The Hidden Women: An inspirational historical novel about sisterhood The Rosen Publishing Group, Inc

Jane Milton--divorced and deeply in debt--has reluctantly returned to the remote boarding school of her youth, this time to teach, but the long-buried secrets of her past will not be easy to escape. During their senior year, Jane and her friends Kat and Lissa obsessed over their English teacher, Miss Pymstead, convinced of her involvement in an unsolved murder. As the obsession escalated, it took a tragic turn. The only record of their misdeeds was a secret manuscript that disappeared without a trace--until the story resurfaces in an assignment turned in by Jane's least favorite student. Jane scrambles to unravel the mysteries, but can she keep her own secrets buried as she unearths even darker, long-hidden truths? Revised edition: This edition of *Academy Girls* includes editorial revisions.

Girls in Contemporary Vampire Fiction Thomas & Mercer

The Experimental Book Object shows why and how books matter in the 21st century. Digital and audio platforms are commonplace, and other fields of art beyond literature have increasingly embraced books and publication as their medium of choice. Nevertheless, the manifold book object persists and continues to inspire various types of experimentation. This volume sets forth an unprecedented approach where literary and media theory are entangled with design practitioners' artistic research and process descriptions. By probing the paradigm of the codex, this collection of essays focuses on historical and contemporary experimentation that has challenged what books are and could be from the perspectives of materiality, mediation, and visual and typographic design. Investigations into less-studied areas and cases of performativity demonstrate what experimental books do by interacting with their systemic and cultural environments. The volume offers a multifaceted and multidisciplinary view of the book object, the book design and publishing processes, and their significance in the digital age.

Free of Me Cambridge Scholars Publishing

The first time you see them, out for an evening walk on the cliffs, you'll think they're the perfect family. You'll see a wife who looks so happy, strolling peacefully beside her husband in his dark winter coat, holding her daughter's hand. But you have no idea what's really happening in their house... If you come a little closer you might hear the way the man speaks to his wife. You might notice that the woman doesn't have any close friends. That sometimes her husband doesn't want her to leave the house. You might wonder if that's a scar her beautiful daughter is hiding on her neck. When you read the local newspaper and hear the news that the wife has fallen from the cliffs, you'll question whether it was really an accident at all. And when the husband starts dating someone new -- a woman with the same long dark hair and big blue eyes as his wife -- will you say something this time? Because someone has to protect the little girl and stop history from repeating itself. And it may already be too late. A thrilling and twisty tale, *His Hidden Wife* will keep you up all night, desperate to race through to its final conclusion. Readers of *Gone Girl*, *The Couple Next Door* and *Lisa Jewell* will be hooked. What readers are saying about *His Hidden Wife*: 'A real rollercoaster of suspense, lies & twists. One of the best psychological thrillers I've read this year. I made my mind up many times, only to be proven wrong each time. The last 30 pages had me almost holding my breath.' @raena_reads, 5 stars 'This book is a highly addictive, fast-paced read indeed!... I read this book in one day... in the end something very shocking was revealed! Do not hesitate when it comes to reading this book! Goodreads reviewer, 5 stars 'Gasp... yes this book made me gasp out loud!!!! What a great ride. Pulls you in like nothing else. One of the best books that I have read this year. It's over but I don't want it to be.' Goodreads reviewer, 5 stars 'A book to put on your must-have list!... What an absolutely amazing read!... You'll be racing to the last page... In addition to this five-star read being little intense with a high level of anticipation, it's also full of uncertainty, anxiety and rounded out with nerve-wracking tension.' Goodreads reviewer, 5 stars 'I double dare you to try to figure this

