Love Novel Harper
Collins
When Framboise Simon
returns to a small
village on the banks
of the Loire, the
locals do not
recognize her as the

daughter of the infamous woman they hold responsible for a tragedy during the German occupation years ago. But the past and present are inextricably entwined, particularly in a scrapbook of recipes and memories that Framboise has inherited from her mother. And soon Framboise will realize that the journal also contains the key to the

tragedy that indelibly marked that summer of her ninth year. . . .

The Gospel of Loki
Harper Collins

"Just kindle a flame and I'll be with you." It's summer vacation, but David's miserably stuck with his unpleasant relatives. Then a strange boy named Luke turns up, charming and fun, joking that David has released him from a prison. Or is he joking?

He certainly seems to have strange powers, and control over fire . . .

Luke has family problems of his own, and some very dark secrets. And when David agrees to a bargain with the mysterious Mr. Wedding, he finds himself in a dangerous hunt for a lost treasure, one that will determine Luke's fate!

The Thief of Time Harper
Collins
The New York Times

bestselling author takes a riveting new direction with this richly textured, multi-layered novel of friendship, murder, revenge, and class conflict set in an upper-crust English school—as enthralling and haunting as Ian McKewan’s *Atonement* and Patricia Highsmith’s *The Talented Mr. Ripley*. Audere, agere, auferre. To dare, to strive, to conquer. For generations, elite young men have attended St. Oswald’s School for Boys, groomed for success by the likes of Roy Straitley, the eccentric classics teacher who has been a revered fixture for more than 30 years. But this year, things are different. Suits, paperwork, and Information Technology rule the world, and Straitley is reluctantly contemplating retirement. He is joined in this, his 99th, term by five new faculty members, including one who—unknown to Straitley and everyone else—holds intimate and dangerous knowledge of St. Ozzie’s ways and secrets, its comforts and conceits. Harboring dark ties to the school’s past, this young teacher has arrived with one terrible goal: Destroy St. Oswald’s. As the new term gets underway, a number of incidents befall students and faculty alike. Beginning as small annoyances—a lost pen, a misplaced coffee mug—they soon escalate to the life threatening. With the school unraveling, only

Straitley stands in the way of St. Ozzie's ruin. But the old man faces a formidable opponent—a master player with a strategy that has been meticulously planned to the final move. A harrowing tale of cat and mouse told in alternating voices, this riveting, hypnotically atmospheric novel showcases Joanne Harris's astonishing storytelling talent as never before.

Holy Fools Harlequin

“ Paxson provides songs,

rituals, magical exercises, and practical advice to help you develop your own personal relationship with the Lord of Runes. ” —Judika Illes, author of Encyclopedia of 5,000 Spells Odin is arguably one of the most enigmatic and complex characters in Norse mythology. Revered since the Viking Age, Odin has been called the greatest of the gods—the god of words and wisdom, runes and magic, a transformer of consciousness, and a trickster who teaches truth. He is both war god and poetry god, and he is the Lord

of Ravens, the All- Father, and the rune master. Odin: Ecstasy, Runes, and Norse Magic is the first book on Odin that is both historically sourced and accessible to a general audience. It explores Odin ' s origins, his appearances in sagas, old magic spells, and the Poetic Edda, and his influence on modern media, such as Tolkien ' s Lord of the Rings trilogy. Each chapter features suggestions for rituals, exercises, and music, so readers can comprehend and become closer to this

complicated god. Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today.

“ This remarkable book is at times ribald and reverent, worldwise and innocent, pragmatic and idealistic, as needed to masterfully show the ways of a very complex God. ” —Ivo Domiguez, Jr, author of Keys to Perception

The Trickster's Lover

Macmillan

Before the sweet delight of Chocolat, before the heady concoction that is Blackberry Wine, and before the tart pleasures of Five Quarters of the Orange, bestselling author Joanne Harris wrote Sleep, Pale Sister -- a gothic tour-de-force that recalls the powerfully dark sensibility of her novel Holy Fools.

Originally published in 1994 -- and never before available in the United States -- Sleep, Pale Sister is a hypnotically atmospheric story set in

nineteenth century London.

