**Great Fire Of London** Wayland  
The Great Fire of 1666 was one of the greatest catastrophes to befall London in its long history. While its impact on London and its built environment has been studied and documented, its impact on Londoners has been

overlooked. This book makes full and systematic use of the wealth of manuscript sources that illustrate social, economic and cultural change in seventeenth-century London to examine the impact of the Fire in terms of how individuals and communities reacted and responded to it, and to put the response to the Fire in the context of existing trends in early modern England. The book also explores the broader effects of the Fire in the rest of the country, as well as how the Great Fire continued to be an important polemical tool into the eighteenth century.

The Great Fire of London 350th Anniversary Turner Publishing Company  
Ways into History: The Great Fire of London looks at what happened that fateful night in 1666 and how it gave birth to a brand new London. It includes a timeline of the main events of the fire and restoration at the back of the book. In the Ways into History series, original illustrations and simple text bring the past alive, while questions and activities encourage historical research and

---

build up confidence and enthusiasm. The series encourages Key Stage 1 readers aged 5+ to begin to think like a historian and look for clues in descriptions and pictures that will help them answer questions about the past. The books include 'Talk About' sections that encourage readers to describe events or what people might have thought or felt at the time. Teaching and literacy notes help teachers and parents get the most out of the curriculum links in these books in a classroom or at home.

All About: The Great Fire Of London 1666 Franklin Watts  
Charlie and his class go on a school excursion to the Monument to learn about the Great Fire of London. Charlie and his friend Pierre open a door and travel back in time to 1666...

*The Great Fire Dogs* Franklin Watts  
2 SEPTEMBER 1666: 350 YEARS SINCE THE GREAT FIRE OF LONDON In the early hours of 2 September 1666 a small fire broke out in a bakery in Pudding Lane. In the five days that followed it grew into a conflagration that would devastate the third largest city in the Western world. This short edition is the essential guide to the Great Fire of London and includes first-hand descriptions from the diaries of Samuel Pepys and John Evelyn, as well as a gripping

account from renowned historian Adrian Tinniswood.  
*Charlie and the Great Fire of London* Wayland

This exciting story brings the tale of the great fire of London to life for young readers. When Will Farriner wakes to the sound of crackling flames and the smell of smoke, he knows something is terribly wrong! As his family escape the flames engulfing their bakery, Will realises he must stop the fire from spreading. But what can be done before all of London goes up in smoke? Full of adventure and danger, this short text is suitable for struggling readers but engaging enough to give confident readers a quick, fun read. Suitable for use in schools as guided reading texts or for reading independently.

*Vlad and the Great Fire of London Activity Book* Wayland  
First paperback edition, 1992; second printing [revised], 2006. Original French publication, 1989.

*The Great Fire of London* Bloomsbury Publishing

**The Great Fire of London**  
Wiley

The Great Fire of London in 1666 is one the most remembered events of British history. This book simply retells the events of the fire, from its start in Pudding Lane to the reconstruction of London by Christopher Wren when it was all over. It

considers how the wooden houses of the time allowed the fire to spread and how we know what happened from eyewitness accounts such as in Samuel Pepys' diary. **Start-Up History** is a series of 6 titles looking at everyday objects and events from their historical perspective and encourages readers to ask questions about what they can see on the page and how that might relate to their own experiences building skills and historical vocabulary. Perfect introductory history texts for 5-7 KS1 readers.

**The Great Fire of London**  
Random House

In 1666, London's citizens woke to see the skyline above their city's cramped wooden houses ablaze. **The Great Fire of London** is a hauntingly beautiful visual re-telling of one of the most well-known disasters in the city's history. To commemorate the 350th anniversary of the fire, powerful and sumptuous drawings from the new east London illustrator, James Weston Lewis, bring the events of November 1666 to life in this stunning gift book. Lewis's drawings take readers on a journey, from the single smouldering coal that falls out of the baker's oven to the swirling clouds of ash that engulf the city and then in to

the very heart of the fire itself. As the pages turn, you can witness London burning to the ground and then rebuilding again. Children will love examining the rich detail of each spread, from the detailed city map to the drawings of London before, during and after the fire took hold. This book takes the dramatic historical information surrounding the Great Fire of London and transforms it into a breathtaking story that will transfix readers of all ages.

**Vlad and the Great Fire of London**  
Franklin Watts

The Great Fire of London was the greatest catastrophe of its kind in Western Europe. Although detailed fire precautions and firefighting arrangements were in place, the fire raged for four days and destroyed 13,200 houses, 87 churches, and 44 of the City of London's great livery halls. The great fire of 1666 closely followed by the great plague of 1665; as the antiquary Anthony Wood wrote left London "much impoverished, discontented, afflicted, cast downe." In this comprehensive account, Stephen Porter examines the background to 1666, events leading up to and during the fire, the proposals to rebuild the city, and the progress of the five-year programme which followed. He places the fire firmly in context, revealing not only its destructive impact on London but also its implications for town planning, building styles, and fire precautions both in the capital and provincial towns.

Find out all about the Great Fire of London, in 1666 - what caused it, how it spread, how it was put out and how the city was rebuilt in its wake. A simple but comprehensive introduction to this key historical event.

The Essential Guide Ladybird Books

Acclaim for The Great Fire of London "Popular narrative history at its best, well researched, imaginatively and dramatically written. . . . The author marshals his story and his mass of contemporary quotations with great skill."

—Times Literary Supplement "The brilliance of its narrative chapters . . . a marvelous eye for evocative detail. Hanson 's prose is animated by the ferocious energy of the fire and seems to be guided by its inexorable movement. He creates the literary equivalent of the special effects in a disaster movie. . . . A rich mixture of imagination and research."

—The Daily Telegraph (London) "He writes with knowledge and verve. As if making a television documentary on a natural disaster, he includes a gripping technical chapter on the mechanism and chemistry of combustion. This works brilliantly. . . . The book gains immeasurably from the author's eye for detail and from his understanding of the beliefs and prejudices of the day. . . .

Informative and lively account." —The Sunday Times (London) "The best depiction of the Great Fire seen to date. . . . He manages to describe not only the atmosphere of the event itself, but also the experience of living in seventeenth-century Britain."

—Soho Independent "A riveting book for those who like their history with a bit of mystery." —The Brisbane News "A rollicking good yarn." —The Age (Melbourne) "Blends high-class original research with a narrative style that mimics fiction. . . . Horrific subjects have served this man well and he has a knack for plugging into the dark themes that run like molten rivers beneath our social veneer."

—New Zealand Herald "Neil Hanson 's descriptions of the inferno are like CNN reports from Kosovo." —Camden New Journal "It's not the technical data which makes the book so riveting though. It's the flair with which Hanson invests his account with qualities usually reserved for novels – narrative drive, persuasive character sketches, vivid scene stealing." —Sunday Star Times (New Zealand)

The Dreadful Judgement The Salariya Book Company  
Learn about the Great Fire of London with iMinds insightful knowledge series. Before the Great Fire, the City of London was filled with crowded, timber-framed buildings with thin, plaster

walls. Candles, rushlights, coals and fireplaces were omnipresent, and the risk of fire was paramount. The Great Fire of London is believed to have been started by the baker Thomas Farrynger shortly after midnight on Sunday, 2 September 1666, in his shop on Pudding Lane, just East of London Bridge. Within a few hours, the fire had spread rapidly, consuming Pudding Lane, Star Inn at Fish Street Hill and also part of Thames Street. For the next four days the fire raged, mercilessly consuming everything in its wake. Londoners were beside themselves trying to extinguish it. iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.
