family moved to Wilmington, Delaware, where at twenty-nine, Biden was elected one the youngest United States Senators ever elected. This is his story.

Kamala and Maya's Big Idea Grand Central Publishing

A winning, irreverent debut novel about a family wrestling with its future and its past—for readers of J. Courtney Sullivan, Meg Wolitzer, Mona Simpson, and Jhumpa Lahiri NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE BOSTON

GLOBE, KIRKUS REVIEWS, BUSTLE, AND EMILY GOULD, THE MILLIONS With depth, heart, and agility, debut novelist Mira Jacob takes us on a deftly plotted journey that ranges from 1970s India to suburban 1980s New Mexico to Seattle during the dot.com boom. *The Sleepwalker's Guide to Dancing* is an epic, irreverent testimony to the bonds of love, the pull of hope, and the power of making peace with life's uncertainties. Celebrated brain surgeon Thomas Eapen has been sitting on his porch, talking to dead relatives. At least that is the story his wife, Kamala, prone to exaggeration, tells their daughter, Amina, a photographer living in Seattle. Reluctantly Amina returns home and finds a situation that is far more complicated than her mother let on, with roots in a trip the family, including Amina's rebellious brother Akhil, took to India twenty years earlier. Confronted by Thomas's unwillingness to explain himself, strange looks from the hospital staff, and a series of puzzling items buried in her mother's garden, Amina soon realizes that the only way she can help her father is by coming to terms with her family's painful past. In doing so, she must reckon with the ghosts that haunt all of the Eapens. Praise for *The Sleepwalker's Guide to Dancing* "With wit and a rich understanding of human foibles, Jacob unspools a story that will touch your heart." —People "Optimistic, unpretentious and refreshingly witty." —Associated Press "By turns hilarious and tender and always attuned to shifts of emotion . . . [Jacob's] characters shimmer with life." —Entertainment Weekly "A rich, engrossing debut told with lightness and care." —The Kansas City Star "[A] sprawling, poignant, often humorous novel . . . Told with humor and sympathy for its characters, the book serves as a bittersweet lesson in the binding power of family, even when we seek to break out from it." —O: The Oprah Magazine "Moving forward and back in time, Jacob balances comedy and romance with indelible sorrow. . . . When her plot springs surprises, she lets them happen just as they do in life: blindsidingly right in the middle of things." —The Boston Globe

The Diary of Manu Gandhi St. Martin's Griffin

A ten-year-old orphan comes to live in a lonely house on the Yorkshire moors and discovers an invalid cousin and the mysteries of a locked garden.

Ambitious Girl 谷月社

From Vice President Kamala Harris comes a picture book with an empowering message: Superheroes are all around us--and if we try, we can all be heroes too. Now a #1 New York Times bestseller! Before Kamala Harris was elected to the vice presidency, she was a little girl who loved superheroes. And when she looked around, she was amazed to find them everywhere! In her family, among her friends, even down the street--there were superheroes wherever she looked. And those superheroes showed her that all you need to do to be a superhero is to be the best that you can be. In this empowering and joyful picture book that speaks directly to kids, Kamala Harris takes readers through her life and shows them that the power to make the world a better place is inside all of us. And with fun and engaging art by Mechal Renee Roe, as well as a guide to being a superhero at the end, this book is sure to have kids taking up the superhero mantle (cape and mask optional). Praise for *Superheroes Are Everywhere*: "This [book] offers a solid message: a superhero could be anyone, including you." --Booklist

Down Girl is a broad, original, and far ranging analysis of what misogyny really is, how it works, its purpose, and how to fight it. The philosopher Kate Manne argues that modern society's failure to recognize women's full humanity and autonomy is not actually the problem. She argues instead that it is women's manifestations of human capacities -- autonomy, agency, political engagement -- is what engenders misogynist hostility.

From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 13th century Sufi mystic. Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. Rumi's Little Book of Life is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all.

Kamala Harris Hampton Roads Publishing

An Instant New York Times Bestseller! Contains an extended excerpt from The Gilded Wolves. Fate and fortune. Power and passion. What does it take to be the queen of a kingdom when you're only seventeen? Maya is cursed. With a horoscope that promises a marriage of Death and Destruction, she has earned only the scorn and fear of her father's kingdom. Content to follow more scholarly pursuits, her whole world is torn apart when her father, the Raja, arranges a wedding of political convenience to quell outside rebellions. Soon Maya becomes the queen of Akaran and wife of Amar. Neither roles are what she expected: As Akaran's queen, she finds her voice and power. As Amar's wife, she finds something else entirely: Compassion. Protection. Desire... But Akaran has its own secrets -- thousands of locked doors, gardens of glass, and a tree that bears memories instead of fruit. Soon, Maya suspects her life is in danger. Yet who, besides her husband, can she trust? With the fate of the human and Otherworldly realms hanging in the balance, Maya must unravel an ancient mystery that spans reincarnated lives to save those she loves the most. . . including herself. A lush and vivid story that is steeped in Indian folklore and mythology. The Star-touched Queen is a novel that no reader will soon forget.

The World Book Encyclopedia Castle Point Books

The Nowhere Man is an intricate, perceptive tragedy of alienation centered around the violent racism sparked by Britain's post-war immigration drive. Srinivas, an elderly Brahmin, has been living in south London suburb for 30 years. After the death of his son, and later his wife, this lonely man is befriended by an Englishwoman in her sixties, whom he takes into his home. The two form a deep and abiding relationship. But the haven they have created for themselves proves to be a fragile one. Racist violence enters their world

and Srinivas's life changes irrevocably--as does his dream of England as a country of tolerance and equality. First published in 1972, *The Nowhere Man* depicts a London convulsed by fear and bitterness. Truly shocking, *The Nowhere Man* is as relevant today as when it was first published almost fifty years ago.
