Got Game? It's a fact. Every woman needs game. Take Oprah, Jada Pinkett-Smith, and Beyoncé Knowles. All three of these women have the one intangible quality that every man, male or female, must possess: they all have game. In other words, they have intelligence, hustle, and common sense that they apply to every aspect of their lives -- especially in their relationships. Play or Be Played is an instruction manual for women who are tired of being played by men and who want to be players themselves. Though women may not want to play games, the truth is men often do. So women who hope to win in the game of love must first learn the rules. Bestselling author and true man, Tariq "K-Flex" Nasheed shares: ways to spot a scam what it takes to get with a baller why men cheat how men really judge women the top three mistakes women make in relationships Street-smart and straightforward, Play or Be Played will help you get with a king without being a hoochie, groupie, or a chickenhead.

"The story of true innocents caught up in the machinery of war. Exquisitely researched, beautifully told, this tiny corner of Scotland came alive for me in all of my senses and I found myself rooting for the central characters with all my heart." —Mary Beth Keane, author of Ask Again, Yes In the dark

days of World War II, an unlikely romance blossoms between a Scottish woman and an Italian prisoner of war in this haunting novel with the emotional complexity of *The Boat Runner* and *All the Light We Cannot See*—a powerful and atmospheric story of love, jealousy, and conscience that illuminates the beauty of the human spirit from the author of *The Glass Woman*. In the wake of the Allies' victory in North Africa, 1,000 Italian soldiers have been sent to a remote island off the Scottish coast to wait out the war. Their arrival has divided the island's community. Nerves frayed from three years of war and the constant threat of invasion, many locals fear the enemy prisoners and do not want them there. Where their neighbors see bloodthirsty enemies, however, orphaned sisters Dorothy and Constance see sick and wounded men unused to the freezing cold of an Orkney winter, and volunteer to nurse them. While doing so Dorothy finds herself immediately drawn to Cesare, a young man broken by the horrors of battle. But as the war drags on, tensions between the islanders and the outsiders deepen, and Dorothy's connection to Cesare threatens the bond she shares with Constance. Since the loss of their parents, the sisters have relied on each other. Now, their loyalty will be tested, each forced to weigh duty against desire . . . until, one fateful evening, a choice must be made, one that that will have devastating consequences.

"Sexual harassment, sexual assault, dating violence, and even gang rape are not uncommon experiences for many African American

girls living in poor urban neighborhoods. In *Getting Played*, Jody Miller presents a compelling picture of how inextricably linked such violence is to their daily lives. Drawing from richly textured interviews with adolescent girls and boys, Miller brings a keen eye to how urban neglect and gender inequality coalesce to structure girls' risks for gendered violence. Her analysis shows how young women struggle to navigate this dangerous terrain despite vastly inadequate social and institutional support."--Back cover.

This story of a child prodigy and his unique upbringing is “ an engrossing journey to the outer realms of science and parenting ” (Paul Greenberg, author of Four Fish). A PEN/E. O. Wilson Literary Science Writing Award Finalist Like many young children, Taylor Wilson dreamed of becoming an astronaut. Only Wilson mastered the science of rocket propulsion by the age of nine. When he was eleven, he tried to cure his grandmother ’ s cancer—and discovered new ways to produce medical isotopes. Then, at fourteen, Wilson became the youngest person in history to achieve nuclear fusion, building a 500-million-degree reactor—in his parents ’ garage. In The Boy Who Played with Fusion, science journalist Tom Clynes

