Queen All the Songs details the unique recording history of the mega-bestselling and hugely influential rock band, album by album and track by track. A lovingly thorough dissection of every album and every song ever released by the beloved rock group, Queen All the Songs follows Freddie, Brian, Roger, and John from their self-titled debut in 1973 through the untimely passing of Freddie, all the way up to their latest releases and the Oscar-winning film, Bohemian Rhapsody. The writing and recording process of each and every track is dissected, discussed, and analyzed by author Benoît Clerc. Queen All the Songs

dives deep into the history and origins of the band and their music. This one-of-a-kind book draws upon decades of research and recounts the circumstances that led to the composition of every song, as well as the recording process, and the instruments used. Queen All the Songs is the must-have book for any true fan of classic rock.