When puritanical artist Henry Chester sees delicate child beauty Effie, he makes her his favorite model and, before long, his bride. But Henry, volatile and repressed, is in love with an ideal. Passive, docile, and asexual, the woman he projects onto Effie is far from the woman she really is. And when Effie begins to discover the murderous depths of Henry's hypocrisy, her latent passion will rise to the surface. Sleep, Pale Sister combines the ethereal beauty

of a Pre-Raphaelite painting with a chilling high gothic tale and is a testament to Harris's brimming cornucopia of talents. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

A Narrow Door Harper Collins

In the sequel to *The Gospel of Loki*, Loki's adventures continue when he finds a way out of the end of the world and plans to restart the power of the Norse gods. The end of the

world—also known as Ragnarok to the Norse gods—has occurred, and Loki has been trapped in a seemingly endless purgatory, in torture, until he finds a way to escape. It seems that he still exists in the minds of humanity and uses that as a way to our time. Back in the ninth world (Earth), Loki finds himself sharing the mind of a teenage girl named Jumps, who is a bit of a mess. She's also not happy about Loki sneaking his way into her mind since she was originally calling on Thor. Worse, her friends have also been co-opted by the gods: Odin, Jump's one-eyed

best friend in a wheelchair, and Freya, the pretty one. Thor escapes the netherworld as well and shares the mind of a dog, and he finds that it suits him. Odin has a plan to bring back the Norse gods ascendancy, but Loki has his own ideas on how things can go—and nothing goes according to plan. *Miracles of Our Own Making* Simon and Schuster I spent my whole life training to become a ballet dancer—a soloist, a star. Today, I'm a toy, a plaything, a distraction... An offering. A sacrifice to a caged god, to the Norse trickster. Loki. Trapped in a cave for the sins of his past, he waits for the end of

days. Modern worshippers curry favor with gifts and trinkets, spilled blood-and women like me. Women who resemble his long-dead wife. We all have that look, you see. I'm supposed to be flattered that I remind him of a goddess in an age gone by. Screw that. I'm furious. The ones who came before me were sweet, docile, compliant-just like her. But I'm not sweet. I'm not docile, and I will never be compliant. I am resilient. I am determined. I am not-drawn to him. I will survive this. I will survive him. My name is Nora Olsen, and I will not die here. To Love a God is a full-length standalone soft dark paranormal romance novel set in the Lily of the Valley universe.

Each book in the series can be read on its own, but characters will occasionally pop up in other stories. No cliffhangers. Always a happy ending-because even villains deserve a happily-ever-after.

Coastliners Dark Horse Comics

Seven o ' clock on a Monday morning, five hundred years after the end of the world, and goblins had been at the cellar again. . . . Not that anyone would admit it was goblins. In Maddy Smith ' s world, order rules. Chaos, old gods, fairies, goblins, magic,

glamours – all of these were supposedly vanquished centuries ago. But Maddy knows that a small bit of magic has survived. The “ ruinmark ” she was born with on her palm proves it – and makes the other villagers fearful that she is a witch (though helpful in dealing with the goblins-in-the-cellar problem). But the mysterious traveler One-Eye sees Maddy ' s mark not as a defect, but as a destiny. And Maddy will need every scrap of forbidden magic One-Eye can teach her if she is to

survive that destiny.

Beyond the Northlands

Simon and Schuster

When the exotic stranger

Vianne Rocher arrives in the old French village of

Lansquenet and opens a chocolate boutique called

“ La Celeste Praline ”

directly across the square

from the church, Father

Reynaud identifies her as a

serious danger to his flock. It

is the beginning of Lent: the

traditional season of self-

denial. The priest says

she ’ ll be out of business by

Easter. To make matters

worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone ’ s favourites, and her delightful confections.

Her shop provides a place, too, for secrets to be whispered, grievances aired.

She begins to shake up the rigid morality of the community. Vianne ’ s plans for an Easter Chocolate Festival divide the whole community. Can the

solemnity of the Church compare with the pagan passion of a chocolate é clair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: “ You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who

blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human. " Vianne and her young daughter Anouk, come into town on Shrove Tuesday. " Carnivals make us uneasy, " says Harris, " because of what they represent: the residual memory of blood sacrifice (it is after all from the word "carne" that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible. " The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (The English Patient) and Judi Dench (Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. " It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men... " The idea stuck, and Harris began thinking that " people have these conflicting feelings

about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate. ”

Rich with metaphor and gorgeous writing...sit back and gorge yourself on Chocolat.

