Now available in a new edition, this wonderful tour of the Holy Land has been thoroughly revised, expanded, and brought up to date. Perfect for travelers (not least those of the armchair variety), this concise, readable, and even witty book offers both an authoritative look at the history, art, architecture, and archaeological aspects of the region, and expert advice on how to find the sites and monuments of the greatest interest to the visitor. The Holy Land takes the reader from Stone Age caves and the grandiose buildings of Herod the Great, to Roman Roads, Byzantine churches, Crusader fortifications, and beautifully decorated Mameluke houses. Murphy-O'Connor--who has spent twenty years guiding tourists in the Middle East--offers detailed instructions on various routes that will encourage the traveler to venture off the beaten path, and provides the latest information on the most recent excavations, complete with detailed site plans and maps. For the visitor to a region rich in history and religious tradition the guide is indispensable; for the casual reader, it offers hours enjoyment right at home.

How do archaeologists unearth the daily life of people from Jesus ' s time? Contrary to popular belief, archaeology of first-century Roman Galilee is not about illustrating or proving the

Gospels, drawing timelines, or hunting treasure. Rather, it is about understanding the lives of people, just like us, who lived in the time of Jesus. How do we understand Jesus and his mission as part of a larger world? How do we interpret material culture alongside textual evidence from the Gospels? How do we know where and how to dig? James Riley Strange teaches students how to address these problems in this essential textbook. Drawing on professional experience as a scientific archaeologist in Israel, Strange explains current methodology for ground surveying, excavating evidence, and interpreting data. Excavating the Land of Jesus is the ideal guide for students seeking answers in the dirt of the Holy Land.

Ireland is a country rich in archaeological sites. Ireland: An Oxford Archaeological Guide provides the ultimate handbook to this fascinating heritage. Covering the entire island of Ireland, from Antrim to Wexford, Dublin to Sligo, the book contains over 250 plans and illustrations of Ireland's major archaeological treasures and covers sites dating from the time of the first settlers in prehistoric times right up to the seventeenth century. The book opens with a useful introduction to the history of Ireland, setting the archaeological material in its wider historical context, and then takes the reader on an unparalleled journey through the major sites and places of interest. Each chapter focuses on a particular geographical region and is introduced by a useful survey of the history and geography of the region in question. This is followed by detailed

descriptions of the major archaeological sites within each region, arranged alphabetically and including travel directions, historical overview of the site, and details of the site's major features and the latest available archaeological evidence. As the most comprehensive and detailed compact guide to the archaeological sites of Ireland, this new volume will prove invaluable to archaeologists, students of Irish history, and tourists alike.

This book is a detailed examination of the literature and archaeology pertaining to specific sites (in Palestine, Jerusalem, Bethlehem, Memre, Nazareth, Capernaum, and elsewhere) and the region in general. Taylor contends that the origins of these holy places and the phenomenon of Christian pilgrimage can be traced to the emperor Constantine, who ruled over the eastern Empire from 324. He contends that few places were actually genuine; the most important authentic site being the cave (not Garden) of Gethsemane, where Christ was probably arrested. Extensively illustrated, this lively new look at a topic previously shrouded in obscurity should interest students in scholars in a range of disciplines.

This is a highly illustrated, visually led guide through the story of

the Holy Land, from Bible times to the present day. The Holy Land frequently features in today's headlines as a much fought-for territory. Many know part of its story, as recounted in the Bible, but what happened after Jesus' time? This book explores the OT and NT history of the Holy Land, as well as everything that happened later - the Muslim conquest, the crusades, and the modern rediscovery of Bible sites - unearthing the rich layers of history of this sacred place.

Dame Kathleen Kenyon has always been a larger-than-life figure, likely the most influential woman archaeologist of the 20th century. In the first full-length biography of Kenyon, Miriam Davis recounts not only her many achievements in the field but also her personal side, known to very few of her contemporaries. Her public side is a catalog of major successes: discovering the oldest city at Jericho with its amazing collection of plastered skulls; untangling the archaeological complexities of ancient Jerusalem and identifying the original City of David; participating in the discipline's most famous all-woman excavation at Great Zimbabwe. Her development (with Sir Mortimer Wheeler) of stratigraphic trenching methods has been universally emulated by archaeologists for over half a century. Her private life—her childhood as daughter of the director of the British Museum, her accidental choice of a career in archaeology, her working at bombed sites in London during the blitz, and her solitary retirement to Wales—are generally unknown. Davis provides a balanced and illuminating picture of both the public Dame Kenyon and the private person.

