The Barn Burner Henry Holt & Company
Serious, funny, compelling -- and unique: a novel about a teenager with cancer and doesn't die, from Amy Goldman Koss, acclaimed author of *THE GIRLS*. As if it isn't bad enough to have cancer, practically every time we pick up a book or hear about a character in a movie who gets sick, we know they'll be dead by the last scene. In reality, kids get all kinds of cancers, go through unspeakable torture and painful treatments, but walk away, fine in the end. Isabelle, not quite 15, is living a normal life of fighting with her younger brother, being disgusted with her parents, and hoping to be noticed by a cute guy. Everything changes in an instant when she is diagnosed with lymphoma-- and even her best friend, Kay, thinks Izzy is going to die. But she doesn't, and her humor—sardonic, sharp, astute -- makes reading this book accessible and actually enjoyable. From the acclaimed author of *The Girls* and *Poison Ivy*, *Side Effects* is about the pain, fear, and unlikely

comedy of 15-year-old Izzy's journey, told in her own powerful and authentic voice. It is Izzy's story—screams and all.

The Name of this Book Is Secret Macmillan
In this stunning debut novel, two very different characters—a black boy who loses his home in Hurricane Katrina and a white boy in Vermont who loses his best friend in a tragic

accident—come together to find healing. A hurricane, a tragic death, two boys, one marble. How they intertwine is at the heart of this beautiful, poignant book. When ten-year-old Zavion loses his home in Hurricane Katrina, he and his father are forced to flee to Baton Rouge. And when Henry, a ten-year-old boy in northern Vermont, tragically loses his best friend, Wayne, he flees to ravaged New Orleans to help with hurricane relief efforts—and to search for a marble that was in the pocket of a pair of jeans donated to the Red Cross. Rich with imagery and crackling with hope, this is the unforgettable story of how lives connect in unexpected, even magical, ways. “ In Smith ’ s poetic hands, this poignant story barrels across the pages and into the reader ’ s heart, reminding us that magic can arise from the deepest tragedy. ” —Kathi Appelt, Newbery Honor Award winner and two-time National Book Award Finalist

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

You will be shocked, moved, and ultimately inspired by this harrowing tale of survival against insurmountable odds. This vivid story will open your eyes to the harsh realities and long-term consequences of bullying—and how all of us can make a difference in the lives of teens today.
