Feed the adventurer in you with *Origins of a Journey*, more than 120 stories of history's most famous travellers and their finest adventures. Inside each of us lives an explorer who yearns to visit the great unknown. Feed the adventurer in you with *Origins of a Journey*, more than 120 stories of history's most famous travellers and their finest adventures. These are the tales behind the history's bravest pioneers, bringing you from the ocean's black depths to the top of Mount Everest. Harriet Tubman ferries fugitive slaves along the Underground

Railroad—not once, not twice, but 19 times. Teddy Roosevelt risks life, limb, and sanity as he charts the Amazon's River of Doubt. Buoyed by the voice of God, Joan of Arc travels to Vaucouleurs to petition Charles for a chance to fight for France. Charles Darwin notices several different finch species while touring the Galápagos Islands, fundamentally changing how we understand life. Spanning from 500 BC to today, *Origins of a Journey* teaches us that there is always value in an adventure, no matter how small—or doomed—it may be.

In the bestselling tradition of Bill Bryson and Tony Horwitz, Rinker Buck's *The Oregon Trail* is a major work of participatory history: an epic account of traveling the 2,000-mile length of the Oregon Trail the old-fashioned way, in a covered wagon with a team of mules—which hasn't been done in a

century—that also tells the rich history of the trail, the people who made the migration, and its significance to the country. Spanning 2,000 miles and traversing six states from Missouri to the Pacific Ocean, the Oregon Trail is the route that made America. In the fifteen years before the Civil War, when 400,000 pioneers used it to emigrate West—historians still regard this as the largest land migration of all time—the trail united the coasts, doubled the size of the country, and laid the groundwork for the railroads. The trail years also solidified the American character: our plucky determination in the face of adversity, our impetuous cycle of financial bubbles and busts, the fractious clash of ethnic populations competing for the same jobs and space. Today, amazingly, the trail is all but forgotten. Rinker Buck is no stranger to grand adventures. The *New Yorker* described his first travel narrative, *Flight of Passage*, as “a funny, cocky gem of a book,” and with *The Oregon Trail* he seeks to bring the most important road in American history back to life. At once a majestic American journey, a significant work of history, and a personal saga reminiscent of bestsellers by Bill Bryson and Cheryl Strayed, the book tells the story of Buck's 2,000-mile expedition across the plains with tremendous humor and heart. He was accompanied by three cantankerous mules, his boisterous brother, Nick, and an “incurably filthy” Jack Russell terrier named Olive Oyl. Along the way, Buck dodges thunderstorms in Nebraska, chases his runaway mules across miles of Wyoming plains, scouts more than five hundred miles of nearly vanished trail on foot, crosses the Rockies, makes desperate fifty-mile forced marches for water, and repairs so many broken wheels and axels that he nearly reinvents the art of wagon travel itself. Apart from charting his own geographical and emotional adventure, Buck introduces readers to the evangelists, shysters, natives, trailblazers, and everyday dreamers who were among the first of the pioneers to make the journey west. With a rare narrative power, a refreshing candor about his own weakness and mistakes, and an extremely attractive obsession for history and travel, *The Oregon Trail* draws readers into the journey of a lifetime.

In May 1995, with nothing but a backpack and a vague sense of disquiet, Patrick Dobson left his home and a steady if deadening job in Kansas City, Missouri. Over the next two and a half months he made his way to Helena, Montana, letting chance encounters guide him to a deeper sense of who he was and where he was going. His chronicle of this journey charts his experiences with the seldom-seen people of the small towns, the far-flung outposts, and the Great Plains that make up "our America."

Olwen Mellory is called away from her life as a writer of fairy tales to take part in a week-long retreat on a remote Scottish island. 'The Great Journey' promises to be full of magical wisdom and visionary experiences. It's an invitation she can't resist. But within hours of arriving at the imposing Dunesfort House and meeting her companions in the circle, Olwen's adventure takes an unexpected turn. Before long, her daytime explorations of mystical practices are paired

with night-time dreams and phantasms that blur the line between the real and the imaginary. As the enigmatic but vaguely sinister course director asserts his authority in a bid to create an act of modern alchemy, Olwen begins to wonder in whom she can trust. After a shocking event in the circle Olwen flees across the moors to the Callanish Stones, only to find herself caught in an ancient moon rite. Will this final calling free her from her personal demons forever, or will it be the beginning of a new nightmare?