Holy Land Pilgrimage Loyola Press

"This handbook brings together work by leading scholars of the archaeology of early Christianity in the Mediterranean and surrounding regions. The 34 essays to this volume ground the history, culture, and society of the first seven centuries of Christianity in the latest currents of archaeological method, theory, and research."--

Encyclopedia of Archaeological Excavations in the Holy Land Oxford University Press, USA

Originally written as a companion for pilgrims on-site at Nazareth, Cana, Mount Tabor, Bethany, Siloam, and Jerusalem, this book has also been used by readers preparing for visits to the holy places and as a means of reliving experiences in the Holy Land. (Adapted from back cover).

Encyclopedia of Archaeological Excavations in the Holy Land Lion Books

Jerome Murphy-O'Connor has lived in Jerusalem for 48 years, during which time he has taught graduate students its history and archaeology, and also compiled a bestselling archaeological guidebook for visitors. The current volume provides an initial survey of the history, archaeology and theology of Jerusalem, but the twelve articles that make up the body of the book deal with problems that the author feels have not been given a satisfactory solution. Thus Murphy-O'Connor discusses the precise location of a number of important buildings, i.e. the Temple, the Antonia and the Capitol and also treat of events in the life of Jesus that are located in Jerusalem; his dispute with the money-changers in the Temple, his agony in the garden of Gethsemane, his route from Pilate to Golgotha. The previously unpublished chapters dealing with the Christian Quarter are perhaps the most original. They describe the creation of the Christian Quarter in 1063 and define its limits relative to the present Old City. Its two most important buildings, the Holy Sepulchre and the great Hospital of the Knights of St John, are

treated in great detail. The concluding chapter is a classified bibliography of sources for the study of Jerusalem. Thoughtfully illustrated with maps, photographs, and diagrams, this book is a mine of information for specialists working on Jerusalem, and for the interested reader with some prior knowledge of this fascinating and complex city.

The Holy Land Oxford University Press

The Palestine Exploration Fund (PEF) is the oldest and still active exploration society of the Levant. Since 1865 PEF scholars have conducted significant, systematic exploration of Jerusalem and the Holy Land. Marking its 150th anniversary, this volume provides a retrospective on the PEF's work in the light of contemporary archaeological research.

2021 Catholic Media Association Award second place award in pilgrimages/Catholic travel
Biblical scholar and seasoned pilgrimage guide Stephen J. Binz offers an up-to-date handbook for experiencing the sites of the Holy Land as a disciple of Jesus. Whether contemplating future travel, on the road of pilgrimage, savoring memories of a past trip, or journeying in mind and heart from an armchair, readers will explore the nature of pilgrimage and encounter the places of the Holy Land from a biblical, historical, meditative, and prayerful perspective. This guide will enable Christians to walk in the footsteps of Jesus, confident that their pilgrimage will be both an educational journey and a transforming spiritual experience. Full-color illustrations throughout!

The Holy Land Oxford University Press

What better way is there to become configured to Christ than by following in His footsteps? A pilgrimage to the Holy Land allows one to follow, quite literally, in Our Lord's footsteps, to discover His homeland and the cultural, linguistic, historical, and topographical landscapes that reveal so much about Jesus Christ. Come and See: A Catholic Guide to the Holy Land accompanies pilgrims through holy sites in Galilee, the Dead Sea, and Jerusalem. Contemplate the mysteries of Our Lord's earthly life and ministry with appropriate biblical texts and the testimonies of both Roman historians and early Christian witnesses and writers. This uniquely Catholic travel guide features: Vibrant, full-color pictures Almost every page features photographs of the holy sites, as well as sacred art and even diagrams for historical context. Scripture on Site See the place the Lord's Ascension actually occurred while reading about it in the Book of Acts. Experience the Jordan River while contemplating Christ's baptism in that very place. Bring both the sites and the Scriptures to life by reading the Scripture on Site suggestions. Reflection sections with specific reflections for

seminarians Not only is this guide informative, it is devotional. The reflection sections are perfect journaling prompts, group discussion questions, or simply guides for quiet reflection. Seminarians particularly will benefit from questions focused on their formation and future priestly ministry. Special durable cover and compact travel size This is one guide that can stand up to the rigors of travel! The cover is tear-resistant and the size is perfect for taking along on day trips to holy sites. Fr. Charles Samson ' s Come and See will be a welcome companion for all who journey to the Holy Land to better know and love Christ.

Archaeology of the Holy Land Wm. B. Eerdmans Publishing
