Sixteen year old Lane Speer spends her family vacations camping in the mountains, taking the memories for granted until she loses her father to an unexpected bout with cancer. One year later, as Lane is still reeling from her father's death, her mother remarries a guy who Lane hardly knows. To top it off, he's a Mormon. Worst of all, while her mom and new stepdad are on their honeymoon, they arrange to have her stay with her Mormon step-aunt who takes her to a bible-themed girls camp with a bunch of Mormon girls. Confronted with memories of camping with her family, Lane tries to find peace with her new surroundings as she deals with the death of her father.

Mallory didn't want to leave home, but it wasn't safe to stay. So she sleeps at her best friend's house and spends the rest of her time at the library, doing her online schoolwork and figuring out what comes next. Because she's not going live in fear like her mother. Spencer volunteers at the library. Sure, it's community service for a stunt he pulled, but he likes the work. And it's the perfect escape from his parents' pressure to excel at school, at ice hockey, at everything. Especially after he meets Mallory. Then there is a tragic death at the library. Suddenly, what was once a sanctuary turns sinister. Ghostly footprints, strange scratching sounds, scrawled messages on bulletin boards and walls... Mallory and Spencer don't know who or what is responsible, but one thing is for sure: They are not as alone—or as safe—as they thought.

The Shadow Prince Gibbs Smith
New York Times bestselling author Joyce Carol Oates’s strongest and most unsparing novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of Foxfire: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the Foxfire girls together. Foxfire reaffirms Joyce Carol Oates’s place at the very summit of American writing.

Apolonia "Lina" Flores is a sock enthusiast, a volleyball player, a science lover, and a girl who's just looking for answers. Even though her house is crammed full of books (her dad's a bibliophile), she's having trouble figuring out some very big questions, like why her dad seems to care about books more than her, why her best friend's divorced mom is obsessed with making cascarones (hollowed eggshells filled with colorful confetti), and, most of all, why her mom died last year. Like colors in cascarones, Lina's life is a rainbow of people, interests, and unexpected changes. In her first novel for young readers, Diana López creates a clever and honest story about a young Latina girl navigating growing pains in her South Texan city.

Minesweeper (Special Forces, Book 2) Simon and Schuster
When a self-centered famous movie star builds a mansion near her family's diner in an isolated part of Florida, twelve-year-old Honey develops a friendship with the younger daughter that helps Honey realize how special her own family is.

Never That Far Yearling
For the teens at The Haven, the outside world, just beyond the towering stone wall that surrounds the premises, is a dangerous unknown. It has always been this way, ever since the hospital was established in the year 2020. But The Haven is more than just a hospital; it is their home. It is all they know. Everything is strictly monitored: education, exercise, food, and rest. The rules must be followed to keep the children healthy, to help control the Disease that has cast them as Terminals, the Disease that claims limbs and lungs—and memories. But Shiloh is different; she remembers everything. Gideon is different, too. He dreams of a cure, of rebellion against the status quo. What if everything they've been told is a lie? What if The Haven is not the safe place it claims to be? And what will happen if Shiloh starts asking dangerous questions? Powerful and emotional, The Haven takes us inside a treacherous world in which nothing is as it seems. "Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel, and you have an idea of what Carol Lynch Williams has done for early teen readers." (Audrey Coulumbis, author of the Newbery Honor Book Getting Near to Baby)
The Family St. Martin's Griffin

"When twelve-year-old Libby's grandfather dies of a heart attack, it's up to her--and his spirit--to find a way to help her father overcome his grief and for their family to find peace."--
Messenger Harper Collins
Haden Lord, the disgraced prince of the Underrealm, has been sent to the mortal world to entice a girl into returning with him to the land of the dead. Posing as a student at Olympus Hills High—a haven for

children of the rich and famous—Haden must single out the one girl rumored to be able to restore immortality to his race. Daphne Raines has dreams much bigger than her tiny southern Utah town, so when her rock star dad suddenly reappears, offering her full tuition to Olympus Hills High's prestigious music program, she sees an opportunity to catch the break she needs to make it as a singer. But upon moving into her estranged father's mansion in California, and attending her glamorous new school, Daphne soon realizes she isn't the only student in Olympus who doesn't quite belong. Haden and Daphne—destined for each other—know nothing of the true stakes their fated courtship entails. As war between the gods brews, the teenagers' lives collide. But Daphne won't be wooed easily, and when it seems their prophesied link could happen, Haden realizes something he never intended—he's fallen in love. Now to save themselves, Haden and Daphne must rewrite their destinies. But as their destinies change, so do the fates of both their worlds. A pulsating romance of epic proportions, Bree Despain's *The Shadow Prince* will leave her fans breathless for the next book in the Into The Dark series.

Living with their mother who earns money as a prostitute, two sisters take care of each other and when the older one attempts suicide, the younger one tries to uncover the reason.