thriller out!... This mind-blowing thriller by Clarke should be the 1st to-be-read thriller of 2021 for you! You will not regret it.' Nicki's Book Blog, 5 stars 'A rollercoaster of twists.' NetGalley reviewer, 5 stars 'An excellent psychological thriller. I was so impressed by its fast pace but original plot... I highly recommend this book.' NetGalley reviewer, 5 stars 'Wowwww this one was fantastic!!!!... A knockout! The characters were fantastic and this was such a good thrill.' Simply Murt, 5 stars 'One word, brilliant! This book had so many twists I felt dizzy and loved every single minute of it! Another fabulous psychological thriller that had me gripped from page one, and just as I thought I had the plot figured out, another plot twist happened.' Goodreads reviewer, 5 stars 'Keeps you guessing from page one... You cannot help but try to figure out who to sympathise with and who is at fault. Trust me though, you will be shocked when it is not at all what it seems.' Goodreads reviewer, 5 stars 'Wow, this book has definitely given me all the feels and kept me awake far too late at night. I literally haven't been able to put this one down... This is completely unique to anything else I have read, the plot has captivated me and this is a book I have devoured in just one sitting.' Little Miss Book Lover 87, 5 stars

The Memorykeepers: Gendered Knowledges, Empires, and Indonesian American History Zorba Books

FBI Special Agent Ella Dark has studied serial killers from the time she could read, devastated by the murder of her own father. Her encyclopedic knowledge of killers, though, is put to the test when a woman barely escapes from the car of a serial killer, and Ella compares it to past cases. But this killer may just be determined to do the one thing Ella never anticipates: to stray from his predecessors. "A MASTERPIECE OF THRILLER AND MYSTERY. Blake Pierce did a magnificent job developing characters with a psychological side so well described that we feel inside their minds, follow their fears and cheer for their success. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re *Once Gone*) *GIRL, HUNTED* (An Ella Dark FBI Suspense Thriller) is book #3 in a long-anticipated new series by #1 bestseller and USA Today bestselling author Blake Pierce, whose bestseller *Once Gone* (a free download) has received over 1,000 five star reviews. FBI Agent Ella Dark, 29, is given her big chance to achieve her life's dream: to join the Behavioral Crimes Unit. Ella's hidden obsession of gaining an encyclopedic knowledge of serial killers has led to her being singled out for her brilliant mind, and invited to join the big leagues. But this killer knows more than he should, and he's determined to outsmart her. The deadly game of cat and mouse that follows leaves Ella wondering: do her talents have a limit? Has she finally met her match? A page-turning and harrowing crime thriller featuring a brilliant and tortured FBI agent, the *ELLA DARK* series is a riveting mystery, packed with suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Future books in the series are also available! *Academy Girls* Taylor & Francis

An investigative journalist uncovers a hidden custom in Afghanistan that will transform your understanding of what it means to grow up as a girl. "An astonishingly clear picture of this resourceful, if imperfect, solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions." --The Boston Globe In Afghanistan, a culture ruled almost entirely by men, the birth of a son is cause for celebration and the arrival of a daughter is often mourned as misfortune. A bacha posh (literally translated from Dari as "dressed up like a boy") is a third kind of child—a girl temporarily raised as a boy and presented as such to the outside world. Jenny Nordberg, the reporter who broke the story of this phenomenon for the New York Times, constructs a powerful and moving account of those secretly living on the other side of a deeply segregated society where women have almost no rights and little freedom. The *Underground Girls of Kabul* is anchored by vivid characters who bring this remarkable story to life: Azita, a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy; Zahra, the tomboy teenager who struggles with puberty and refuses her parents' attempts to turn her back into a girl; Shukria, now a married mother of three after living for twenty years as a man; and Nader, who prays with Shahed, the undercover female police officer, as they both remain in male disguise as adults. At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America's longest war. Divided into four parts, the book follows those born as the unwanted sex in Afghanistan, but who live as the socially favored gender through childhood and puberty, only to later be forced into marriage and childbirth. The *Underground Girls of Kabul* charts their dramatic life cycles, while examining our own history and the parallels to subversive actions of people who live under oppression everywhere.

The Hidden Child Crown

Joss Whedon has created numerous TV series, movies, comics and one sing-along-blog, all of which focus on societal problems in the metaphorical guise of monsters-of-the-week and over-arching big-bads. The present work examines structural violence through interdimensional law firm Wolfram & Hart's legal representation of evil. We explore the limits of consent through the Rossum Corporation's coercion and manipulation. We rehearse the struggle to find meaningful freedom from the crew of *Serenity*. This book traces a theme of anarchist theory through the multiple strings of the Whedonverse--all of his works show how ordinary heroes can unite for the love of humanity to save the world from hierarchy and paternalism.

