Customer
reviews: The
Girls of August
"Every August,
four women
would gather
together to
spend a week at
the beach,
renting a new

house each year.
The ritual began
when they were
in their twenties
and their
husbands were
in medical
school, and
became a
mainstay of
every summer
thereafter. Their
only criteria was
oceanfront and
isolation, their
only desire to
strengthen their
far-flung
friendships.
The Girls of
August book by
Anne Rivers
Siddons
The self-styled
Girls of August
are an intrepid
band of doctors'
wives who have

gotten together
for annual
summer sprees
ever since
Cornelia—the
rich, blonde
consort of party-
animal physician
Teddy—invited
them to share
her beach
retreat.
