Murder In the Meadow

Minotaur Books

Of all the criminal cases in which Philo Vance participated as an unofficial investigator, the most sinister, the most

bizarre, the seemingly most incomprehensible, and certainly the most terrifying, was the one that followed the famous Greene murders. The orgy of horror at the old Greene mansion had been brought to its astounding close in December; and after the Christmas holidays Vance had gone to Switzerland for the winter sports. Returning to New York at the end of February he had thrown himself into some literary work he had long had in mind—the uniform translation of the principal fragments of Menander found in the Egyptian papyri during the

early years of the present century; and for over a month he had devoted himself sedulously to this thankless task.

The Dragon Murder Case (A Philo Vance Detective Story) Read Books Ltd

Single mom Athena Spencer is back in Michigan working at her family 's garden center, raising a pet racoon, and digging up clues in the smart new mystery series by the New York Times bestselling author of the Flower Shop Mysteries . . . The entire

family has been put to work when a big fat Greek wedding rehearsal is booked at the Parthenon. All hands are needed for rolling grape leaves, layering moussaka, and keeping the bride calm. But then the groom goes MIA and there 's far more to worry about than just whether Yiayia 's lemon rice soup has gone cold. No matter how tangy the tzatziki, everyone 's appetite is ruined when the groom is found dead, a pair of scissors planted in his

back. When the bride accuses Athena's sister Selene, a hairstylist, of seducing and stabbing her fiancé, it's all-out war—and it's up to Athena to dig up the dirt on the suspects and nip these suspicions in the bud . . . “ Kate Collins delivers an entertaining, amusing, and deliciously suspenseful mystery. ” —Cleo Coyle, New York Times bestselling author *The Kennel Murder Case* Musaicum Books This early work by S. S. Van Dine was originally

published in 1928 and we are now republishing it with a brand new introduction. 'The Bishop Murder Case' is one of Van Dine's novels of crime and mystery. S. S. Van Dine was born Willard Huntington Wright in Charlottesville, Virginia in 1888. He attended St. Vincent College, Pomona College and Harvard University, but failed to graduate, leaving to cultivate contacts he had made in the literary world. At the age of twenty-one, Wright began his professional writing career as literary editor of

the Los Angeles Times. In 1926, Wright published his first S. S. Van Dine novel, *The Benson Murder Case*. Wright went on to write eleven more mysteries. The first few books about his upper-class amateur sleuth, Philo Vance, were so popular that Wright became wealthy for the first time in his life. His later books declined in popularity as the reading public's tastes in mystery fiction changed, but during the late twenties and early thirties his work was very successful. *The Greene Murder Case*

Ulverscroft Large Print Books Moran Press
"In this work of nonfiction, Elon Green reports on a series of baffling and brutal crimes. The victims of the serial murderer dubbed the 'Last Call Killer' were all gay men, and Green tries to shine a light onto their complicated lives and the queer community in New York City in the 1980s and 1990s as well. Peter Stickney Anderson was the first of the known victims"-- Adapted from the publisher's description.
A Philo Vance Week-end

Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is "part murder case, part corruption exposé, and part Louisiana noir" (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the

Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings' class-divided neighborhoods. The Jeff Davis 8 had been among society's most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit

motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed?

Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours delivering a true crime tale that is "mesmerizing" (Rolling Stone) and "explosive" (Huffington Post). "Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real

life" (The New York Times). "A must-read for true-crime fans" (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost. **Philo Vance** Leonaur Limited Nominated for an Edgar Award for Best First Novel! When Archer Coe, a collector of Chinese ceramics, is found dead in his bedroom with the door bolted on the inside, everybody from the district attorney to the medical examiner regards it as suicide. But detective Philo Vance suspects a sinister and carefully crafted murder. Although the circumstances surrounding the death of Archer Coe are so mysterious and contradictory that for

a time no solution seems possible, the brilliant Philo Vance brings the case to an unexpected but satisfying conclusion in the end. *The Kennel Murder Case*, first published in 1933, moves swiftly with one mystery following another until the clever resolution. It is considered one of the best of Philo Vance novels in the series for its interesting characterization and gripping action and suspense. *Murder in the*

"Under internal investigation for corruption, Oxfordshire DI Hillary Greene is fighting to save her career. When a body is found in the canal, she knows she's only been given the case as it's a straightforward matter of accidental death. But when her

investigation points to murder, she realises this is much bigger than anyone expected. .
.
A narrow escape
Scribner
Meet DI Hillary Greene, a police woman fighting to save her career. A would-be politician is found battered to death in the kitchen. His wife's alibi is full of holes and there's another woman in the background. And what about his seemingly

mild-mannered political rival? DI Hillary Greene tries to get to the bottom of this perplexing murder. She certainly doesn't think the prime suspect is as guilty as everyone thinks. Just as she'd about to make a breakthrough, everything is turned upside down by a fatal development in another case she is working on... Can Hillary find the murderer and will she survive a brush with one of Oxford's most dangerous criminals?

