Bestseller A Goop Book Club Pick "If you want your breath to catch and your heart to stop, turn to Kate Baer."--Joanna Goddard, Cup of Jo

A stunning and honest debut poetry collection about the beauty and hardships of being a woman in the world today, and the many roles we play - mother, partner, and friend.

" When life throws you a bag of sorrow, hold out your hands/Little by little, mountains are climbed. " So ends Kate Baer ' s remarkable poem " Things My Girlfriends Teach Me. " In " Nothing Tastes as Good as Skinny Feels " she challenges her reader

to consider their grandmother ' s cake, the taste of the sea, the cool swill of freedom. In her poem " Deliverance " about her son ' s birth she writes " What is the word for when the light leaves the body?/What is the word for when it/at last, returns? " Through poems that are as unforgettably beautiful as they are accessible, Kate Bear proves herself to truly be an exemplary voice in modern poetry. Her words make women feel seen in their own bodies, in their own marriages, and in their own lives. Her poems are those you share with your

mother, your daughter, your sister, and your friends.

Newly single mom Beth has one constant, gnawing worry: that her dreamy eight-year-old daughter, Carmel, who has a tendency to wander off, will one day go missing. And

then one day, it happens: On a Saturday morning thick with fog, Beth takes Carmel to a local outdoor festival, they get separated in the crowd, and Carmel is gone. Shattered, Beth sets herself on the grim and lonely mission to find her daughter, keeping on relentlessly even as the authorities tell her that Carmel may be gone for good. Carmel, meanwhile, is on a strange

and harrowing journey of her own—to a totally unexpected place that requires her to live by her wits, while trying desperately to keep in her head, at all times, a vision of her mother ... Alternating between Beth ' story and Carmel ' s, and written in gripping prose that won ' t let go, *The Girl in the Red Coat*—like Emma Donoghue ' s *Room* and M. L. Stedman ' s *The*

This is not a book
for the faint-
hearted. This topic
effects every one of
us whether we
realize it or not- and
it is one that the
writer crafts with
honor. It is an
explosively heart-
rendering "must
read" that deals
with the residuals of

severe child abuse
and the squalid
monsters who
commit such
horrendous acts-
monsters who hide
among us all.
Catherine's brutal
honesty is
commendably brave-
She spares nothing
in order to get her
message across for
her readers to get
the full feeling of
the story. With keen
empathy and
vibrancy, Catherine
takes you on a
journey of finalizing
contingent and
prevailing wisdom.
The reader is taken
into the lives and the
sensations of such
victims with specific
ardor. Her handling
of the topic sets the
readers feet onto the
very misbegotten

path that these
unfortunate people
were unwillingly
cast onto. And she
does it with such
openly harsh tact.
She artfully
commends all
victims into their
rightful place by
giving validating
insight into the
makings of the deep
scars and the
mechanisms that
protrude into their
lives. Some might
view this book as a
type of thriller or
horror tale by way
of its purely raw
depiction of a
sincere truth. The
horizon is drawn via
a variety of
delicately captured
candidness. You
will tingle and
sensate from this
depiction of human-

ugliness at it's best. The words may rip through you, but you will undoubtedly reach a poignant climax by the travels you go on with her main character. Catherine has succeeded in outlining the nefarious nature that brings about the subject with colorful detail in this creative non-fiction novel. You will not be able to put it down.

New Prophet or Spiritual Villain?

Sourcebooks, Inc. Spearheaded by The Duchess of Cambridge, Patron of the National Portrait Gallery, Hold Still was an ambitious

community project to create a unique collective portrait of the UK during lockdown. People of all ages were invited to submit a photographic portrait, taken in a six-week period during May and June 2020, focussed on three core themes - Helpers and Heroes, Your New Normal and Acts of Kindness. From these, a panel of judges selected 100 portraits, assessing the images on the emotions and experiences they conveyed. Featured here in this publication, the

final 100 images present a unique and highly personal record of this extraordinary period in our history. From virtual birthday parties, handmade rainbows and community clapping to brave NHS staff, resilient keyworkers and people dealing with illness, isolation and loss. The images convey humour and grief, creativity and kindness, tragedy and hope - expressing and exploring both our shared and individual experiences.