The Stillwater Girls McFarland

Trailblazing women working in digital arts media and education established the Midwest as an international center for the artistic and digital revolution in the 1980s and beyond. Foundational events at the University of Illinois and the School of the Art Institute of Chicago created an authentic, community-driven atmosphere of creative expression, innovation, and interdisciplinary collaboration that crossed gender lines and introduced artistically informed approaches to advanced research. Interweaving historical research with interviews and full-color illustrations, *New Media Futures* captures the spirit and contributions of twenty-two women working within emergent media as diverse as digital games, virtual reality, medicine, supercomputing visualization, and browser-based art. The editors and contributors give voice as creators integral to the development of these new media and place their works at the forefront of social change and artistic inquiry. What emerges is the dramatic story of how these Midwestern explorations in the digital arts produced a web of fascinating relationships. These fruitful collaborations helped usher in the digital age that propelled social media. Contributors: Carolina Cruz-Niera, Collen Bushell, Nan Goggin, Mary Rasmussen, Dana Plepys, Maxine Brown, Martyl Langsdorf, Joan Truckenbrod, Barbara Sykes-Dietz, Abina Manning, Annette Barbier, Margaret Dolinsky, Tiffany Holmes, Claudia Hart, Brenda Laurel, Copper Giloth, Jane Veeder, Sally Rosenthal, and Lucy Petrovic.

Christmas Stories Of Joy - 50 Short Stories Kindle Edition Baker Books

A heart-warming story about family secrets and one woman's escape to dreamy Sandy Cove on the stunning west coast of Ireland. The picturesque beach of Wild Rose Bay is the last place Lydia Butler thought she'd be. But having just lost everything, the run-down cottage she inherited from her Great Aunt Nellie is the only place she can take her daughter, Sunny. Hidden away in a tiny Irish village, she can protect Sunny from the gossip in Dublin, and the real reason they have nowhere else to live... The cottage is part of the old coastguard station and other eccentric residents are quick to introduce themselves when Lydia arrives. Lydia instantly feels less alone, fascinated by the stories they have about Nellie, and she's charmed by American artist, Jason O'Callaghan, the mysterious man who lives next door. But the longer Lydia relaxes under the moonlit sky, the more the secret she's keeping from Sunny threatens to come out. And as she finds herself running into Jason's arms, she knows she must be honest and face up to the past she has tried to forget. Has she finally found people who will truly accept her, or will the truth force her to leave the cottage for good? Will transport you to Ireland to relax on the shore and stare at the perfect emerald waters. The *Lost Girls of Ireland* is perfect for readers of *Debbie Macomber*, *Sheila O'Flanagan* and *Mary Alice Monroe*. This novel can be enjoyed as a standalone. What readers are saying about *The Lost Girls of Ireland*: 'OMG! OMG!! I cannot remember the last time I was so gutted to come to the end of a book!! I absolutely fell in love and it genuinely felt like I was packing my bags and being whisked away from my Irish holiday... Absolutely gorgeous!!!!... an absolutely stunning, heart-warming romance that will have you heading off to Ireland in the blink of an eye.' Bookworm 86, 5 stars 'Truly touched my heart. Impossible to put down, this moving story kept me tapping the screen of my Kindle deep into the night until I reached the heart-warming conclusion... a stellar read, one that will be with me for a long while.' Robin Loves Reading, 5 stars 'This fabulous story is a rapid page-turner. It will whisk you away to the great Irish Sea. I absolutely loved this unputdownable read... it was phenomenal, loved it.' Reviews by Caroline, 5 stars 'A lovely read. This heart-warming story set in the West Coast of Ireland is just delightful... I devoured it in days and was sad to say goodbye to characters who felt like friends. The descriptions of Sandy Cove made me wish I could jump on a plane and experience Wild Rose Bay for myself.' NetGalley reviewer, 5 stars 'Perfect... like slipping my feet into handmade shoes -- the fit was spot on, and I don't know how I haven't read any of Susanne O'Leary's books before... made me feel the wind in my hair, and I could even smell the salt from the Wild Atlantic sea without leaving my living room... a wonderfully, brilliant story.' Book-mad-mum, 5 stars 'A heart-warming tale... A beautiful clean romance and wonderfully uplifting tale of second chances and starting over... we need more places like Sandy Cove where people are not judged by what they have, but rather by who they are and how they treat others.' Goodreads reviewer 'Wonderful... I just loved it.' NetGalley reviewer, 5 stars 'Lovely book. A hope-filled read about the power of reinvention and second chances... Susanne O'Leary transported me to this lovely place where the villagers are accepting for who you are not for what you have. This is a story of heart and soul and is highly recommended.' NetGalley reviewer

