America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops. The Gospel of Sheba NYU Press John Constantine is back-and, unfortunately for Tim Hunter, he 's convinced the only way the human race can survive is if Tim is taken off the board. But from where Tim 's standing, he 's the only one with the power to save us all. Who 's right? Who 's wrong? And is there room in London for the both of them?

That ' s just the start of Tim ' s troubles-because his evil doppelg ä nger has been unleashed on the world! Collects Books of Magic #14-23. Entwined G.P. Putnam's Sons To European explorers, it was Eden, a paradise of waist-high grasses, towering stands of walnut, maple, chestnut, and oak, and forests that teemed with bears, wolves, raccoons, beavers, otters, and foxes. Today, it is the site of Broadway and Wall Street, the Empire State

Building and the Statue of Liberty, and the home of millions of people, who have come from every corner of the nation and the globe. In Gotham, Edwin G. Burrows and Mike Wallace have produced a monumental work of history, one that ranges from the Indian tribes that settled in and around the island of Manna-hata, to the consolidation of the five boroughs into Greater New York in 1898. It is an epic narrative, a story as vast and varied as the city it chronicles, and it

underscores that the history of New York is the story of our nation. Readers will relive the tumultuous early years of New Amsterdam under the Dutch West India Company, Peter Stuyvesant's despotic regime, Indian wars, slave resistance and revolt, the Revolutionary War and the defeat of Washington's army on Brooklyn Heights, the destructive seven years of British occupation, New York as the nation's first capital, the duel between Aaron Burr and

Alexander Hamilton, the Erie Canal and the coming of the railroads, the growth of the city as a port and financial center, the infamous draft riots of the Civil War, the great flood of immigrants, the rise of mass entertainment such as vaudeville and Coney Island, the building of the Brooklyn Bridge and the birth of the skyscraper. Here too is a cast of thousands--the rebel Jacob Leisler and the reformer Joanna Bethune; Clement Moore, who saved

Greenwich Village (who from the city's street-grid plan; Herman Melville, who painted disillusioned portraits of city life; and Walt Whitman, who happily celebrated that same life. We meet the rebel Jacob Leisler and the reformer Joanna Bethune; Boss Tweed and his nemesis, cartoonist Thomas Nast; Emma Goldman and Nellie Bly; Jacob Riis and Horace Greeley; police commissioner Theodore Roosevelt; Colonel Waring and his "white angels"

(who revolutionized the sanitation department); millionaires John Jacob Astor, Cornelius Vanderbilt, August Belmont, and William Randolph Hearst; and hundreds more who left their mark on this great city. The events and people who crowd these pages guarantee that this is no mere local history. It is in fact a portrait of the heart and soul of America, and a book that will mesmerize everyone interested in the peaks and valleys

of American life as found in the greatest city on earth. Gotham is a dazzling read, a fast-paced, brilliant narrative that carries the reader along as it threads hundreds of stories into one great blockbuster of a book.

Seven for a Secret Penguin Discover Sherlock Holmes and Dr Watson through the eyes of those who knew them best. From familiar faces like Mrs Hudson to minor characters like Lomax the sub-librarian, *Observations by Gaslight* – told through diaries,

telegrams, and even grocery lists – paints a masterful portrait of Holmes and Watson as you have never seen them before. See Irene Adler team up with her former adversary in an eerie and near-deadly enquiry. Learn of the case that cemented the friendship between Holmes and Inspector Lestrade of Scotland Yard. And witness Stanley Hopkins' first meeting with the remote logician he idolizes. Lyndsay Faye, two-time Edgar Award nominee, debuted with *Dust and Shadow*, her much admired novel

pitting Sherlock Holmes against Jack the Ripper. Now Faye is back with a thrilling volume of new and previously published short stories and novellas narrated by those who knew the Great Detective best. Reviewers on *Observations by Gaslight*: 'Faye is an expert on all things Sherlockian, she has unparalleled flair.' *CrimeReads* 'Meat and drink for fans of the Canon of the Sacred Writings.' *Kirkus* Jane Steele Twelve Sometimes love gets a bit twisted. Avery Montgomery doesn't even know if she wants a soul mate. As a member of the

Hellenicus—a race founded in antiquity and descended directly from the Greek gods—Avery’s attending her first Gathering where she’ll gain the ability to entwine her thoughts with her destined soul mate and be tied to them forever. But all is not as it seems at the Royal Court. There are severe and strange looks from the elders, whisperings from the ancient Dodona tree, and encounters with spirits who seem to know Avery better than she knows herself. Throughout these whirlwind events at Court, Avery finds herself torn between her feelings for the wise and protective Vladimir and the passionate, fun-loving Adrian. Unwilling to surrender her

independence or to betray her heart, Avery must decide once and for all if she’ll give in to her desires and risk the wrath of the Gods. Because who are you if your destiny lies with another person?

