"The voice of God is sounding in this world—the voice of God calling, seeking, beckoning to lost men and women!" — A. W. Tozer Our world is fallen - sick and sinful, says A. W. Tozer. But though God will ultimately be our Judge, He continues to call sinful people to repentance and salvation. In this series of sermon excerpts, Tozer elaborates on the voices God uses: the witness of the Holy Spirit, the blood of Jesus, human conscience, reason, accountability, judgement, and—of course—love. The voice of God calling ‘Where are you?’ still echoes from Eden and down through the ages. Do you hear Him?

ABOUT THE BOOK C.S. Lewis' *The Great Divorce* first appeared serially in the Anglican publication *The Guardian* in 14 installments from November 1944 to April 1945, the same publication that published Lewis' *The Screwtape Letters* in 1941. Influenced by Lewis' own experiences as a soldier in World War I and with World War II still raging at the time of its creation (it was written in 1943), *The Great Divorce* emerged at a time when the question of how a benevolent God could allow such unprecedented human suffering was on the minds of thinkers great and small. The title refers to Romantic poet, illustrator, and author William Blake and his work, *The Marriage of Heaven and Hell* (1790). Both works attempt to describe, in contemporary terms, the author's conception of a Christian Heaven and Hell. For Blake, the two are married as fluid parts of the same dynamic, unified order. Lewis presents their divorce, if not from an interrelationship then from the idea that there can be an afterlife in which one enjoys the best of both "If we insist on keeping Hell (or even Earth) we shall not see Heaven: if we accept Heaven we shall not be able to retain even the smallest and most intimate souvenirs of Hell." EXCERPT FROM THE BOOK Feeling miserable after his conversation with the Hard-Bitten Man, the narrator is plagued with doubt, wondering if the whole business of the bus trip is merely meant, as the Hard-Bitten man implied, for the angels to mock the damned. Troubled, he journeys on to a thick wood where he spies a Well-Dressed Woman trying to hide herself from an angel. The woman is ashamed of what she's wearing compared to the angels, and despite the angel's insistence it is of no consequence, she can't relinquish her vanity. The angel then blows a loud horn that summons a herd of enormous unicorns, shaking the ground with their stampede. The woman, frightened, screams and leaves, as does the narrator. In this chapter Lewis pokes fun at the rather flimsy vanity people (in this case a woman) cling to when they become ashamed to participate in something-even Heaven-because they don't feel they have something appropriate to wear for the occasion. "How can I go out like this among a lot of people with real solid bodies?," she asks. "It's far worse than going out with nothing on would have been on Earth. Have everyone staring through me." “ Catholicism takes a path less traveled in leading us to explore the faith through stories, biographies, and images. ” —Timothy M. Dolan, Archbishop of New York What is Catholicism? A 2,000-year-old living tradition? A worldview? A way of life? A relationship? A mystery? In *Catholicism* Father Robert Barron examines all these questions and more, seeking to capture the body, heart and mind of the Catholic faith. Starting from the essential foundation of Jesus Christ' s incarnation, life, and teaching, Father Barron moves through the defining elements of Catholicism—from sacraments, worship, and prayer, to Mary, the Apostles, and Saints, to grace, salvation, heaven, and hell. Whether discussing Scripture or the rose window at Notre Dame, he uses his distinct and dynamic grasp of art, literature, architecture, personal stories, theology, philosophy, and history to present the Church to the world. Paired with his documentary film series of the same title, *Catholicism* is an intimate journey, capturing “ The Catholic Thing ” in all its depth and beauty.