The Girls' Book of Secrets Frontline Books

She's scared. She's hungry. She's exhausted. How much longer can she hold on? Randi Lewis is a month into seventh grade, and things definitely aren't going as planned. After a terrible sixth-grade year, she was hoping to really turn her life around. But the same old problems are still haunting her: Bullying, middle school girl drama, teachers who don't want her around, an incarcerated father, an abusive mother, acute poverty, a home with no food... Just to name a few... But after her life is threatened during a late-night home invasion, Randi is left with a choice: Finally open up and seek help or add one more thing to a long list of painful secrets. As she struggles with the choice, she knows she can't take much more before she finally breaks... Written by a public school educator, this book is a touching, entertaining, "I read it in one sitting"-worthy look at the issues of childhood trauma and adverse childhood experiences. Read the book series that readers tout as a "must read for all students, parents, and teachers." You'll laugh, you'll cry, you'll emerge with a new perspective and a fresh empathy. Get it today. You'll be glad you did.

The Experimental Book Object BRILL

Child soldiers remain poorly understood and inadequately protected, despite significant media attention and many policy initiatives. This Research Handbook aims to redress this troubling gap. It offers a reflective, fresh and nuanced review of the complex issue of child soldiering. The Handbook brings together scholars from six continents, diverse experiences, and a broad range of disciplines. Along the way, it unpacks the life-cycle of youth and militarization: from recruitment to demobilization to return to civilian life. The overarching aim of the Handbook is to render the invisible visible – the contributions map the unmapped and chart new directions. Challenging prevailing assumptions and conceptions, the Research Handbook on Child Soldiers focuses on adversity but also capacity: emphasising the resilience, humanity, and potentiality of children affected (rather than 'afflicted') by armed conflict.

Righteous Gentiles HarperCollins UK

"How will I raise my son to be different? This question gripped Washington Post investigative reporter Emma Brown, who was at home nursing her six-week-old son when the #MeToo movement erupted. In search of an answer, Brown traveled around the country, through towns urban and rural, affluent and distressed. In the course of her reporting, she interviewed hundreds of people--educators, parents, coaches, researchers, men, and boys--to understand the challenges boys face and how to address them. What Brown uncovered was shocking: 23% of boys believe men should use violence to get respect; 22% of an incoming college freshman class said they had already committed sexual violence; 58% of young adults said they've never had a conversation with their parents about respect and care in sexual relationships. Men are 4 times more likely than women to die by suicide. Nearly 4 million men experience sexual violence each year. Emma Brown connects the dots between educators, researchers, policy makers and mental health professionals in this tour de force that upends everything we thought we knew about boys"--adapted from back cover.

To Raise a Boy A&C Black

Following the end of the First World War, many countries experienced economic decline. Unemployment, high inflation, low wages and poor working conditions led to widespread unrest. This manifested itself in the rise of powerful militaristic leaders, first in Italy where fascism was born, and then in Germany and elsewhere. The policies of the likes of Mussolini and Hitler were hugely popular, and fascism was seen by many as a viable political alternative to democracy. To some degree, these ideals also gained traction in the UK where some individuals in and among the elite of British society believed fascism was the way forward for the country. This is fully explored in Hitler's British Nazis which traces the evolution of extreme right-wing opinion from the turn of the century right through to the end of the Second World War. In particular it looks at the way British fascism developed its own

