From a disciple of the late Chinua Achebe comes a masterful and universally acclaimed novel that is at once a taut, literary thriller and an indictment of greed's power to subsume all things, including the sacred. Foreign Gods, Inc., tells the story of Ike, a New York-based Nigerian cab driver who sets out to steal the statue of an ancient war deity from his home village and sell it to a New York gallery. Ike's plan is fueled by desperation. Despite a degree in economics from a major American college, his strong accent has barred him from the corporate world. Forced to eke out a living as a cab driver, he is unable to manage the emotional and material needs of a temperamental African American bride and a widowed mother demanding financial support. When he turns to gambling, his mounting losses compound his woes. And so he travels back to Nigeria to steal the statue, where he has to deal with old friends, family, and a mounting conflict between those in the village who worship the deity, and those who practice Christianity. A meditation on the dreams, promises and frustrations of the immigrant life in America; the nature and impact of religious conflicts; an examination of the ways in which modern culture creates or heightens infatuation with the "exotic," including the desire to own strange objects and hanker after ineffable illusions; and an exploration of the shifting nature of memory, *Foreign Gods* is a brilliant work of fiction that illuminates our globally interconnected world like no other. From the Hardcover edition.

The Goldfinch Little Brown

Pulitzer Prize finalist: "A soaring literary epic about the forces that have driven us to the 9/11 age . . . relentlessly captivating" (Ron Charles, *The Washington Post*). When humanitarian lawyer Tom Harrington travels to Haiti to investigate the murder of a beautiful photojournalist, he is confronted with a dangerous landscape riddled with poverty, corruption, and voodoo. It's the late 1990s, a time of brutal guerrilla warfare and civilian kidnappings. The journalist, whom he knew years before as Jackie Scott, had a bigger investment in Haiti than it seemed. To make sense of her death, Tom must plunge back into his complicated ties to Jackie—and her mysterious past. Shacochois traces Jackie's shadowy family history from the outlaw terrain of World War II Dubrovnik to 1980s Istanbul. Caught between her first love and her domineering father—an elite Cold War spy pressuring her to follow in his footsteps—seventeen-year-old Jackie hatches a desperate escape plan. But getting out also puts her on the path that turns her into the soulless woman Tom fears as much as desires. Set over fifty years and in four war-torn countries, *The Woman Who Lost Her Soul* is National Book Award winner Bob Shacochois's masterpiece and a magnum opus. It brings to life an intricate portrait of catastrophic events that led up to the war on terror and the America we are today.

Translated from the German by Damion Searls Winner of the German Book Prize, *Saša Stanišić's* inventive and surprising novel asks: what makes us who we are? In August, 1992, a boy and his mother flee the war in Yugoslavia and arrive in Germany. Six months later, the boy's father joins them, bringing a brown suitcase, insomnia, and a scar on his thigh. *Saša Stanišić's* *Where You Come From* is a novel about this family, whose world is uprooted and remade by war: their history, their life before the conflict, and the years that followed their escape as they created a new life in a new country. Blending autofiction, fable, and choose-your-own-adventure, *Where You Come From* is set in a village where only thirteen people remain, in lost and made-up memories, in coincidences, in choices, and in a dragons' den. Translated by Damion Searls, it's a novel about homelands, both remembered and imagined, lost and found. A book that playfully twists form and genre with wit and heart to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives.

The Birth House is the story of Dora Rare, the first daughter to be born in five generations of Rares. As a child in an isolated village in Nova Scotia, she is drawn to Miss Babineau, an outspoken Acadian midwife with a gift for healing. Dora becomes Miss B.'s apprentice, and together they help the women of Scots Bay through infertility, difficult labours, breech births, unwanted pregnancies and even unfulfilling sex lives. Filled with details as compelling as they are surprising, *The Birth House* is an unforgettable tale of the struggles women have faced to have control of their own bodies and to keep the best parts of tradition alive in the world of modern medicine.