Edge of Dark Water Scholastic Inc.

Arkham Asylum for the Criminally Insane is a staple of the Batman universe, evolving into a franchise comprised of comic books, graphic novels, video games, films, television series and more. The Arkham franchise, supposedly lightweight entertainment, has tackled weighty

issues in contemporary psychiatry. Its plotlines reference clinical and ethical controversies that perplex even the most up-to-date professionals. The 25 essays in this collection explore the significance of Arkham's sinister psychiatrists, murderous mental patients, and unethical geneticists. It invites debates about the criminalization of the mentally ill, mental patients who move from defunct state hospitals into expanding prisons, madness versus badness, sociopathy

versus psychosis, the "insanity defense" and more. Invoking literary figures from Lovecraft to Poe to Caligari, the 25 essays in this collection are a broad-ranging and thorough assessment of the franchise and its relationship to contemporary psychiatry.

Lovable ne'er-do-well

Delilah Dirk is an adventurer for the 19th century. She has traveled to Japan, Indonesia, France, and even the New World. Using the skills she's picked up on the way, Delilah's adventures continue

as she plots to rob a rich and corrupt Sultan in Constantinople. With the aid of her flying boat and her newfound friend, Selim, she evades the Sultan's guards, leaves angry pirates in the dust, and fights her way through the countryside. For Delilah, one adventure leads to the next in this thrilling and funny installment in her exciting life. Tony Cliff's *Delilah Dirk and the Turkish Lieutenant* is a great pick for any reader looking for a smart and foolhardy heroine...and globetrotting adventures. A Publishers Weekly Best Children's Book of 2013 A Kirkus Reviews Best Teen Book of 2013 The Alienist Harvard University Press A free woman of color in the 1830s, Margaret

Morgan lived a life full of promise. One frigid night in Pennsylvania, that changed forever. They tore her family apart. They put her in chains. They never expected her to fight back. In 1837, Margaret Morgan was kidnapped from her home in Pennsylvania and sold into slavery. The state of Pennsylvania charged her kidnapper with the crime, but the conviction was later overturned by the U.S. Supreme Court. It was the first time a major branch of the federal government had made a pro-slavery stand, and the ruling in *Prigg v. Pennsylvania* sewed the bitter seeds of the states' rights battle that eventually would lead to the Civil War. Yet, the heart of this story is not a historic Supreme Court ruling. It is the

remarkable, unforgettable Margaret Morgan. Her life would never be the same. Her family had been torn apart. Uncaring forces abused her body and her heart. But she refused to give up, refused to stop fighting, refused to allow her soul to be enslaved. Jessica McCann's work as an award-winning journalist has been published in Business Week, The Writer, and many other publications. ALL DIFFERENT KINDS OF FREE is her first novel. Struggling to rebuild his life after a two-year

prison term for unscrupulous choices, former Wall Street hotshot Jason Stafford is tapped by an investment firm to investigate the suspicious death of a junior trader. Black Fridays G.P. Putnam's Sons It is 741. After conquering a continent for the Merovingian kings, only one thing stands between Charles Martel and the throne - he's dying. Charles cobbles together a plan to divide the kingdom among his three sons, betroth his daughter to a Lombard prince, and keep the Church unified behind them through his friend Bishop Boniface. Despite his best efforts, the only thing to reign after Charles's death is chaos. His

daughter has no intention of marrying anyone, let alone a Lombard prince. His two eldest sons question the rights of their younger pagan stepbrother, and the Church demands a steep price for their support. Son battles son, Christianity battles paganism, and Charles's daughter flees his court for an enemy's love. Based on a true story, Anvil of God is a whirlwind of love, honor, sacrifice, and betrayal that follows a bereaved family's relentless quest for power and destiny. [The Whole Art of Detection](#) G.P. Putnam's Sons Explores places noted for minimal violence, rising life-expectancy, high literacy, and pragmatic

compromises on cultural rights, documenting the ways and means that have proven successful in defusing ethnic tensions and maintaining peace. Pax Ethnica Oxford University Press Milan, 1496 and forty-four-year-old Leonardo da Vinci has a reputation for taking on commissions and failing to complete them. He is in a state of professional uncertainty and financial difficulty. For eighteen months he has been painting murals in both the Sforza Castle in Milan and the refectory of the convent of Santa Maria delle Grazie. The latter project will become the Last Supper, a complex mural that took a full three years to

