Monsters aren't real. As reasonable adults, we know this. But we also know that, while fake, the monsters of fairy tales, movies, and Netflix series embody our very real fears. Large, powerful beings that hunt us in the dark make us feel small, weak, vulnerable. When characters in these stories run away, they temporarily feel safe, but it's not until the monster is faced head-on that the story can have a happy ending--and, more importantly, the hero can become all he or she was created to be. The same is true of the monsters of the spiritual life. The monsters of comparison (I am what others say about me), more (I am what I have), and success (I am what I do) are powerful enemies of a healthy spiritual life. But ignoring them solves nothing. Pastor and speaker Luke Norsworthy wants you to face your monsters, get to know them, and discover how they are inviting you into a deeper understanding of yourself and a more intimate connection with God. You'll never completely eradicate your fears, but if you befriend them, they can lead you into becoming God's intention for you.

Losing Charlotte BEYOND BOOKS HUB

Seeking solace in a Georgia lakeside cottage with her eccentric 8-year-old daughter, recently widowed Kate wonders if the area's almost-magical ability for sparking romances has been imagined before experiencing a poignant renewal. The Stand (Movie Tie-in Edition) Ferry Street Books

Choose a tribe. Watch your back. And don't stop running. Filled with thrilling adventure and romance, *The Forsaken* is praised by *Entertainment Weekly*.com as "a fast-paced novel [that] you'll get sucked into. You just can't seem to put [it] down." As an obedient orphan of the U.N.A. (the super-country that was once Mexico, the US, and Canada), Alenna learned at an early age to blend in and be quiet—having your parents taken by the police will do that to a girl. But Alenna can't help standing out when she fails a test that all sixteen-year-olds have to take: The test says she has a high capacity for brutal violence, and so she is sent to the wheel, an island where all would-be criminals end up. The life expectancy of prisoners on the wheel is just two years, but with dirty, violent, and chaotic conditions, the time seems a lot longer as Alenna is forced to deal with civil wars for land ownership and machines that snatch kids out of their makeshift homes. Desperate, she and a charismatic warrior named Liam concoct a potentially fatal plan to flee the island. Survival may seem impossible, but Alenna is determined to achieve it anyway.

Love Water Memory Anchor Canada

Waking up knee-deep in the San Francisco Bay with no memory of her past, Lucie learns that she has a rare form of amnesia and reunites with a loving fiancé she does not recognize only to discover unsettling truths about her own personality, findings that are complicated by unsettling changes in her fiancé's feelings. Rosebush Little, Brown Books for Young Readers

The tie-in edition of the nine-part CBS All Access series starring Whoopi Goldberg, Alexander Skarsgard, and James Marsden. When a man escapes from a biological testing facility, he sets in motion a deadly domino effect, spreading a mutated strain of the flu that will wipe out 99 percent of humanity within a few weeks. The survivors who remain are scared, bewildered, and in need of a leader. Two emerge--Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them--and ultimately decide the fate of all humanity.

The Seamstress Crown

Author Benjamin Lorr wandered into a yoga studio—and fell down a rabbit hole Hell-Bent explores a fascinating, often surreal world at the extremes of American yoga. Benjamin Lorr walked into his first yoga studio on a whim, overweight and curious, and quickly found the yoga reinventing his life. He was studying Bikram Yoga (or "hot yoga") when a run-in with a master and competitive yoga champion led him into an obsessive subculture—a group of yogis for whom eight hours of practice a day in 110-degree heat was just the beginning. So begins a journey. Populated by athletic prodigies, wide-eyed celebrities, legitimate medical miracles, and predatory hucksters, it's a nation-spanning trip—from the jam-packed studios of New York to the athletic performance labs of the University of Oregon to the stage at the National Yoga Asana Championship, where Lorr competes for glory. The culmination of two years of research, and featuring hundreds of interviews with yogis, scientists, doctors, and scholars, Hell-Bent is a wild exploration. A look at the science behind a controversial practice, a story of greed, narcissism, and corruption, and a mind-bending tale of personal transformation, it is a book that will not only challenge your conception of yoga, but will change the way you view the fragile, inspirational limits of the human body itself.