This early work by S. S. Van Dine was originally published in 1939 and we are now republishing it with a brand new

introduction. 'The Winter Murder Case' is one of Van Dine's novels of crime and mystery. S. S. Van Dine was born Willard Huntington Wright in Charlottesville, Virginia in 1888. He attended St. Vincent College, Pomona College and Harvard University, but failed to graduate, leaving to cultivate contacts he had

made in the literary world. At the age of twenty-one, Wright began his professional writing career as literary editor of the Los Angeles Times. In 1926, Wright published his first S. S. Van Dine novel, The Benson Murder Case. Wright went on to write eleven more mysteries. The first few books about his upper-

class amateur sleuth, Philo Vance, were so popular that Wright became wealthy for the first time in his life. His later books declined in popularity as the reading public's tastes in mystery fiction changed, but during the late twenties and early thirties his work was very successful.

The Greene Murder

Case The Greene Murder Case
Brilliant amateur sleuth Philo Vance solves a puzzling murder in one of the most influential detective novels of the twentieth century
All of Wall Street and Manhattan high society is abuzz after playboy stockbroker Alvin Benson is discovered dead in his brownstone mansion, slumped over in an easy chair with a

bullet in his head. The man's body is found in a room locked from the inside, and his head is missing the toupee that usually adorned it. Ballistics experts, detectives, and the NYPD's top brass can't solve the crime, but luckily they don't have to: New York's leading flaneur and art connoisseur, Philo Vance, is on the case, and he's got precisely the far-

flung and esoteric knowledge needed to interpret the clues and determine whodunnit. By carefully examining the crime scene and reconstructing the deadly shooting, Vance determines a number of things about the murderer, including his or her height—and this is only the first of many deductive feats that he will pull off before the investigation comes

to a close. But will he be able to pierce the alibi of the true killer and prove their guilt beyond a reasonable doubt? The first novel in one of the most influential detective series of the early twentieth century, *The Benson Murder Case* introduces iconic amateur sleuth Philo Vance with a plot loosely based on the true-life murder of a famous bridge player. Its aristocratic

Golden Age New York setting, obscure art cultural references, and devilishly complicated puzzle make this a must-read for nostalgia buffs and for anyone who appreciates a classic mystery. *The Greene Murder Case* Wildside Press LLC
The Greene Murder Case by S. S. Van Dine
Philo Vance takes a hand when, in an evening, one daughter of the Greene family is shot to death and another one is

wounded. The family comprises two sons and three daughters (the youngest, Ada, is adopted) under the rule of their mother, a bedridden invalid who spends her days feeling sorry for herself and cursing her ungrateful children. The family is required to live in the Greene mansion under the terms of their father's will. The German cook seems strangely attached to the adopted daughter, and other hangers-on include the mother's physician, who is courting Sibella Greene, and the enigmatic butler. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope

that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Winter Murder Case

(A Philo Vance Detective Story)

Ulverscroft

John Banville's

stunning powers of mimicry are

brilliantly on display in this engrossing

novel, the darkly compelling confession

of an improbable murderer. Freddie

Montgomery is a highly cultured man, a

husband and father living the life of a

dissolute exile on a Mediterranean island.

When a debt comes due and his wife and child

are held as

collateral, he returns to Ireland to secure funds. That pursuit leads to murder. And here is his attempt to present evidence, not of his innocence, but of his life, of the events that lead to the murder he committed because he could. Like a hero out of Nabokov or Camus, Montgomery is a chillingly articulate, self-aware, and amoral being, whose humanity is painfully on display.

In the second volume

of the Leonaur's complete Philo Vance Murder Cases we join the famous New York detective at the family mansion where the Greene family is definitely not playing 'Happy Families'. In fact the numbers of the Greene family soon begin to be reduced in the most extreme way. Not surprisingly this, the third Vance story is called the 'Greene Murder Case' and more Greenes will die before the case is solved. The fourth story-'The Bishop Murder

Case'-draws its inspiration from children's nursery rhymes. First to die is Christopher Robbin, who just like the Cock Robin is found pierced with an arrow. New York District Attorney Markham knows there is just one man qualified to solve a case this complex, but more characters are doomed to die-including one with allusions to 'Mother Goose'-before Philo Vance can solve the case.
