The History of the Siege of Lisbon - Wikipedia

When Raimundo Silva, a lowly proofreader for a Lisbon publishing house, inserts a negative into a sentence of a historical text, he alters the whole course of the 1147 Siege of Lisbon.

Fearing censure he is met instead with admiration: Dr Maria Sara, his voluptuous new editor, encourages him to pen his own alternative history.

The History Of Siege Lisbon

Raimundo Silva is a long-time proof-reader for a local press in Lisbon. He is proofing a scholarly history of the siege of Lisbon in 1147 in which the Christians eventually won the town back from the Moors who had held it for three centuries. The story itself is classic Portuguese history, known by school children.

Siege of Lisbon - Wikipedia

The History of the Siege of Lisbon is a multi-layered and complex story that questions historiography and all its attendant problems. Saramago casts his inscrutable eye over the practise and in his inimitable way questions what would happen if a single word were to be omitted from a historical record..

In 1147, Afonso I, King of Portugal, "the Conqueror", achieved the greatest victory of his career, the capture of Lisbon.

He was aided by groups of Flemish, French, German, Norman, and English...

The History of the Siege of Lisbon by José Saramago

Battle of Lisbon. The Muslims launched a sortie and burned the siege engines. Thereafter the fighting almost stopped as the crusaders settled down to a blockade. On 21 October, the garrison agreed to surrender on condition they were allowed to march out freely. The gates of Lisbon were opened four days later.
