*The Guns of August* National Geographic Books  
Tuchman turns to America with a fresh new view of the events that led from the first foreign salute to the American Nationhood in 1776 to the last campaign of the Revolution five years later--the moment that inaugurated the existence of a new nation, and announced the coming of a democratic age to the Old World. 8 pages of color, 8 pages of photos, 7 maps.

**The Proud Tower**

Bantam

In the summer of 2008, a conflict that appeared to have begun in the breakaway Georgian territory of South Ossetia rapidly escalated to become the most significant crisis in European security in a

decade. The implications of the Russian-Georgian war will be understood differently depending on one's narrative of what transpired and perspective on the broader context. This book is designed to present the facts about the events of August 2008 along with comprehensive coverage of the background to those events. It brings together a wealth of expertise on the South Caucasus and Russian foreign policy, with contributions by Russian, Georgian, European, and American experts on the region.

The Boardgamer magazine

---

was a quarterly magazine devoted primarily, but not exclusively, to the coverage of Avalon Hill / Victory Games titles and to other aspects of the boardgaming hobby. Initially, The Boardgamer's publication ran concurrently with Avalon Hill's house magazine, The General, but instead of focusing on new releases, it devoted coverage to those classic, Avalon Hill games which no longer graced the pages of The General. Following the cessation of The General in June 1998, The Boardgamer was the primary periodical dedicated to the titles from AH/VG, until its final issue in 2004. The contents of this volume consists of:

Obstacles On The Rocky Road To Kingmaking - New Cards For Kingmaker A Three Hour Tour - An Analysis of the Victory In The Pacific Sea Areas Battle Cry - An Introduction to the Hasbro / Avalon Hill Game The Napoleonic Wars - As a Six (or More) Player Game Jutland In The Mediterranean - Germans, Austrians, British and French Maharaja Rules Adjustments - Addressing Game Imbalance The Tao Of Panzerblitz / Panzer Leader - Utility / Psychology in a Game System AREA Ratings Calculations - The Formulas Behind The Ratings Insert: Kingmaker Replacement and Variant Card Decks Insert: Countersheet for Jutland Scenario Enemy In Sight - Expansion Rules Top Guns: Dauntless Analysis - An Evaluation of Fighter Aircraft in Air Force and Dauntless A Tour Of The Magic Realm - Villains, Maps, Magic & Activity March Madness - Men's and Women's Teams Down With The Queen! - Evening The Odds In B-17: Queen Of The Skies Flame Tanks And Other New Units - In Panzerblitz / Panzer Leader Yeah!!! the war and changing the course of history. The story of how this happened and the incalculable consequences are thrillingly told in Barbara Tuchman's brilliant exploration. 'A most exciting book, full of vivid pen portraits and curious episodes' Sunday Times 'As thrilling as a John Buchan novel' The Times Literary Supplement 'Its 200 pages are worth more than all the thrillers and whodunits of the fiction writers put together' Herald 'A fine exciting book told with intense drama. A thriller of real life' Observer 'Brilliant. Told with great literary and dramatic talent' New York Times Book Review Barbara Tuchman achieved prominence as a historian with The Zimmerman Telegram and international fame with the Pulitzer-Prize winning The Guns of August. She is also the author of The Proud Tower, Stilwell and the American Experience in China (also awarded the Pulitzer Prize), A Distant Mirror and The March of Folly. She died in 1989. The Guns of August and The Proud Tower are published by Penguin.

The Guns of August Little, Brown  
From Barbara W. Tuchman, Pulitzer Prize – winning author of The Guns of August, comes history through a wide-angle lens: a fascinating chronicle of Britain's long relationship with Palestine and the Middle East, from the ancient world to the twentieth century. Historically, the British were drawn to the Holy Land for two major reasons: first, to translate the Bible into English and, later, to control the road to India and access to the oil of the Middle East. With the lucidity and vividness that characterize all her work, Barbara W. Tuchman follows these twin spiritual and imperial motives—the Bible and the sword—to their seemingly inevitable endpoint, when Britain conquered Palestine at the conclusion of World War I. At that moment, in a gesture of significance and solemnity, the Balfour

---

Declaration of 1917 established a British-sponsored mandate for a national home for the Jewish people. Throughout this characteristically vivid account, Tuchman demonstrates that the seeds of conflict were planted in the Middle East long before the official founding of the modern state of Israel. Praise for Bible and Sword “ Tuchman is a wise and witty writer, a shrewd observer with a lively command of high drama. ” —The Philadelphia Inquirer “ In her m é tier as a narrative popular historical writer, Barbara Tuchman is supreme. ” —Chicago Sun-Times