narrates Wilson ’ s extraordinary story. Born in Texarkana, Arkansas, Wilson quickly displayed an advanced intellect. Recognizing their son ’ s abilities and the limitations of their local schools, his parents took a bold leap and moved the family to Reno, Nevada. There, Wilson could attend a unique public high school created specifically for academic superstars. Wilson is now designing devices to prevent terrorists from shipping radioactive material and inspiring a new generation to take on the challenges of science. If you ’ re wondering how someone so young can achieve so much, The Boy Who Played with Fusion has the answer. Along the way, Clynes ’ narrative teaches parents, teachers, and society how and why we urgently need to support high-achieving kids. “ An essential contribution to our understanding of the most important underlying questions about the development of giftedness, talent, creativity, and intelligence. ” —Psychology Today “ A compelling study of the thrills—and burdens—of being born with an alpha intellect. ” —Financial Times The Girl Who Played with Fire: Book Two of the Millennium Series (Study Guide) National Geographic Books The essential companion to Stieg Larsson's bestselling trilogyand director David Fincher's 2011 film adaptation Stieg Larsson's bestselling Millennium Trilogy—The Girlwith the Dragon Tattoo, The Girl Who Played with Fire, andThe Girl Who Kicked the Hornet's Nest—is aninternational phenomenon. Intelligence is an exhilarating tale of post-war New York City, and one remarkable woman ’ s journey from the United Nations, to the cloistered drawing rooms of Manhattan society, to the secretive ranks of the FBI. A Fifth Avenue address, parties at the Plaza, two healthy sons, and the ideal husband: what looks like a perfect life for Katharina Edgeworth is anything but. It ’ s 1954, and the post-war American dream has become a nightmare. A born and bred New Yorker, Katharina is the daughter of immigrants, Ivy-League-educated, and speaks four languages. As a single girl in 1940s Manhattan, she is a translator at the newly formed United Nations, devoting her days to her work and the promise of world peace—and her nights to cocktails and the promise of a good time. Now the wife of a beloved pediatric surgeon and heir to a shipping fortune, Katharina is trapped in a gilded cage, desperate to escape the constraints of domesticity. So when she is approached by the FBI and asked to join their ranks as an informant, Katharina seizes the opportunity. A man from her past has become a high-level Soviet spy, but no one has been able to infiltrate his circle. Enter Katharina, the perfect woman for the job. Navigating the demands of the FBI and the secrets of the KGB, she becomes a courier, carrying stolen government documents from D.C. to Manhattan. But as those closest to her lose their covers, and their lives, Katharina ’ s secret soon threatens to ruin her. With the fast-paced twists of a classic spy thriller, and a nuanced depiction of female experience, A Woman of Intelligence shimmers with intrigue and desire.

For fans of Radium Girls and history and WWII buffs, The Girls Who Stepped Out of Line takes you inside the lives and experiences of 15 unknown women heroes from the Greatest Generation, the women who served, fought, struggled, and made things happen during WWII—in and out of uniform, for theirs is a legacy destined to embolden generations of women to come. The Girls Who Stepped Out of Line are the heroes of the Greatest Generation that you hardly ever hear about. These women who did extraordinary things didn't expect thanks and shied away from medals and recognition. Despite their amazing accomplishments, they've gone mostly unheralded and unrewarded. No longer. These are the women of World War II

who served, fought, struggled, and made things happen—in and out of uniform. Young Hilda Eisen was captured twice by the Nazis and twice escaped, going on to fight with the Resistance in Poland. Determined to survive, she and her husband later emigrated to the U.S. where they became entrepreneurs and successful business leaders. Ola Mildred Rexroat was the only Native American woman pilot to serve with the Women's Airforce Service Pilots (WASP) in World War II. She persisted against all odds—to earn her silver wings and fly, helping train other pilots and gunners. Ida and Louise Cook were British sisters and opera buffs who smuggled Jews out of Germany, often wearing their jewelry and furs, to help with their finances. They served as sponsors for refugees, and established temporary housing for immigrant families in London. Alice Marble was a grand-slam winning tennis star who found her own path to serve during the war—she was an editor with Wonder Woman comics, played tennis exhibitions for the troops, and undertook a dangerous undercover mission to expose Nazi theft. After the war she was instrumental in desegregating women's professional tennis. Others also stepped out of line—as cartographers, spies, combat nurses, and troop commanders. Retired U.S. Army Major General Mari K. Eder wrote this book because she knew their stories needed to be told—and the sooner the better. For theirs is a legacy destined to embolden generations of women to come.

"Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer." —NPR's "Guide To 2016 's Great Reads" “ Growing up, I wanted to be Mara Wilson. Where Am I Now? is a delight. ” —Ilana Glazer, cocreator and star of Broad City Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in Matilda and Mrs. Doubtfire, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of Melrose Place, to discovering in adolescence that she was no longer “ cute ” enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, Where Am I Now? introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female.

instrument, dancing across the keys and striking each note with exacting precision. That was eight months ago. Richard now has ALS, and his entire right arm is paralyzed. His fingers are impotent, still, devoid of possibility. The loss of his hand feels like a death, a loss of true love, a divorce—his divorce. He knows his left arm will go next. Three years ago, Karina removed their framed wedding picture from the living room wall and hung a mirror there instead. But she still hasn't moved on. Karina is paralyzed by excuses and fear, stuck in an unfulfilling life as a piano teacher, afraid to pursue the path she abandoned as a young woman, blaming Richard and their failed marriage for all of it. When Richard becomes increasingly paralyzed and is no longer able to live on his own, Karina becomes his reluctant caretaker. As Richard's muscles, voice, and breath fade, both he and Karina try to reconcile their past before it's too late. Poignant and powerful, *Every Note Played* is a masterful exploration of redemption and what it means to find peace inside of forgiveness.