complete on a surface fifteen feet high by twenty feet wide. Not only had he never attempted a painting of such size, but he had no experience whatsoever in painting in the physically demanding medium of fresco. For more than five centuries the Last Supper has been an artistic, religious and cultural icon. The art historian Kenneth Clark has called it 'the keystone of European art', and for a century after its creation it was regarded as nothing less than a miraculous image. Even today, according to Clark, we regard the painting as 'more a work of nature than a work of man'. And yet there is a very human story behind this artistic 'miracle', which was created against the backdrop of momentous events

both in Milan and in the life of Leonardo himself. In Leonardo and the Last Supper, Ross King tells the complete story of this creation of this mural: the adversities suffered by the artist during its execution; the experimental techniques he employed; the models for Christ and the Apostles that he used; and the numerous personalities involved - everyone from the Leonardo's young assistants to Ludovico Sforza, the Duke of Milan who commissioned the work. Ross King's new book is both a record of Leonardo da Vinci's last five years in Milan and a 'biography' of one of the most famous works of art ever painted. [The Fatal Flame](#) Picador

The reimagining of Jane Eyre as a gutsy, heroic serial killer that The New York Times Book Review calls “wonderfully entertaining” and USA Today describes as “sheer mayhem meets Victorian propriety”—nominated for the 2017 Edgar Award for Best Novel. “Reader, I murdered him.” A sensitive orphan, Jane Steele suffers first at the hands of her spiteful aunt and predatory cousin, then at a grim school where she fights for her very life until escaping to London, leaving the corpses of her tormentors behind her. After years of hiding from the law while penning macabre “last confessions” of the recently hanged, Jane thrills at discovering an advertisement. Her childhood home has a new master: Mr. Charles Thornfield, who seeks a governess. Burning to know whether she is in fact the rightful heir, Jane takes the position incognito and learns that Highgate House is full of marvelously strange new residents—the fascinating but caustic Mr. Thornfield, an army doctor returned from the Sikh Wars, and the gracious Sikh butler Mr. Sardar Singh, whose history with Mr. Thornfield appears far deeper and darker than they pretend. As Jane catches ominous glimpses of the pair’s violent history and falls in love with the gruffly tragic Mr. Thornfield, she faces a terrible dilemma: Can she possess him—body,

soul, and secrets—without revealing her own murderous past? “A thrill ride of a novel. A must read for lovers of Jane Eyre, dark humor, and mystery.” —PopSugar.com
Welcome to Arkham Asylum Penguin
“Mesmerizing—a nother wonderful novel etched by the hand of a master storyteller.” —Michael Connelly
Mary Russell and her husband, Sherlock Holmes, have stirred the wrath of a murderous secret organization bent on infiltrating the government. Now they are separated and on the run, wanted by the

police, and pursued young female
across the Continent by a
ruthless enemy with scarred
limitless resources and powerful
connections. Unstoppable
together, Russell and Holmes
will have to survive this time
apart, maintaining contact
only by means of coded messages
and cryptic notes. But has the
couple made a fatal mistake by
separating, making themselves
easier targets for the shadowy
government agents sent to
silence them? A hermit with a
mysterious past and a beautiful

doctor with a secret, a cruelly
scarred flyer and an obsessed
man of the cloth: Everyone
Russell and Holmes meet could
either speed their safe reunion
or betray them to their enemies—
in the most complex, shocking,
and deeply personal case of their
career. **BONUS:** This edition

Kinsey investigates two seemingly unrelated deaths: those of a local, shady PI, and of a John Doe on the beach.

Unconventional Warfare (Special Forces, Book 1)

Bloomsbury Publishing
Bernice L. McFadden has been named the Go On Girl! Book Club's 2018 Author of the Year WINNER of the 2017 American Book Award WINNER of the NAACP Image Award for Outstanding Literary Work

Hurston/Wright Legacy Award Nominee (Fiction)! A Washington Post Notable Book of 2016 "McFadden uses the experiences of her own ancestors as loose inspiration for the life of Harlan, whom she portrays from his childhood in Harlem through imprisonment in a Nazi concentration camp and his struggles afterward to put his life back together."
--Library Journal
"Simply miraculous...As her saga becomes ever more spellbinding, so does the reader's astonishment at the magic she creates. This is a story about the triumph of the human spirit over bigotry, intolerance and cruelty, and at the center of The Book of