We are all on a journey through this life lead by what we think is that someone or something that centers us, even if its our own being. The road we choose is what makes the difference in us all. Good or bad, right or wrong, we decide for ourselves, and many times for our offspring and others, which road to take.

Sometimes the roads blur together or we find ourselves caught between the two and try to live in the middle. But ultimately we have to decide how we want to live and what it is we want out of this life. Figuring out what's the best way to get there can be challenging. But whenever we stand in need of real help we find ourselves calling out to that someone or something we have never seen, but certainly hope is there. Many times it is in those desperate times that we actually make our choice as to which road we want to travel.

A New American Journey Penguin Books

A riveting historical novel about John Doyle of Wicklow County, Ireland and his journey from a life of destitution to love and freedom in Canada. Many people are familiar with The Great Potato Famine that took place in Ireland during the mid-1800's, but few know the intimate and personal hardships and challenges that so many faced in an attempt to flee their homeland. Inspired by actual events and personal family history, this novel is a love story. Not the usual romantic love story between two people but a love story of a man that is so devoted to his family that he's willing to take extraordinary risks for them. The reader is taken on a courageous journey from County Wicklow, Ireland to Camden, Ontario, Canada. A sweeping and powerful epic adventure, A Journey in Time begins in nineteenth century Shillelagh, Ireland. At the onset of the epic disaster of the Great Potato Famine, John makes a promise to his dying father that he will leave Ireland, his destination the shores of Canada, his objective saving his family from starvation and disease. He must make the wrenching decision to leave his family behind in an Irish workhouse built for the destitute not knowing how he is going to accomplish his goal of finding land in Canada and bringing his family to safe shores. With profound determination and unswerving devotion to his family, John faces the future alone with grace and courage. Share with him the loves of his life and the unforgettable individuals that make John's journey possible in this epic story of love,

compassion, courage and determination that brings to life crucial and little-known chapters in Irish and Canadian history.

This book details the accounts of three expeditions into the interior of Virachey National Park in Ratanakiri Province of Northeastern Cambodia, as well as an excursion into the forests of Mondulhiri Province. The author and his Khmer-Lao and indigenous guides penetrate the remote canyons near the Laos border, a lost world of tropical jungles and remote grasslands that are known only to a handful of poachers and loggers. This book also describes the animist tribes who live on the park's periphery, including the Brao, Kreung, Tampuan and Bunong highlanders. This work of non-fiction is also concerned with the endangered wildlife that persists within the park's boundaries, such as tigers,

clouded leopards, leopards, Asiatic elephants, gibbons, douc langurs, hornbills, and much more. For those interested in the natural history and indigenous cultures of Cambodia and Southeast Asia -as well as the current threats to the region- this book will be of interest.

Like masterpieces of art, music, and literature, great mathematical theorems are creative milestones, works of genius destined to last forever. Now William Dunham gives them the attention they deserve. Dunham places each theorem within its historical context and

explores the very human and often turbulent life of the creator — from Archimedes, the absentminded theoretician whose absorption in his work often precluded eating or bathing, to Gerolamo Cardano, the sixteenth-century mathematician whose accomplishments flourished despite a bizarre array of misadventures, to the paranoid genius of modern times, Georg Cantor. He also provides step-by-step proofs for the theorems, each easily accessible to readers with no more than a knowledge of high school mathematics. A rare combination of the historical, biographical, and mathematical, *Journey Through Genius* is a fascinating introduction to a neglected field of human creativity. “It is mathematics presented as a series of works of art; a fascinating lingering over individual examples of ingenuity and insight. It is mathematics by lightning flash.” —Isaac Asimov

The Longest Journey is a bildungsroman by E. M. Forster, first published in 1907. It is the second of Forster's six published novels, following *Where Angels Fear to Tread* (1905) and preceding *A Room With A View* (1908) and *Howards End* (1910). It has a reputation for being the least known of Forster's novels[1], but was also the author's personal favourite and one of his most autobiographical.[2] It is the only one of Forster's novels not to have received a film or television adaptation
