Darrel Ray - Wikipedia

16the god Virus How Religion Infects Our Lives and Culture on our lives and bring about a new paradigm for understanding religious behavior in our world. Finally, I will only capitalize the names of specific gods such as Allah, Jehovah, Zeus and Jesus. The word "god" will be lower case unless it is included in a direct quote.

The God Virus: How Religion Infects Our Lives and Culture ...

"The God Virus, presents the reader with a telling analysis of religious belief as a memetic force that behaves in a manner similar to a biological virus, working within the infected host, individual and collective, to further its own survival and propagation, often to the

detriment of that host. This metaphor is uncannily apt and illuminating.

The God Virus by Darrel Ray | Audiobook | Audible.com

The Religion Virus explains the development and proliferation of religion as a meme (a unit of information that evolves and spreads from person to person within a culture), akin to a virus. James shows how religions have evolved over time, becoming more likely to be passed on from mind to mind.

cultural virus is not new, Darrel is the first to put the virus on a slide and pull out the microscope. The God Virus goes beyond analogy, offering a fascinating and detailed look at the wiggling, maddening virus itself how it moves, how it survives, and how and why it continues to thrive.

[New poll: Coronavirus leads to deepened religious faith ...](#)

Likewise with the god virus, religion can cause humans to commit genetic suicide (think terrorist bombers, priests and nuns) in the service of their religion. The overreaching theme of the book is that religion (and those most heavily infected with the virus) do not care about their flock.

The God Virus: How Religion Infects Our Lives and Culture ...

A god virus is able to disable the critical thinking skills of its host so that one's own religion appears to be without error, while at the same time errors in other approaches to religion are obvious to the host. Just as when a body weakens it becomes more susceptible to infection, the same thing happens with regard to a god virus.

God Virus, The: How Religion Infects Our Lives and Culture ...
"Viruses of the Mind" is an essay by British evolutionary biologist Richard Dawkins, first published in the book *Dennett and His Critics: Demystifying Mind*. Dawkins originally wrote the essay in 1991 and delivered it as a Voltaire Lecture on 6 November 1992 at the Conway Hall Humanist Centre. The essay discusses how religion can be viewed as a meme, an idea previously expressed by Dawkins in *The Selfish Gene*. Dawkins analyzes the propagation of religious ideas and behaviors as a memetic virus, a

Calling belief in God a

“ virus ” is a pseudo-scientific metaphor, powered by hate of God and deep-seated wounds born of the misunderstanding of the gospel—of both perpetrators and victims. Religion as a virus is not science; it is emotional rhetoric.

The God Virus: How Religion Infects Our Lives and Culture ...

A god virus is able to disable the critical thinking skills of its host so that one's own religion appears to be without error, while at the same time errors in other approaches to religion are obvious to the host. Just as when a body weakens it becomes more susceptible to infection, the same thing happens with regard to a god virus.

The author explores this and much more in his book *The God Virus: How Religion Infects Our Lives and Culture*. This second-

generation book takes the reader several steps beyond previous offerings and into the realm of the personal and emotional mechanisms that affect anyone who lives in a culture steeped in religion.