The story of two talent agents and their three troubled boys, heirs to Hollywood royalty; a sweeping narrative about fathers and sons, the movie business, and the sundry sea changes that have shaped Hollywood and, by extension, American life. *American Dream Machine* is the story of an iconic striver, a classic self-made man in the vein of Jay Gatsby or Augie March. It's the story of a talent agent and his troubled sons, two generations of Hollywood royalty. It's a sweeping narrative about parents and children, the movie business, and the sundry sea changes that have shaped Hollywood, and by extension, American life. Beau Rosenwald—overweight, not particularly handsome, and improbably charismatic—arrives in Los Angeles in 1962 with nothing but an ill-fitting suit and a pair of expensive brogues. By the late 1970s he has helped found the most successful agency in Hollywood. Through the eyes of his son, we watch Beau and his partner go to war, waging a seismic

rise and fall and rise again, in accordance with the cultural transformations that dictate the fickle world of movies. We watch Beau's partner, the enigmatic and cerebral Williams Farquarsen, struggle to contain himself, to control his impulses and consolidate his power. And we watch two generations of men fumble and thrive across the LA landscape, learning for themselves the shadows and costs exacted by success and failure. *Mammalian*, funny, and filled with characters both vital and profound, *American Dream Machine* is a piercing interrogation of the role—nourishing, as well as destructive—that illusion plays in all our lives.

A Novel (Pulitzer Prize for Fiction) Vintage

A lyrical and deeply affecting novel recounting the seven days a father spends on the road with his daughter after kidnapping her during a parental visit. Attending a New England summer camp, young Eric Schroder—a first-generation East German immigrant—adopts the last name Kennedy to more easily fit in, a fateful white lie that will set him on an improbable and ultimately tragic course. SCHRODER relates the story of Eric's urgent escape years later to Lake Champlain, Vermont, with his six-year-old daughter, Meadow, in an attempt to outrun the authorities amid a heated custody battle with his wife, who will soon discover that her husband is not who he says he is. From a correctional facility, Eric surveys the course of his life to understand—and maybe even explain—his behavior: the painful separation from his mother in childhood; a harrowing escape to America with his taciturn father; a romance that withered under a shadow of lies; and his proudest moments and greatest regrets as a flawed but loving father. Alternately lovesick and ecstatic, Amity Gaige's deftly imagined novel offers a profound meditation on history and fatherhood, and the many identities we take on in our lives—those we are born with and those we construct for ourselves. One of the questions Geoff Nicholson is frequently asked is whether he has a favourite walk? In 'The Lost Art of Walking' he answers 'no' but this isn't quite the case. Geoff doesn't have a favourite walk but he does have favoured walks and these almost always involve ruins. 'Walking with Ruins' describes some of these walks - which are mainly in Britain and the USA - and reflects on both what constitutes a ruin and on what makes them attractive.

In an array of poetic forms from the rhyming lyric to the philosophical meditation to the prose essay, 3 Sections confronts perplexing divisions of contemporary life—a wayward history, an indeterminate future, and a present condition of wanting to outthink time. This is an extraordinary book, witty and vivacious, by one of America's best poets.

The World Gives Way Little, Brown

A thrilling tale of high-altitude death and survival set on the snowy summits of Mount Everest, from the bestselling author of *The Terror*. It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young Bromley must be dead, but his mother refuses to believe it and pays the trio to bring him home. Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924 disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. A pulse-pounding story of adventure and suspense, *The Abominable* is Dan Simmons at his spine-chilling best.

Walking in Ruins Catapult

In this moving, emotional narrative of love and resilience, a young couple confronts the start of Argentina's Dirty War in the 1970s, and a daughter searches for truth twenty years later. New York, 1998. Santiago Larrea, a wealthy Argentine diplomat, is holding court alongside his wife, Lila, and their daughter, Paloma, a college student and budding jewelry designer, at their annual summer polo match and soiree. All seems perfect in the Larreas' world—until an unexpected party guest from Santiago's university days shakes his usually unflappable demeanor. The woman's cryptic comments spark Paloma's curiosity about her father's past, of which she knows little. When the family travels to Buenos Aires for Santiago's UN ambassadorial appointment, Paloma is determined to learn more about his life in the years leading up to the military dictatorship of 1976. With the help of a local university student, Franco Bonetti, an activist member of H.I.J.O.S.—a group whose members are the children of the desaparecidos, or the "disappeared," men and women who were forcibly disappeared by the state during Argentina's "Dirty War"—Paloma unleashes a chain of events that not only leads her to question her family

and her identity, but also puts her life in danger. In compelling fashion, *On a Night of a Thousand Stars* speaks to relationships, morality, and identity during a brutal period in Argentinian history, and the understanding—and redemption—people crave in the face of tragedy.