The God of Animals Macmillan

An extraordinary epic, set a million years in the future, in the time of a dying sun, when our present culture is no longer even a memory. The torturer's apprentice, Severian, exiled from his guild after falling in love with one of his prisoners, is now the Lictor of Thrax, a city far distant from his home. But it is not long before Severian must flee this city, too, and journey again into the world. Embattled by friends and enemies alike, pursued by monstrous creatures, the one-time torturer's apprentice must overcome hitherto unimagined perils, as he moves closer to fulfilling his ultimate destiny. This edition contains the concluding two volumes of this four-volume novel, *The Sword of the Lictor* and *The Citadel of the Autarch*.

The Detective's Assistant A&C Black

Four women – intimate with the psychology of evil – work together for a small nonprofit that disseminates information on genocide. When two of them receive death threats, they immediately believe the messages come from one of their recently profiled war criminals. As the tensions mount among the women, each discovers that none of the others is exactly the person they seem to be. Their obsession with tracking down the killer turns into a witch hunt: one by one, the women dismiss the idea that the threats were sent from the outside and begin to suspect each other, disclosing the jealousies and contempt that have been simmering just beneath the surface. A tautly woven philosophical drama with all the trimmings of an electrifying murder mystery, *The Exception* heralds Christian Jungersen as a gifted storyteller and keen observer of the human psyche.

Spoken in Whispers St. Martin's Press

Raised on their parents' Kentucky horse farm, Charlotte and Knox Bolling grow up steeped in the cycles of breeding, foaling, weaning, and preparation for sale that the Thoroughbreds around them undergo each year. As sisters, they are as tightly connected within that vast and beautiful landscape as their opposing natures—and the subtly shifting allegiances within their close family—allow. When Charlotte leaves Four Corners Farm, marries Bruce, and moves to Manhattan's West Village, the sisters' feelings for each other remain as intense and contradictory as ever, despite the distance between them. But nothing will solder their lives more fatefully than Charlotte's pregnancy and the day on which she delivers twin boys, then dies of complications following their birth. Together, Knox and Bruce—sister- and brother-in-law in name, but strangers in every other respect—take up the work of caring for Charlotte's two motherless boys. In their mourning, and in the joy and desolation that flood in as their love for the children deepens, Bruce and Knox confront the ways in which their bonds to Charlotte have shaped them and struggle to define the tentative bond they are forming with each other as they navigate their exhausting, emotional daily rounds. A gripping, powerfully affecting debut novel from a stunning new writer.

The Bird Sisters Bloomsbury Publishing USA

"After nine years together, Kathryn and Chris have the sort of relationship most would envy. They speak in the shorthand they have invented, complete one another's sentences, and help each other through every daily and existential dilemma. When Chris tells Kathryn about his feelings for Emily, a vivacious young woman he sees often at the Laundromat, Kathryn encourages her boyfriend to pursue this other woman--certain that her bond with Chris is strong enough to weather a little side dalliance. As Kathryn and Chris stumble into polyamory, [this book] tracks the tumultuous, revelatory, and often very funny year that follows"--

ARYN KYLE, whose award-winning novel *The God of Animals* was hailed as "reason for readers to rejoice" (*USA Today*), turns her gift for storytelling to the lives of girls and women in this spectacular collection. These eleven stories showcase Kyle's keen eye for character, her humor, and her uncanny grasp of the loneliness, selfishness, and longing that underlie female experience. In "Nine," a young girl given to exaggeration escapes a humiliating ninth birthday celebration with the help of her father's new girlfriend. The dubious benefits of sleeping with one's boss are revealed when a bookstore manager defends an employee from an irate customer in the hilarious "Sex Scenes from a Chain Bookstore." A raid on a neighbor's meth lab strengthens the unlikely friendship between a solitary woman and a Goth teenage girl in "Boys and Girls Like You and Me." And in a notable exception to the rule, "Captain's Club" features a boy whose devotion to a lonely woman transforms his cruise vacation. In moments electric with sudden harmony or ruthless indifference, the girls and women in this collection provoke, beguile, and entertain. Writing with remarkable tenderness and wisdom, Kyle gives us a collection radiant with bittersweet revelations and startling insights, and secures her reputation as a major young talent.