The Testament of Loki Orion
The squabbling Norse gods and goddesses of Runemarks are back! And there's a feisty new heroine on the scene:

Maggie, a girl the same age as Maddy but brought up a world apart - literally, in World's End, the focus of the Order in which Maddy was raised. Now the Order is destroyed, Chaos is filling the vacuum left behind... and is breaching the everyday world. A chilling prophecy from the Oracle. A conflict between two girls. And with just twelve days to stave off the Apocalypse, carnage is about to be unleashed . . .

Jigs & Reels Weiser Books
Ragnarok was the End of Worlds. Asgard fell, centuries ago, and the old gods have been defeated. Some are dead,

while others have been consigned to eternal torment in the netherworld - among them, the legendary trickster, Loki. A god who betrayed every side and still lost everything, who has lain forgotten as time passed and the world of humans moved on to new beliefs, new idol and new deities . . . But now mankind dreams of the Norse Gods once again, the river Dream is but a stone's throw from their dark prison, and Loki is the first to escape into a new reality. The first, but not the only one to. Other, darker, things have escaped with him, who seek to destroy

everything that he covets. If he is to reclaim what has been lost, Loki will need allies, a plan, and plenty of tricks . . .

Five Quarters of the Orange
Simon and Schuster

In this carefully crafted novel, Boyne juxtaposes history and the buzz of the modern world, weaving together portraits of 1920s Hollywood, the French Revolution, the Wall Street Crash, and other landmark events into one man's story of murder, love, and redemption.

To Love a God Random House
A dark and intricately plotted tale of a poisonously dysfunctional family, a blind child prodigy, and a serial murderer who is not who he seems. Told through posts on

a webjournal called badguysrock, this is a thriller that makes creative use of all the multiple personalities, disguise and mind games that are offered by playing out a life on the internet.

Mischief Maker Random
House

Pagan Portals - Loki Simon and

Schuster

"The toymaker who wants to create the perfect wife; the princess whose heart is won by words, not actions; the tiny dog whose confidence far outweighs his size; and the sinister Lacewing King who rules over the Silken Folk. These are just a few of the weird and wonderful creatures who populate Joanne Harris's first collection of fairy tales"--

A Pocketful of Crows Dark
Horse Comics (Single Issues)
Presents a re-telling of the tales from Norse mythology. The Sabbath Worlds Crusade Games Workshop(uk)
Each of the twenty-two tales in this enchanting collection is a

surprise and a delight, melding the poignant and the possible with the outrageous, the magical, and, sometimes, the eerily haunting. Wolf men, dolphin women, defiant old ladies, and middle-aged manufacturers of erotic leatherwear -- in *Jigs & Reels* the miraculous goes hand in hand with the mundane, the sour with the sweet, and the beautiful, the grotesque, the seductive, and the disturbing are never more than one step away. Whether she's exploring the myth of beauty, the pain of infidelity, or the wonder of late-life romance, Joanne Harris

once again proves herself a master of the storyteller's trade. *Gentlemen and Players* John Hunt Publishing
An indispensable guide to the craft of writing and business of publishing from one of our bestselling and most versatile authors. One-time teacher and bestselling novelist Joanne Harris has been advising and corresponding with aspirational writers for over six years. This collection of pithy and funny lists of advice provides both hard-won wisdom and insider

industry help. All aspects of the writing process and story development are covered -- as is the thorny issue of how and where to find readers. From *Workspaces and Habits* to *Plot and Dialogue*, these are motivating, problem-solving lists from an experienced and widely respected writer. Uniquely, *Ten Things About Writing* also takes the reader beyond the stage of finished manuscripts and editorial changes -- into the territories of rights, publicity and marketing. Whether you

have the urge to write crime fiction or a fantasy novel, literary short stories or blockbuster thrillers Joanne's lists will speak to you. 'Joanne is not only master of her craft but has the rare gift of being able to explain that craft and offer peerless advice in the clearest, no-nonsense, practical and entertaining of ways.' Matt Haig '[Joanne Harris's] pithy, often very funny advice demystifies writing and the publishing industry for new and aspiring writers.' Cressida Cowell
Grave Danger Knopf Books

for Young Readers