Presenting a true portrait of our nation in 2020, this publication includes a foreword by The Duchess of Cambridge, each image is accompanied by an extended caption and further works show the nationwide outdoor exhibition of Hold Still. **with audio recording** Sphere “Ponytails and braids! But how can she make her style stand up? And will her classmates really be impressed with her daring ‘do? **The Radium Girls** Melville House In this haunting and richly imagined dual-narrative tale that echoes the eerie mystery of Rebecca and The Little Stranger, two women of very different eras are united by the secrets hidden within the walls of an English manor house. In 1933, naive twenty-two year-old

Alice—pregnant and unmarried—is in disgrace. Her mother banishes her from London to secluded Fiercombe Manor in rural Gloucestershire, where she can hide under the watchful eye of her mother’s old friend, the housekeeper Mrs. Jelphs. The manor’s owners, the Stantons, live abroad, and with her cover story of a recently-deceased husband Alice can have her baby there before giving it up for adoption and returning home. But as Alice endures the long, hot summer at Fiercombe awaiting the baby’s birth, she senses that something is amiss with the house and its absentee owners. Thirty years earlier, pregnant Lady Elizabeth Stanton desperately hopes for

the heir her husband desires. Tormented by the memory of what happened after the birth of her first child, a daughter, she grows increasingly terrified that history will repeat itself, with devastating consequences. After meeting Tom, the young scion of the Stanton family, Alice becomes determined to uncover the clan's tragic past and exorcise the ghosts of this idyllic, isolated house. But nothing can prepare Alice for what she uncovers. Schwartz & Wade Under the scorching French sun, a tense homecoming

unearths a long-buried family secret in this "sultry, gorgeously written" thriller of a mother's greatest fear brought to life (Lucy Foley, New York Times bestselling author of *The Hunting Party* and *The Guest List*). Elodie was beautiful. Elodie was smart. Elodie was manipulative. Elodie is dead. When Sylvie Durand receives a letter calling her back to her crumbling family home in the South of France, she knows she has to go. In the middle of a sweltering 1990's summer marked by unusual fires across the countryside, she returns to La Reverie with her youngest daughter Emma in tow, ignoring the deep sense of dread she feels for this place she's long tried to

forget. As memories of the events that shattered their family a decade earlier threaten to come to the surface, Sylvie struggles to shield Emma from the truth of what really happened all those years ago. In every corner of the house, Sylvie can't escape the specter of Elodie, her first child. Elodie, born amid the '68 Paris riots with one blue eye and one brown, and mysteriously dead by fourteen. Elodie, who reminded the small village of one those Manson girls. Elodie who knew exactly how to get what she wanted. As the fires creep towards the villa, it's clear to Sylvie that something isn't quite right at La Reverie . . . And there is a much greater

threat closer to home. Rich in unforgettable characters, *The Heatwave* alternates between the past and present, grappling with what it means to love and fear a child in equal measure. With the lush landscape and nostalgia of a heady vacation read, *Kate Riordan* has woven a gripping page-turner with gorgeous prose that turns the idea of a summer novel on its head.

To *Kate*, a new town represented independence.

Brexton, New Mexico, was a place where she could finally

escape her mother's control and establish her own seamstress shop. However,

intent on threatening her new-found

freedom at every turn. Though *Kate* knows she can deal with an

unsavory man like him, she isn't sure what to do when

the handsome but injured Boone Carson arrives in town. This soldier presents a new threat for Kate: one to her broken and guarded heart. While tending to his wounds, Kate finds Boone infuriating and ungrateful; he finds her arrogant and stubborn. But as their impulsive first impressions turn into mutual respect and admiration, they both face a possible future that neither was expecting. For Boone, it could mean a life of love and happiness he never thought he

would find after his time fighting in the Civil War. For Kate, it could mean that if she learns to let go of the hurt from her past, she could learn how to trust again and be truly happy. However, when Boone reveals a devastating secret, it isn't only Mr. Dixon that gets in the way of their deepening relationship. As arrangements from their pasts threaten to tear them apart, Kate and Boone must decide if they will give in to fear or fight for their chance at a fresh start together.