The Exception Harper Collins

In Spring Green, Wisconsin, spinster sisters Milly and Twiss have spent their lives listening to heartbeats and heartaches,

nursing birds and the people who bring them back to health. Back in the summer of 1947, Milly and Twiss knew nothing about trying to mend what had been accidentally broken. Milly was known as a great beauty with emerald eyes and Twiss was a brazen wild child who never wore a dress or did what she was told. That was the summer their golf pro father had an accident that cost him both his swing and his charm, and their mother, the daughter of a wealthy jeweler, finally admitted that their hardscrabble lives wouldn't change. It was the summer their priest, Father Rice, announced that God didn't exist and ran off to Mexico, and a boy named Asa finally caught Milly's eye. Most unforgettably, it was also the summer their cousin Bett came down from a town called Deadwater and changed the course of their lives forever. Rebecca Rasmussen's masterful debut novel is full of hope and beauty, heartbreak and sacrifice, love and the power of sisterhood, offering wonderful surprises at every turn.

The Evening Hour Simon and Schuster

SPOKEN IN WHISPERS is the autobiography of a remarkable woman. Nicci Mackay is a horse whisperer, one of only a few people in the world who can calm agitated horses or revive their broken spirits by translating what they say. Nicci, who has had the extraordinary gift of being able to communicate with animals since childhood, tells her story with honesty and humour. She writes about a life dedicated to animals—from her years spent as groom and jockey in a racing yard, when she operated in secret, to more recent times, after the media discovered her amazing abilities. She now spends her time travelling extensively, translating and interperating on behalf of animals for their owners. Nicci gives the reader a rare and facinating insight into the minds, emotions and bewildering behaviour of our four-legged friends, from thoroughbred stallions to sheepdogs, opening the door to their world through often hilarious, sometime poignant, but always thought-provoking adventures and encounters with the animals she has met throughout her life. As well as horses, Nicci has worked with a variety of domestic pets, farm animals and birds. This will delight all those who share her love of animals.

A place of pressure and contradictions, St Ebury is an exclusive boarding school for the children of Canada's elite, where boys must act as men while navigating their adolescence. One of only a handful of girls at the school, Fall is the most beautiful. Noel, a clever, ghostly loner, watches her, certain that one day Fall will come to know him deeply. But like everyone else, she is drawn to Julius, the confident and magnetic son of the American ambassador to Canada. They fall in love and Noel keeps watching. In their final year, the boys room together and as Julius grows closer to Fall, Noel's enthusiasm for their relationship shades into something darker as he imagines himself as a confidante to Julius, sensing that the time has come for him to enter Fall's life forever.

Befriending Your Monsters Quirk Books

From Marie Phillips, hailed by the Guardian Unlimited website as a “hot author” destined to “break through” in 2007, comes a highly entertaining novel set in North London, where the Greek gods have been living in obscurity since the seventeenth century. Being immortal isn't all it's cracked up to be. Life's hard for a Greek god in the twenty-first century: nobody believes in you any more, even your own family doesn't respect you, and you're stuck in a dilapidated hovel in North London with too many siblings and not enough hot water. But for Artemis (goddess of hunting, professional dog walker), Aphrodite (goddess of beauty, telephone sex operator) and Apollo (god of the sun, TV psychic) there's no way out... until a meek cleaner and her would-be boyfriend come into their lives and turn the world upside down. *Gods Behaving Badly* is that rare thing, a charming, funny, utterly original novel that satisfies the head and the heart.