character due to Britain having been on the winning side during the First World War. Early fascist movements of the 1920s are analyzed including the fascist tendencies of the Suffragette Movement. The book then traces the way in which domestic politics and the dire economic situation of the early 1930s created a political vacuum that was filled by Oswald Mosley and his Blackshirt Movement. Throughout the 1930s right-wing sympathisers looked to Hitler's Germany rather than to Mussolini's Italy for inspiration. Some members of aristocratic and political elites, many with virulent anti-Semitic views, saw in German fascism a template for Britain to build on but remained wilfully blind to the excesses of the Nazi regime that were getting worse by the day. The book looks at the way in which Nazi Germany was depicted in the press and how powerful press barons, many of whom were pro-German and supported Chamberlain's appeasement policies, were able to influence public opinion. The role of the Mitford sisters, Unity in particular, is explored in detail as is the influence of the Cliveden Set under the leadership of the Astors and perhaps most interesting of all is the role played by King Edward VIII and Wallis Simpson as they flirted unashamedly with fascism and threatened to take Britain down a very different path to that which it took after the abdication. York Notes for GCSE: An Inspector Calls Kindle edition Pearson UK

Ebony has always known that she is different. Her violet eyes mark her out, and her protective parents have kept her in a gorgeous valley, home-schooled, safe from everything - almost as if she's being hidden. But she's changing: glowing, getting more and more beautiful, and stronger than anyone knows. Ebony can't stay hidden for ever, and when she meets complicated, intense Jordan, something explodes inside her - something that can be seen from the heavens; something that changes everything. Ebony is a stolen angel, concealed on Earth. Now the heavens have found her, they want her back.

Devouring Cultures Baker Books

Dorothy Fujita-Rony's The Memorykeepers: Gendered Knowledges, Empires, and Indonesian American History, examines the importance of women's memorykeeping, for two Toba Batak women whose twentieth-century histories span Indonesia and the United States, H.L. Tobing and Minar T. Rony.

The Underground Girls of Kabul Blake Pierce

Five authors wrote the book; each completed a chapter and sent it to the next in rotation. They did not confer with each other but managed to seamlessly blend the story together to the unexpected conclusion. Something strange is going on in Queens, New York where children are being kidnapped with only a blue velvet bag and a wooden cross left behind. Is it a sign that the children are still alive? No one knows. Some think so. Amber's husband, a billionaire of old money who owns a famous winery tells Amber Rose he cremated their baby girl because he didn't want her to be upset by seeing her dead. Was she dreaming? Or is her baby girl alive and kidnapped? This mystery has many twists and turns and will keep you guessing throughout the book ? until the very end. You may think you know who the kidnapper is, and then you may be wrong too.

Joss Whedon, Anarchist? Bold Type Books

We live in a culture that's all about self, becoming the best "me" I can be instead of becoming like Jesus. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than "project me" will cherish this paradigm-shifting message of true fulfillment.

His Hidden Wife University of Arkansas Press

"Esther Zimmer Lederberg's research revealed the unique features of bacterial sex. In the decade leading up to the discovery of the DNA double helix, she collaborated with her husband, Joshua Lederberg, to establish the new field of bacterial genetics. The impressive series of achievements by team Lederberg included: the discovery of [lambda] bacteriophage; the discovery of the first plasmid known as the F-factor; the demonstration that viruses carry bacterial genes between bacteria, and fundamental properties of bacterial sex. The Lederbergs' successful collaboration earned Joshua the 1958 Nobel Prize, which he shared with two of Esther's mentors, George Beadle and Edward Tatum. Esther Lederberg's contributions, however, were overlooked by the Nobel committee, an example of institutional discrimination known as The Matilda Effect. Esther Lederberg should have been recognized for inventing Replica Plating, an elegant technique that she originated by re-purposing her compact makeup pad as a kind of ink stamp for conveniently transferring bacterial colonies from one Petri dish to another. Instead, the credit for the invention -still in use today, 70 years

later-is given to her famous husband, or, at best, to Dr. and Mrs. Lederberg"--
