Everyone Knows Your Mother Is a Witch Yellow Kite

This open access book explores the role of religion in England's overseas companies and the formation of English governmental identity abroad in the seventeenth century. Drawing on research into the Virginia, East India, Massachusetts Bay, Plymouth, New England and Levant

Companies, it offers a comparative global assessment of the inextricable links between the formation of English overseas government and various models of religious governance across England's emerging colonial empire. While these approaches to governance varied from company to company, each sought to regulate the behaviour of their personnel, as well as the numerous communities and faiths which fell within their jurisdiction. This book provides a crucial reassessment of the seventeenth-century foundations of British imperial governance.

Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even

execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

This book explores how the figure of the Prophet Muhammad was misrepresented in English and wider Christian culture between 1480 and 1735. By tracing the ways in which 'Mahomet' was written and rewritten, contested and celebrated, this study explores notions of identity and religion, and the resonances of this history

today.

THE SUNDAY TIMES BESTSELLER We are losing ourselves. We're chasing the wrong things, asking the wrong questions, and polluting our minds. It's time to stop, it's time to resist and it's time to rethink the fundamental social blueprint that our lives are built upon. 'As an 18-year-old, black, broke, lonely, insecure, university dropout, from a bankrupt family, I wrote in my diary that I wanted to be a 'Happy Sexy Millionaire' by the age of 25. By 25 I was a multi-millionaire having created a business worth over \$300m dollars. Ironically, in achieving everything I set out to, I learnt that I was wrong about almost everything... The world had lied to me. It lied to me about how you attain fulfilment, love and success, why those things matter, and what those words actually mean. In this book, I'll

dismantle the most popular, unaddressed lies about happiness that we've been led to believe. I'll expose the source of these lies, examine the incentives that fuel them and replace them with a practical set of scientifically proven and unconventional ideas that will help you to live a truly fulfilled life, a life full of the love you seek and the success you deserve.' Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah, daughter of the notorious Queen Jezebel. Her work as a priestess in the temple of Baal seems to do the trick. But when a mysterious letter from the dead prophet Elijah predicts doom for the royal household, Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments. To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Can her new husband show her the truth and love she craves? And can Jehosheba overcome her fear and save the family--and the nation--she loves? With deft skill, Mesu Andrews brings Old Testament passages to life, revealing a fascinating story of the power of unconditional love.

At the conclusion of The Last Confederate, almost twenty-four thousand Union and Confederate soldiers had fallen on the field of battle at Sharpsburg, making it the bloodiest day of American history. Among the casualties for the South was Captain Vance Wickham, husband of Belle Wickham. She was a daughter of Sky and Rebekah Winslow, and now the tragedy of war makes its dreaded call upon the Winslow family. In The Dixie Widow, Belle Wickham's sorrow turns to anger and bitterness, then finally to blind hatred for the North. She declares in steely voice, "I live for only one purpose: to see the Union destroyed," and vows to remain a widow until the Yankees are whipped. Belle is persuaded to travel to her Winslow relatives in the Washington, D.C. area and spy for the Confederacy--at the risk of her own life. Taken into the home of her grandfather, Captain Whitfield Winslow, she is in a strategic position to secure secret information to pass to the South. But an even greater tragedy awaits the Winslow family. Book 9 in The House of Winslow.

"The End is near! This phrase, so well known in the contemporary United States, invokes images of manic self-proclaimed prophets of doom standing on street corners shouting their warnings and predictions to amused or indifferent passers-by. However, such proclamations have long been a feature of the American cultural landscape, and were never exclusively the domain of wild-eyed fanatics. A Dream of Judgment Day describes the origins and development of American apocalypticism and millennialism from the beginnings of English colonization of North America in the early 1600s through the formation of the United States and its travails in the nineteenth century. It explores the reasons why varieties of millennialism are an essential component of American exceptionalism, and focuses upon the nation's early history to better establish how millennialism and apocalypticism are the keys to understanding early American history and religious identity. This sweeping history of eschatological thought in early America encompasses not just traditional and non-traditional Christian beliefs in the end of the world, but also how American Indians and African Americans have likewise been influenced by, and expressed, those beliefs in unique ways"--

Dan Winslow survived the Civil War with the dream of one day going West and becoming a cowboy with a ranch of his own. But it would be several disappointing years before this son of Sky and Rebekah Winslow found himself on the dusty cattle trail from Texas to Wyoming. For young widow Hope Rogers, the promise of a cattle ranch in Wyoming seemed like the only possible way to hold her impoverished family together. But the sacrifice she had to make to get there was a dreadful price for a woman to pay. When Dan Winslow arrives in Wyoming, he discovers that the powerful cattle baron of the Arrow Ranch is forcing the local small ranchers and homesteaders out of business, including Hope Rogers. Winslow had not come looking for another war, but his only choice is to fight. The desperate ranchers need Dan's gun, and Dan needs their support. House of Winslow Book 14.
