The Kelly clan had hoped for a better lot in

Australia than in Ireland. In the new colony, however, they found themselves once again destined to lives of poverty, rejection and powerlessness. With their dream of dignity, freedom and land denied them, some succumbed, others rebelled. Since his death in the old Melbourne Gaol on 11 November 1880, Ned Kelly has become a part of the land and its memories. In this evocative, imaginative recreation of the Kelly story, John Molony unravels the tangled skein of a life over which legend has cast a spell.

I Can't Make This Up Princeton University Press  
In this exceptional biography, Canter Brown, Jr., removes Ossian Bingley Hart (1821-1874), a Unionist who was the principal founder of the Republican Party in Florida and a Reconstruction-era governor of the state, from the shadows of history. Through an examination of Hart's life and career, Brown offers new insight into the political problems of the day - the role of Unionism in Deep South politics in particular - and enriches our understanding of the complexities of Reconstruction. Few people have heard of Ossian Bingley Hart. Within two decades after his death, the flame of his memory flickered dimly even in his own state. Yet Hart had numbered among the region's leading men of his time, contributing to it as a frontier settler, legislator, prosecutor, civic leader, entrepreneur, jurist, and politician. In an engaging narrative style, Brown portrays the complex circumstances by which Hart, a son of one of Florida's largest slaveholders, emerged from the Civil War as an ardent advocate of civil rights for freedmen

and later successfully served as the Republican governor of that Deep South state. Brown traces Hart's life from his privileged childhood in the newly founded port town of Jacksonville, through his service as a volunteer soldier in the Second Seminole War, his education in South Carolina, and the dawn of his legal and political career on Florida's Atlantic frontier, to his election as governor in 1872 and his premature death sixteen months later. As he tells Hart's story, Brown explores numerous previously neglected facets of Florida history, including the advancement of settlement on the peninsular frontier, the experience of Armed Occupation Act pioneers on the lower Southeast coast, cosmopolitan life at Key West during the 1840s and 1850s, and the impact of the Civil War on Florida's southwest prairies, rivers, and Gulf Coast. Brown's multifaceted biography offers a rare glimpse at the persistence of Loyalism in the post-Civil War South. It also clearly illustrates the pivotal role played by both Loyalists and African Americans in southern politics of that era and how these two groups merged

classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. She'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without.

GARRISON'S CREED Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a sniper's rifle, he has questions she can't answer. Why was she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines,

---

bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. When a disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them.

**WESTIN'S CHASE** Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only

answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for helping Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. Jared must risk his life to save her--the woman whose bravado and surprising sweetness has given him the one thing he never had. Love.

**GAMBLED** Brock Gamble's epic fall from the Titan Group labeled him a traitor, then his wife walks out the door. Can the couple survive if the only chance of redemption is a fall further into a

This volume contains books 10-12 in London Lovett's Port Danby Cozy Mystery series. Join Lacey 'Pink' Pinkerton and the cast of colorful, lovable Port Danby characters—including the endearing and handsome Detective James Briggs—for three intriguing murder mysteries.

-Sunflowers and Sabotage (Book 10)  
Lacey "Pink" Pinkerton is in the middle of a bustling summer in Port Danby. Les

and Elsie, her neighboring shop owners are up to their usual sibling rivalry antics. Lola's parents make a rare stop in town, causing a rift between Lacey's best friend, Lola, and her shop assistant, Ryder. In the midst of it all, Lacey is starkly reminded that her boyfriend, Detective James Briggs, has a dangerous job. And of course, summer in Port Danby wouldn't be complete without a murder. When a human handler in the Chesterton Dog Show, a very popular and prestigious event, winds up dead, Lacey and her wondrous nose must track down a killer . . . without her usual handsome partner. -Lavender and Lies (Book 11) There's a new man in town, Lionel Dexter, an eligible,

---

handsome bachelor who has taken up residence in a Chesterton mansion. He quickly wins over many hearts, including Kate Yardley's, the stylish, man crazy owner of the Mod Frock Boutique. Much to everyone's chagrin, it turns out Lionel is quite the scoundrel. Soon, jealousy and heartbreak flood the town. When the town's newest hot commodity winds up dead, Lacey joins her boyfriend, Detective Briggs on a quest to find the killer. Could it be a jilted lover or was there more to Lionel than broad shoulders, graying temples and a blinding white smile? -Freesias and Foul Play (Book 12) Port Danby residents, including grumpy Mayor Price, are giddy with the prospect of a live theater show in town. Everyone dons their best outfits for opening night of The Wizard of Oz but when the lead actress is found dead, an exciting night out morphs into a full-blown murder mystery. The traveling theater group has brought many new faces to town and finding the killer proves tricky. Despite a head cold, Lacey's super nose is on the case. Marcus is NOT happy to be stuck in after-school film class . . . until he realizes he can turn the story of the cartoon superhero he's been drawing for years into an actual MOVIE! There's just one problem: he has no idea what he's doing. So he'll need help, from his friends, his teachers, Sierra, the strong-willed classmate with creative dreams of her own, even Tyrell, the local bully who'd be a perfect movie villain if he weren't too terrifying to talk to. Making this movie won't be easy. But as Marcus discovers, nothing great ever is—and if you want your dream to come true, you've got to put in the hustle to make it happen. Comedy superstar Kevin Hart teams up with award-winning author Geoff Rodkey and lauded illustrator David Cooper for a hilarious, illustrated, and inspiring story about bringing your creative goals to life and never giving up, even when nothing's going your way.

*Unbroken Hart* Backstage Books

Known as the Great Compromiser, Henry Clay earned his title by addressing sectional tensions over slavery and forestalling civil war in the United States. Today he is still regarded

---

as one of the most important political figures in American history. As Speaker of the House of Representatives and secretary of state, Clay left an indelible mark on American politics at a time when the country's solidarity was threatened by inner turmoil, and scholars have thoroughly chronicled his political achievements. However, little attention has been paid to his extensive family legacy. In *The Family Legacy of Henry Clay: In the Shadow of a Kentucky Patriarch*, Lindsey Apple explores the personal history of this famed American and examines the impact of his legacy on future generations of Clays. Apple's study delves into the family's struggles with

physical and emotional problems such as depression and alcoholism. The book also analyzes the role of financial stress as the family fought to reestablish its fortune in the years after the Civil War. Apple's extensively researched volume illuminates a little-discussed aspect of Clay's life and heritage, and highlights the achievements and contributions of one of Kentucky's most distinguished families.

Golden Age of Broadway: Moss Hart. In Moss Hart: A Prince of the Theater, biographer Jared Brown offers a meticulously researched, sensitive look at the life and work of a major American artist." "More than just an assessment of Hart's career, this is a personal portrait as well. Despite his enormous success in both theatre and film, Hart spent all of his adult life in psychoanalysis, attempting to come to grips with a crushing depression. He was rumored to be bisexual, and this book examines the evidence for that claim. When he married, in his forties, he and his wife, the actress-singer Kitty Carlisle, were said by Hart's friend and collaborator Alan Jay Lerner to be "not only an ideal couple, [but] the ideal couple."" "This is the first biography to be written with the full

cooperation of Hart's family and friends. Author Jared Brown had access to documents (such as Hart's diary) previously unavailable to biographers, and conducted lengthy interviews with Hart's wife and children, as well as with some of the most prominent performers he worked with, such as Julie Andrews, Gregory Peck, Eddie Albert, and Roubert Goulet. This long-awaited biography, featuring dozens of never-before-published photographs, is truly the definitive picture of an extraordinary man and a theatrical giant."--BOOK JACKET.
