James Hastings is the body double for a famous white rapper called Ghost. When his wife Stacy dies in a hit and run, Hastings quits his lucrative post luring away obsessive fans and the tabloid press to allow the real Ghost some post-concert space and safety.

The Haunting Of James Hastings: Amazon.co.uk: Christopher ...

The Haunting of James Hastings starts out as if it was going to go that way, but ended up somewhere else completely. Mostly it is reminiscent of those brilliant horror movies that are ruined in the last 20 minutes by an ending that doesn't make sense with what has gone before or that takes inexplicable liberties with our well-earned understanding of the characters and their motives thus far.
