It is true that mankind himself has probably always been characterized with the main desire to determine just what "spiritual truth" really is. For centuries and centuries, highly educated philosophers and religious men alike have always stood toe-to-toe disagreeing on "spiritual truth." Since they cannot all be right, this would strongly indicate that education, religious persuasion, or even intelligence has little to do with our discovery of the "real spiritual truth." For if these things were truly critical, then obviously, the "spiritual/intellectual giants" of history would have agreed on spiritual truth long ago. In this work, author Ted Even endeavors to show that the disagreeing intellectuals/skeptics of the past only serve to reinforce Christ's radical statement about our need to just "become like little children" in order to discover the spiritual truth and that literally

everyone has the same opportunity to enter the kingdom of heaven on that basis. However, while super-intelligence or big degrees may not be necessary, the discovery of spiritual truth does require just one very reasonable quality of heart, which little children have always possessed. Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing.

A Relational Approach to Fundraising For many people, fundraising has become a dirty word. Conjuring images of guilt-inducing gimmickry, the predominant model saps the joy from both the donor and the receiver. But what if fundraising has the potential to be good for the giver, not just the recipient? What if it's about love and service, not just "What's in it for me?" These are the questions that Peter Greer, president and CEO of Hope International, and David Weekley, one of America's most influential philanthropists, answer in *The Giver and the Gift*. Based upon their own relationship and experiences, *The Giver and the Gift* outlines a Kingdom perspective on fundraising. Instead of guilt, there is gratitude. Instead of obligation, joy. It's time to dismantle certain shaky beliefs and practices, energizing a new generation of generosity. "How does fundraising become a Kingdom partnership, instead of just the transfer of funds? As a person who has spent years in the middle of these partnerships, I found the book fresh, clear, and extremely helpful." --Denny Rydberg, president of Young Life