The publishers weekly  
National Geographic Books  
'War pressed against every frontier. Suddenly dismayed, governments struggled and twisted to fend it off. It was no use . . .'  
Barbara Tuchman's

universally acclaimed, Pulitzer prize-winning account of how the first thirty days of battle determined the course of the First World War is to this day revered as the classic account of the conflict's opening. From the precipitous plunge into war and the brutal and bloody battles of August 1914, Tuchman shows how events were propelled by a horrific logic which swept all sides up in its unstoppable momentum. 'Fascinating, splendid, glittering. One of the finest works of history.' New York Times 'Excellent.' Wall Street Journal 'Brilliant, exciting.' Washington Post 'Brilliant . . . grips the mind.' New Yorker 'A brilliant achievement.' Sunday Telegraph  
The Guns of August Barbara

W. Tuchman: The Guns of August, The Proud Tower (LOA #222)

Lucid examination of the critical moves of August, 1914--the carefully-planned strategies, first bloody clashes, and shocking realizations of prolonged battles

The Boardgamer Volume 9  
Macmillan Publishing Company

"Nothing can stop an enemy from picking wireless messages out of the free air - and nothing did. In England, Room 40 was born . . . ' In January 1917, with the First World War locked in terrible stalemate and America still neutral, German Foreign Secretary Arthur Zimmerman gambled the future of the conflict on a single telegram. But this message was intercepted and decoded in Whitehall's legendary Room

40 - and Zimmerman's audacious scheme for world domination was exposed, bringing America into the war and changing the course of history. The story of how this happened and the incalculable consequences are thrillingly told in Barbara Tuchman's brilliant exploration."

The Scribner Encyclopedia of American Lives: 1986-1990 Yale University Press

The fourteenth century was a time of fabled crusades and chivalry, glittering cathedrals and grand castles. It was also a time of ferocity and spiritual agony, a world of chaos and the plague.

Here, Barbara

Tuchman masterfully reveals the two contradictory images of the age, examining the great rhythms of history and the grain and texture of domestic life as it was lived- what childhood was like; what marriage meant; how money, taxes and war dominated the lives of serf, noble and clergy alike. Granting her subjects their

---

loyalties, treacheries and guilty passions, Tuchman recreates the lives of proud cardinals, university scholars, grocers and clerks, saints and mystics, lawyers and mercenaries, and, above all, knights. The result is an astonishing reflection of medieval Europe, a historical tour de force.

**Making War on the World**  
Random House

Offers detailed profiles of fifty Jewish women who have played a key role in world history, including women from every walk of life, from biblical figures to modern-day activists, including Ruth, Anne Frank, Betty Friedan, Gold aMeir, Emma Lazarus, Emma Goldman, Barbra Strisand, and others.

**Notes from China** Random House

“ A tremendous tale of hushed and unhushed uproars in the linked fields of war and diplomacy ” (The New York Times), from the Pulitzer Prize – winning author of *The Guns of August* In January 1917, the war in Europe was,

at best, a tragic standoff. Britain knew that all was lost unless the United States joined the war, but President Wilson was unshakable in his neutrality. At just this moment, a crack team of British decoders in a quiet office known as Room 40 intercepted a document that would change history. The Zimmermann telegram was a top-secret message to the president of Mexico, inviting him to join Germany and Japan in an invasion of the United States. How Britain managed to inform the American government without revealing that the German codes had been broken makes for an incredible story of espionage and intrigue as only Barbara W. Tuchman could tell it. *The Proud Tower*, *The Guns of August*, and *The Zimmermann Telegram* comprise Barbara W. Tuchman ' s classic histories of the First World War era.  
Bookseller Random House

---

The first volume in William Manchester's masterful, magnum opus account of Winston Churchill's life. *The Last Lion: Visions of Glory* follows the first fifty-eight years of Churchill's life--the years that mold him into the man who will become one of the most influential politicians of the twentieth century. In this, the first volume, Manchester follows Churchill from his birth to 1932, when he began to warn against the re-militarization of Germany. Born of an American mother and the gifted but unstable son of a duke, his childhood was one of wretched neglect. He sought glory on the battlefields of Cuba, Sudan, India, South Africa and the trenches of France. In Parliament he was the prime force behind the creation of Iraq and Jordan, laid the groundwork for the birth of Israel, and negotiated the independence of the Irish Free State. Yet, as Chancellor of the Exchequer he plunged England into economic crisis, and his fruitless attempt to suppress Gandhi's quest for Indian independence brought political chaos to Britain. Throughout, Churchill learned the lessons that would prepare him for the storm to come, and as the 1930's began, he readied himself for the coming battle against Nazism--an evil the world had never before seen.

