Melanie Stryder refuses to fade away. The earth has been invaded by a species that takes over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading 'soul' who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too-vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves - Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love.

PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea

Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can

Coraline get out? Can she find her real parents? Will life ever be the same again?

**Sugar Isn't Everything** Simon and Schuster

Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

**Smile: A Graphic Novel** Wildside Press LLC

Now for the first time ever in one volume, all twenty-eight stories and two serialized novels starring the Continental Op—one of the greatest characters in storied history of detective fiction. Dashiell Hammett is the father of modern hard-boiled detective stories. His legendary works have been lauded for almost one hundred years by fans, and his novel *The Maltese Falcon* was adapted into a classic film starring Humphrey Bogart. One of Dashiell Hammett's most memorable characters, the Continental Op made his debut in *Black Mask* magazine on October 1, 1923, narrating the first of twenty-eight stories and two novels that would change forever the face of detective fiction. The Op is a tough, wry, unglamorous gumshoe who has inspired a following that is both global and enduring. He has been published in

periodicals, paperback digests, and short story collections, but until now, he has never, in all his ninety-two years, had the whole of his exploits contained in one book. The book features all twenty-eight of the original standalone Continental Op stories, the original serialized versions of Red Harvest and The Dain Curse, and previously unpublished material. This anthology of Continental Op stories is the only complete, one-volume work of its kind.

A Tale of the Continental Op  
The man who had disturbed my Sunday morning sleep—I found when I reached the Glenton—was a slim, white-faced person of about twenty-five, with big brown eyes that were red-rimmed just now from either sleeplessness or crying, or both. His long brown hair was rumpled when he opened the door to admit me; and he wore a mauve dressing-robe spotted with big jade parrots over wine-colored silk pajamas. The room into which he led me resembled an auctioneer's establishment just before the sale—or maybe one of these alley tea-rooms. Fat blue vases, crooked red vases, lanky yellow vases, vases of various shapes and colors; marble statuettes, ebony statuettes, statuettes of any material; lanterns, lamps and candlesticks; draperies, hangings and rugs of all sorts; odds and ends of furniture that were all somehow queerly designed; peculiar pictures hung here and there in unexpected places. A hard room to feel comfortable in. "My fiancée," he began immediately in a high-pitched voice that was within a notch of hysteria, "has disappeared! Something has happened to her! Foul play of some horrible sort! I want you to find her—to save her from this terrible thing that..."

Fairy Tales of Remnant (RWBY) Simon and Schuster

From the weekly webseries, an epic tale of science fiction versus mythology and superpowers. Noriko Null was a seemingly ordinary Asian-American teen, until the goddess Athena decided to make her Earth's first line of defense against the impossible. Now armed only with superhuman intelligence and instant access to all of humanity's knowledge, Noriko will have to solve the world's problems, face the secrets behind her transformation, and fight Greek gods in space in her spare time. She will be helped the eclectic team under her leadership: a goddess who used to work as a waitress, an African-American comic book reader who will become the world's first superhero, an alien girl with the power to create thousand of copies of herself, and the galaxy's most taciturn and unusual swordsman. Will the world's smartest girl be able to defeat the all-powerful goddess Demeter and survive the schemes of her tyrannical family?

When Blaire moves to Rosemary Beach, Florida, to live with her father, she finds he and his new wife have gone to Paris and her stepbrother Rush has been left behind to watch her.

**The Girl with Ghost Eyes** Houghton Mifflin Harcourt  
Angel had no memory of the secret message, but the writing was hers. It read, "Violet eyes lie." SILVER EYES In a world where humans work on Mars and loyalty is controlled by a brain chip, eighteen-year-old Angel Eastland can't retrieve her memory. Violet-eyed from the effects of a genetic experiment, she is hired as an investigator by the SilverDollar Mining Company. When she captures an nineteen-year-old fugitive named Michael Vallant, Angel senses an intimate connection with him -- one that disturbs her, especially when they kiss. Angel's chip and her silver-eyed boss, Anaximander, one of the Augmented, tell her that Mike is a threat and must go through Loyalty Induction. But more secret messages compel Angel to resist and to help Mike. As Spacer terrorists from Mars attack SilverDollar, Angel and Mike race to find out who's really behind the unrest. Against an evil enemy who will kill to win, Angel has one chance to find her memory -- and to

save her life.

Fallen Too Far Simon and Schuster

During a frightening trip spent in airplanes and airports between Seattle and San Francisco, three cousins get involved with sinister characters, identical flight bags, and an assault on an innocent old lady.

Pegasus in Flight Simon and Schuster

Exposes the agenda behind the bio-robotic grey aliens' genetic manipulation of certain human races • Reveals the Grey's nature as sophisticated self-aware machines created by a long vanished extraterrestrial civilization • Explains how their quest to capture human souls appears in the historical record from biblical times • Explains how the phenomenon of racism is a by-product of their genetic tampering In 1997 Nigel Kerner first introduced the notion of aliens known as Greys coming to Earth, explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived. In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans possess that they do not: souls. Through the manipulation of human DNA, these aliens hope to create their own souls and, thereby, escape the entropic grip of the material universe in favor of the timeless realm of spirit. Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity, such as violence, greed, and

maliciousness. Racism, he contends, was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence. Examining historical records, Kerner shows that Jesus, who represented an uncorrupted genetic line, warned his disciples about the threat posed by these alien interlopers, while Hitler, a pure product of this alien intelligence, waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering. Despite the powerful grip the Greys have on humanity, Kerner says that all hope is not lost. Greys exist wholly in the material world, so if we follow the spiritual laws of reincarnation and karma, aiming for enlightenment and rising above the material--a state the Greys are unable to reach--we can free ourselves from their grasp.
