Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in a stunning graphic novel form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series adaptation Stephen King’s *The Dark Tower: The Gunslinger*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland’s troubled past and ongoing saga is revealed. Sumptuously drawn by Richard Isanove, Sean Phillips, Luke Ross, and Michael Lark, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *The Gunslinger* adaptation is an extraordinary and terrifying journey—ultimately serving as the perfect introduction for new readers to Stephen King’s modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures transformed from his blockbuster novels. Now near death following a vicious attack by the Slow Mutants, Roland Deschain is taken in by a group of nuns who specialize in anything but the healing arts. These hideous, corpse-like creatures—the Little Sisters of Eluria—have murder on their twisted minds. And in his current condition, there’s almost nothing that the last gunslinger can do to prevent their tender mercies from taking hold....

From the author of *The Five People You Meet in Heaven* and *Tuesdays with Morrie*, a new novel that millions of fans have been waiting for. “Every family is a ghost story . . .” This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he’d had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own. *For One More Day* Marvel

In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

The second book in Stephen King’s Bill Hodges trilogy (*Mr. Mercedes*, *Finders Keepers*, *End of Watch*)—now an AT&T Audience Original Series! “Stephen King’s superb stay-up-all-night thriller is a sly tale of literary obsession that recalls the themes of his classic 1987 novel *Misery*” (The Washington Post)—the #1 New York Times bestseller about the power of storytelling, starring the same trio of unlikely and winning heroes Stephen King introduced in *Mr. Mercedes*. “Wake up, genius.” So announces deranged fan Morris Bellamy to iconic author John Rothstein, who once

created the famous character Jimmy Gold and hasn’t released anything since. Morris is livid, not just because his favorite writer has stopped publishing, but because Jimmy Gold ended up as a sellout. Morris kills his idol and empties his safe of cash, but the real haul is a collection of notebooks containing John Rothstein’s unpublished work...including at least one more Jimmy Gold novel. Morris hides everything away—the money and the manuscripts no one but Gold ever saw—before being locked up for another horrific crime. But upon Morris’s release thirty-five years later, he’s about to discover that teenager Pete Saubers has already found the stolen treasure—and no one but former police detective Bill Hodges, along with his trusted associates Holly Gibney and Jerome Robinson, stands in the way of his vengeance... Not since *Misery* has Stephen King played with the notion of a reader and murderous obsession, filled with “nail biting suspense that’s the hallmark of [his] best work” (Publishers Weekly).

This set collects three novels. 'The Gunslinger' introduces the hero Roland, who must reach the Dark Tower in order to save his universe, Mid-World. There are passageways between our world and Mid-World, and a New York City boy named Jake gets shoved in front of a car by Jack Mort ('death'), is killed, and finds himself alive in Roland's world. He becomes Roland's surrogate son. In book 2, 'The Drawing of the Three', Roland is attacked by marvelous, poisonous 'lobstrosities' and enters our world for help. He takes heroin addict Eddie Dean from 1987 New York and Odetta Holmes from 1964 New York as his team. In a powerful time-tripping scene, Roland confronts Jack Mort and actually changes Jake's Earth history, which has heady implications for Roland's world. In 'The Waste Lands', book 3, Roland and company get ensnared in a civil war in the urban waste of Lud, acquire a delightful talking pet named Oy the Bumbler, and find themselves captives of a psychotic train called Blaine the Mono.