The Proud Tower, the Pulitzer Prize – winning The Guns of August, and The Zimmermann Telegram comprise Barbara W. Tuchman's classic histories of the First World War era Cyclopaedia of World Authors Random House "An interesting and at times surprising account of Churchill's tastes as a reader...many of [these] nuggets will be new even to Churchill junkies." —TheWall Street Journal This strikingly original book introduces a Winston Churchill we haven't known before. Award-winning author Jonathan Rose explores

Churchill's careers as statesman and author, revealing the profound influence of literature and theater on Churchill's personal, carefully composed grand story and the decisions he made throughout his political life. In this expansive literary biography, Rose provides an analysis of Churchill's writings and their reception (he won the Nobel Prize for Literature in 1953 and was a best-selling author), and a chronicle of his dealings with publishers, editors, literary agents, and censors. The book also identifies an array of authors who shaped Churchill's own writings and politics: George Bernard Shaw, H. G. Wells, Margaret Mitchell, George Orwell, Oscar Wilde, and many more. Rose investigates the effect of Churchill's passion for

---

theater on his approach to reportage, memoirs, and historical works. Perhaps most remarkably, Rose reveals the unmistakable influence of Churchill ' s reading on every important episode of his public life, including his championship of social reform, plans for the Gallipoli invasion, command during the Blitz, crusade for Zionism, and efforts to prevent a nuclear arms race. Finally, Rose traces the significance of Churchill ' s writings to later generations of politicians—among them President John F. Kennedy as he struggled to extricate the U.S. from the Cuban Missile Crisis. “ Immensely enjoyable... This gracefully written book is an original and textured study of Churchill ' s imagination. ” —The Washington Post

Barbara W. Tuchman, the Pulitzer Prize – winning author

of the classic *The Guns of August*, turns her sights

homeward with this brilliant, insightful narrative of the

Revolutionary War. In *The First*

*Salute*, one of America ’ s consummate historians crafts a

rigorously original view of the American Revolution. Barbara

W. Tuchman places the Revolution in the context of the

centuries-long conflicts between England and both France and

Holland, demonstrating how the aid to the American colonies of

both these nations made the triumph of independence

possible. She sheds new light on the key role played by the

contending navies, paints a magnificent portrait of George

Washington, and recounts in riveting detail the decisive

campaign of the war at Yorktown. By turns lyrical and

gripping, *The First Salute* is an exhilarating account of the birth

of a nation. Praise for *The First Salute* “ Nothing in a novel

could be more thrilling than the moment in this glorious history

when French soldiers arrive [to] see a tall, familiar figure: George

Washington. . . . It is only part of Tuchman ’ s genius that she can

reconstitute such scenes with so much precision and

passion. ” —People “ Tuchman

---

writes narrative history in the great tradition. . . . A persuasive book, which brings us entertaining pictures, scenes and characters. ” —Chicago Tribune  
“ [A] tightly woven narrative, ingeniously structured. ” —The Christian Science Monitor  
The Proud Tower Columbia University Press  
Writing with a clarity, grace, and novelistic sweep rare among historians, Barbara W. Tuchman (1912-1989) distilled the complex interplay of personalities and events into gripping narratives that fuse rigorous scholarship with elegant literary art. An astute portraitist, she brilliantly laid bare the all-too-human failures of leaders subject to the pull of historical currents and prone, often tragically, to the ingrained biases of culture and temperament. Her Pulitzer Prize-winning best seller *The Guns of August* (1962) offers a majestic orchestration of the diplomatic and military history of the crucial first weeks of World War I. Tuchman's observations about the irrational escalation of conflict made a deep impression

on President John F. Kennedy and influenced his actions during the Cuban Missile Crisis; fifty years later, *The Guns of August* remains an exemplary study of events propelled headlong by their own internal logic and momentum. Some of Tuchman's finest writing is contained in her following book, *The Proud Tower: A Portrait of the World before the War, 1890-1914* (1966), a fascinating kaleidoscope of eight precisely drawn essays on subjects ranging from international socialism and anarchism to the Dreyfus Affair in France and the birth of American imperialism that collectively set the stage for the cataclysm of 1914. Presented in one volume for the first time and released to mark Tuchman's centennial year and the fiftieth anniversary of the publication of *The Guns of August*, here is a vivid, indelible panorama of an epoch in transition. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation ' s literary heritage by publishing, and keeping

---

permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Last Lion: Volume 1

Presidio Press

The state bounds politics: it constructs and enforces boundaries that separate what it controls from what lies outside its domain. However, states face a variety of threats that cross and challenge their geographical and conceptual boundaries. Transnational violent actors that transcend these boundaries also defy the state's claims to political authority and legitimacy.

Mark Shirk examines historical and contemporary state responses to transnational violence to develop a new account of the

making of global orders. He considers a series of crises that plagued the state system in different eras: golden-age piracy in the eighteenth century, anarchist

“propagandists of the deed” at the turn of the twentieth, and al-Qaeda in recent years. Shirk argues that states redraw conceptual boundaries, such as between “international” and “domestic,” to make sense of and defeat transnational threats. In response to forms of political violence that challenged boundaries, states developed creative responses that included new forms of control, surveillance, and rights. As a result, these responses gradually made and transformed the state and global order. Shirk draws on extensive archival research and interviews with policy makers and experts, and he explores the implications for understandings of state formation. Combining rich

---

detail and theoretical insight,  
Making War on the World  
reveals the role of pirates,  
anarchists, and terrorists in  
shaping global order.