The Night Circus **The Goldfinch** A Novel (Pulitzer Prize for Fiction) The New York Times bestseller by the author of the forthcoming novel *Alice & Oliver* | Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters | A New York Times Notable Book “ One word: bravo. ” —The New York Times Book Review “ Truly powerful . . . Beautiful Children dazzles its readers on almost every page. . . . [Charles Bock] knows how to tug at your heart, and he knows how to make you laugh out loud, often on the same page, sometimes in the same sentence. ” —Newsweek One Saturday night in Las Vegas, twelve-year-old Newell Ewing goes out with a friend and doesn't come home. In the aftermath of his disappearance, his mother, Lorraine, makes daily pilgrimages to her son's room and tortures herself with memories. Equally distraught, the boy's father, Lincoln, finds himself wanting to comfort his wife even as he yearns for solace, a loving touch, any kind of intimacy. As the Ewings navigate the mystery of what's become of their son, the circumstances surrounding Newell's vanishing and other events on that same night reverberate through the lives of seemingly disconnected strangers: a comic book illustrator in town for a weekend of debauchery; a painfully shy and possibly disturbed young artist; a stripper who imagines moments from her life as if they were movie scenes; a bubbly teenage wiccan anarchist; a dangerous and scheming gutter punk; a band of misfit runaways. The people of *Beautiful Children* are “ urban nomads, ” each with a past to hide and a pain to nurture, every one of them searching for salvation and barreling toward destruction, weaving their way through a neon underworld of sex, drugs, and the spinning wheels of chance. In this masterly debut novel, Charles Bock mixes incandescent prose with devious humor to capture Las Vegas with unprecedented scope and nuance and to provide a glimpse into a microcosm of modern America. *Beautiful Children* is an odyssey of heartache and redemption heralding the arrival of a major new writer. Praise for *Beautiful Children* “ Exceptional . . . This novel deserves to be read more than once because of the extraordinary importance of its subject matter. ” —The Washington Post Book World “ Magnificent . . . a hugely ambitious novel that succeeds . . . Beautiful Children manages to feel completely of its moment while remaining unaffected by literary trends. . . . Charles Bock is the real thing. ” —The New Republic “ A wildly satisfying and disturbing literary journey, led by an author of blazing talent. ” —The Dallas Morning News “ Wholly original—dirty, fast, and hypnotic. The sentences flicker and skip and whirl. ” —Esquire “ An anxious, angry, honest first novel filled with compassion and clarity . . . The language has a rhythm wholly its own—at moments it is stunning, near genius. ” —A. M. Homes “ From start to finish, Bock never stops tantalizing the reader. ” —San Francisco Chronicle “ Rich and compelling . . . captures the hallucinogenic setting like a fever dream. ” —Los Angeles Times

"The author of the classic bestsellers *The Secret History* and *The Little Friend* returns with a brilliant, highly anticipated new novel. A young boy in New York City, Theo Decker, miraculously survives an accident that takes the life of his mother. Alone and abandoned by his father, Theo is taken in by a friend's family and struggles to make sense of his new life. In the years that follow, he becomes entranced by one of the few things that reminds him of his mother: a small, mysteriously captivating painting that ultimately draws Theo into the art underworld. Composed with the skills of a master, *The Goldfinch* is a haunted odyssey through present-day America, and a drama of almost unbearable acuity and power. It is a story of loss and obsession, survival and self-invention, and the enormous power of art"--

The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the *Boston Globe* describes as “ impossible to put down, ” is a stunning examination of how tragedy affects a town, a marriage, and a family.

WINNER OF THE PULITZER PRIZE "The *Goldfinch* is a rarity that comes along perhaps half a dozen times per decade, a smartly written literary novel that connects with the heart as well as the mind....Donna Tartt has delivered an extraordinary work of fiction."--Stephen King, *The New York Times Book Review* Theo Decker, a 13-year-old New Yorker, miraculously survives an accident

that kills his mother. Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by his longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into the underworld of art. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love--and at the center of a narrowing, ever more dangerous circle. *The Goldfinch* is a mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention, and the ruthless machinations of fate.

Foreign Gods, Inc. Turtleback

Reality and dream collide in Amy Bonaffons's dazzling, darkly playful debut novel about a love affair between the living and the dead. For weeks, Rachel has been noticing the same golden-haired young man sitting at her Brooklyn bus stop, staring off with a melancholy air. When, one day, she finally musters the courage to introduce herself, the chemistry between them is undeniable: Thomas is wise, witty, handsome, mysterious, clearly a kindred spirit. There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he completes a 90-day stint on earth, during which time he is forbidden to get involved with a member of the living -- lest he incur "regrets." When Thomas and Rachel break this rule, they unleash a cascade of bizarre, troubling consequences. Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.