Relic Master Simon and Schuster
Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

The Godmothers Peachtree Publishers
In a devastated world where ancient relics possess advanced powers, Master Galen and his sixteen-year-old apprentice, Raffi, enter the ruined city of Tasceron seeking a relic that could save the world while evading the Watch.

A Mother to Embarrass Me Penguin
Now that Laura is 12 years old, she realizes that everything about her mother is totally embarrassing. Like the way she yodels at the top of her lungs while she works (okay, she calls it singing). And plays really old music so loud the neighbors can hear (can't she listen to normal music?). And walks around in clay-covered pajamas (yes, she is a sculptor, but still . . .). But things are about to get much, much worse. Laura has noticed that her mother is getting a little bit, well, fat. Then one night over dinner (at a restaurant, since she almost burned down the house trying to cook), her mother announces that she's going to have a baby. Now all the neighbors, including the gorgeous boy Laura has a crush on, will know her parents have been doing it. Maybe even in the house! There must be some way Laura can change her mother before her own life is completely, utterly ruined!

NOW INCLUDING A BRAND-NEW EPILOGUE! There are some things you can't leave behind... In If You Find Me by Emily Murdoch, a broken-down camper hidden deep in a national forest is the only home fifteen year-old Carey can remember. The trees keep guard over her threadbare existence; the one bright spot is Carey's younger sister, Jenessa, who depends on Carey for her very survival. All they have is each other, as their mentally ill mother comes and goes with greater frequency. Until that one fateful day their mother disappears for good, and two strangers arrive. Suddenly, the girls are taken from the woods and thrust into a bright and perplexing new world of high school, clothes and boys. Now, Carey must face the truth of why her mother abducted her ten years ago, while haunted by a past that won't let her go... a dark past that hides many a secret, including the reason Jenessa hasn't spoken a word in over a year. Carey knows she must keep her sister close, and her secrets even closer, or risk watching her new life come crashing down.

For as long as she can remember, Sarah’s family life has revolved around her twin sister, Annie—the pretty one, the social one, the girl who can do anything. The person everyone seems to wish Sarah—with her crippling shyness—could simply become. When Annie suddenly chops off her hair, quits beauty pageants, and gains weight, the focus changes—Annie is still the star of the family, but for all the wrong reasons. Sarah knows something has happened, but she too is caught in her own spiral after her boyfriend breaks up with her and starts hanging out with one of Annie’s old friends. Annie is intent on keeping her painful secret safe. But when she and Sarah start spending time together again for the first time in years, walls start to break on both sides ... and words that had been left unsaid could change everything.

Unconventional Warfare (Special Forces, Book 1) Penguin
A Southern charmer for fans of Newbery Honor book Three Times Lucky by Sheila Turnage Audrey Coulumbis's masterful debut novel brings to mind Karen Hesse, Katherine Paterson, and Betsy Byars's The Summer of the Swans—it is a story you will never forget. Willa Jo and Little Sister are up on the roof at Aunt Patty's house. Willa Jo went up to watch the sunrise, and Little Sister followed, like she always does. But by mid-morning, they are still up on that roof, and soon it's clear it wasn't just the sunrise that brought them there. The trouble is, coming down would mean they'd have to explain, and they just can't find the words. This is a funny, sometimes heartbreaking, story about sisters, about grief, and about healing. Two girls must come to terms with the death of their baby sister, their mother's unshakable depression, and the ridiculously controlling aunt who takes them in and means well but just doesn't understand children. Willa Jo has to try and make things right in their new home, but she and Aunt Patty keep butting heads. Until the morning the two girls climb up to the roof of her house. Aunt Patty tries everything she can think of to get them down, but in the end, the solution is miraculously simple. Christmas in Heaven Little, Brown Books for Young Readers

Just like any average seventeen-year-old, Twig loves her family. She has a caring mother and a controlling father. Her brothers and sisters are committed to her family's prosperity... All one hundred eighty-three of them. Twig lives in the Family, a collective society located in the rainforest of Costa Rica. Family members coexist with values of complete openness and honesty, and they share a fear of contagious infection in the outside world. Adam—their Father, prophet, and savior—announces that Twig will be his new bride, and she is overjoyed and honored. But when an injury forces her to leave the Family compound, Twig finds that the world outside is not as toxic as she was made to believe. And then she meets Leo, an American boy with a killer smile, and begins to question everything about her life within the Family and the cult to which she belongs. But when it comes to Family, you don't get a choice. Praise for *The Family*:

"Fascinating and chilling, *THE FAMILY* takes you past the armed guards of a secluded compound where individualism is punished, technology is forbidden, and a charismatic leader plays God through terror and control. The novel's relentless plot and vividly drawn characters will suck you in, but be warned: once you're in the Family, it's almost impossible to escape." —Anna Schumacher, author of *End Times*

"Eerie and suspenseful, Kennerson gives us a fascinating look into the psychology of cults and the meaning of Family." —Bianca Turetsky, author of *The Time-Traveling Fashionista*