Harlan is the restorative force that is music."
--Washington Post
"Bernice L. McFadden took me on a melodious literary journey through time and place in her masterpiece, The Book of Harlan. It's complex, real, and raw...McFadden intricately and purposefully weaves history as a backdrop in her fiction. The Book of Harlan brilliantly explores questions about agency, purpose, freedom, and survival."
--Literary Hub, one of Nicole Dennis-Benn's 26 Books From the Last Decade that More People Should Read
"McFadden's writing breaks the heart--and then heals it again. The perspective of a black man in a concentration camp is unique and harrowing and this is a

riveting, worthwhile read." --Toronto Star "The Book of Harlan is an incredible read. Bernice McFadden...has created an amazing novel that speaks to lesser known aspects of the African-American experience and illuminates the human heart and spirit. Her spare prose is rich in details that convey deep emotions and draw the reader in. This fictional narrative of Harlan Elliot's life is firmly grounded amidst real people and places--prime historical fiction, and the best book I have read this year." --Historical Novels Review, Editors' Choice "McFadden packs a powerful punch with tight prose and short chapters that bear witness to key events in early

twentieth-century history: both World Wars, the Great Depression, and the Great Migration. Partly set in the Jim Crow South, the novel succeeds in showing the prevalence of racism all across the country--whether implemented through institutionalized mechanisms or otherwise. Playing with themes of divine justice and the suffering of the righteous, McFadden presents a remarkably crisp portrait of one average man's extraordinary bravery in the face of pure evil." --Booklist, Starred review The Book of Harlan opens with the courtship of Harlan's parents and his 1917 birth in Macon, Georgia. After his prominent minister grandfather dies, Harlan and his parents

move to Harlem, where he eventually becomes a professional musician. When Harlan and his best friend, trumpeter Lizard Robbins, are invited to perform at a popular cabaret in the Parisian enclave of Montmartre--affectionately referred to as "The Harlem of Paris" by black American musicians--Harlan jumps at the opportunity, convincing Lizard to join him. But after the City of Light falls under Nazi occupation, Harlan and Lizard are thrown into Buchenwald--the notorious concentration camp in Weimar, Germany--irreparably changing the course of Harlan's life. Based on exhaustive research and told in McFadden's mesmerizing

prose, *The Book of Harlan* skillfully blends the stories of McFadden's familial ancestors with those of real and imagined characters.

Things eStar Books

An incisive look at how evangelical Christians

shaped—and were shaped by—the American criminal justice system.

America incarcerates on a massive scale.

Despite recent reforms, the United States locks up large numbers of people—disproportionately poor and nonwhite—for long periods and offers little opportunity for restoration.

Aaron Griffith reveals a key component in the origins of American mass incarceration: evangelical Christianity.

Evangelicals in the postwar era made crime concern a major religious issue and found new platforms for shaping public life through punitive politics. Religious leaders like Billy Graham and David

Wilkerson

mobilized fears of lawbreaking and concern for offenders to sharpen appeals for Christian

conversion, setting the stage for evangelicals who began advocating tough-on-crime politics in the 1960s. Building on religious campaigns for public safety earlier in the twentieth century, some preachers and politicians pushed for “law and order,” urging support for harsh sentences and expanded policing. Other evangelicals saw crime as a missionary

opportunity, launching innovative ministries that reshaped the practice of religion in prisons. From the 1980s on, evangelicals were instrumental in popularizing criminal justice reform, making it a central cause in the compassionate conservative movement. At every stage in their work, evangelicals framed their efforts as colorblind, which only masked racial inequality in incarceration and delayed real change. Today evangelicals play an ambiguous role in

reform, pressing for reduced imprisonment while backing law-and-order politicians. God's Law and Order shows that we cannot understand the criminal justice system without accounting for evangelicalism's impact on its historical development. Gotham A&C Black One of The Wall Street Journal's Ten Best Mysteries of the Year "Amazing...This is a series for the ages, it's so spectacular." —Gillian Flynn, #1 New York Times bestselling author of *Gone Girl* 1846: In New York City, slave catching isn't just

legal—it's law enforcement. Six months after the formation of the NYPD, its most reluctant and talented officer, Timothy Wilde, learns of the gruesome underworld of lies and corruption ruled by the "blackbirders," who snatch free Northerners of color from their homes, masquerade them as slaves, and sell them South to toil as plantation property. When the beautiful and terrified Lucy Adams staggers into Timothy's office to report a robbery and is asked what was stolen, her reply is, "My family." Their search for her mixed-race sister and son will plunge Timothy and his feral brother, Valentine, into a world where police are

complicit and politics
savage, and where
corpses appear in the
most shocking of
places...
