Son of the Ripper! Baker Books
What do you get when you mix a slacker student with a bumbling amateur witch? Slacking university student Gavin wants nothing more than to spend his days reading anything other than his course materials and getting out of having to study - and for him, hiding out in the dusty halls of the library is the perfect place to do it. But when he notices his fellow students are all missing a pretty important feature, Gavin soon realizes that something has gone seriously wrong. After a hectic escape causes him to stumble into amateur witch Jenny Ringo, Gavin finds himself falling headlong into a world of chaotic spells, horrific hexes, and Jenny's half-baked attempts to set things right. But undoing such serious magic is no easy feat. Short of selling her soul to demons, Jenny and Gavin will need to work together and use all their wits if they want to fix their fellow students before anyone else finds out... Gritty, gruesome, and hilariously fun, if you like comedy horror stories with spooky mysteries and an LGBTQ theme, then you won't want to miss The Library of Lost Souls. Jenny and Gavin's adventures strike the perfect balance between humor and horror. Grab your copy now!

A Handcuff Kid Novel Zebra Books
Just weeks after four students cross the threshold of the derelict Fischer House, one of them has committed suicide and the other three are descending into madness. Nick Mason's sister is one of them. To save her, Nick must join ranks with Paul Seaton—the only person to have visited the house and survive. But Paul is a troubled man, haunted by otherworldly visions that even now threaten his sanity. Desperate, Nick forces Paul to go back into the past, to the secret journal of beautiful photographer Pandora Gibson-Hoare and a debauched gathering in the 1920s, and to the dark legacy of Klaus Fischer—master of the unspeakable crime and demonic proceedings that have haunted the mansion for decades. Because now, the Fischer House is beckoning, and some old friends have gathered to welcome Paul back. . . .

Dystopian Paranormal Teen Romance Bark at the Moon Books
For readers of Nova Ren Suma, Maggie Steifvater, and Maureen Johnson comes a spellbinding tale about choosing your own path, the families we create for ourselves, and facing the ghosts of your past. In the town of St. Hilaire, most make their living by talking to the dead. In the summer, the town gates open to tourists seeking answers while all activity is controlled by The Guild, a sinister ruling body

that sees everything. Dec Hampton has lived there his entire life, but ever since his parents died, he's been done with it. He knows he has to leave before anyone has a chance to stop him. His best friend Russ won't be surprised when Dec leaves—but he will be heartbroken. Russ is a good medium, maybe even a great one. He's made sacrifices for his gift and will do whatever he can to gain entry to The Guild, even embracing dark forces and contacting the most elusive ghost in town. But when the train of Annie Krylova, the piano prodigy whose music has been Dec's main source of solace, breaks down outside of town, it sets off an unexpected chain of events. And in St. Hilaire, there are no such things as coincidences.

"Solidifies Jackson's status as the queen of the modern-day suspense thriller." --The Providence Journal Kristi Bentz wants to write true crime. All she needs is that one case that will take her to the top. She finds it when she enrolls at All Saints College after learning that four girls have disappeared in less than two years. "Expect the unexpected." --The Clarion Ledger All four girls were "lost souls"--troubled, vulnerable girls with no one to care about them, no one to come looking for them if they disappeared. The only person that believes Kristi is her ex-lover, Jay McKnight, a professor on campus. The police think they're runaways, but Kristi senses there's something that links them--something terrifying. . . "Jackson creates relentless suspense. . .builds the tension to an unbearable and satisfying pitch." --Booklist As Kristi gets deeper into her investigation, she gets the feeling she's being watched and followed--studied, even. Then the bodies start turning up, and Kristi realizes she is playing a game with a killer who has selected her for membership in a special club from which there will be no escaping death. . . "Dark and disturbing." --The Roanoke Times

Dean Koontz's Frankenstein Simon and Schuster

In Frankenstein: Lost Souls, Dean Koontz puts a singular twist on this classic tale of ambition and science gone wrong, to forge a new legend uniquely suited to our times. It is a story of revenge, redemption, and the thin line that separates human from inhuman. The work of creation has begun again. Victor Leben, once Frankenstein, has seen the future ? and he?s ready to populate it. Using stem cells, ?organic? silicon circuitry, and nanotechnology, he

will engender a race of superhumans ? the perfect melding of flesh and machine. With a powerful, enigmatic backer and a secret location where the enemies of progress can?t find him, Victor is certain that this time nothing can stop him. It is up to five people to prove him wrong. In their hands rests nothing less than the survival of humanity itself. They are drawn together in different ways, by omens sinister and wondrous, to the same shattering conclusion: Two years after they saw him die, the man they knew as Victor Helios lives on. As they gather at a small Montana town, old alliances will be renewed and tested, from within and without, for the dangers they face will eclipse any they have yet encountered. Yet in the midst of their peril, love will blossom, and joy, and they will discover sources of strength and perseverance they have not imagined. They will need them, for a monumental battle is about to commence that will require all their ingenuity and courage, as it defines what we are to be . . . and if we are to be at all.

The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's The Lost Soul, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —New York Times "The Lost Soul, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —Guardian The Lost Soul is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... " —from The Lost Soul The Lost Soul is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the ?ód? Design Festival Award.

Making a Medium Allison & Busby Ltd

A brutal murder has occurred in the hopelessly aristocratic town of Fenton, Massachusetts. Making matters worse, it falls on the twenty-first anniversary of another murder; one that was never solved, and which bred a shameful, unspoken legend - that it

was committed by none other than Jack the Ripper, having moved to Fenton following his infamous London Spree. More afraid of the legend becoming public and hurting property values than of the killer living among them, the citizens endeavor to ignore the whole mess. Their sheriff, however, has grown disgusted by the town's absurd sense of decorum since returning from the grim realities of the First World War, and begins a very public investigation. But when the evidence suggests that the legend is less absurd than he thought, and as the killings continue, the Sheriff finds himself fighting to save the same town he set out to humiliate. www.SonoftheRipper.com

These are mad times in Wonderland. Cheshire, a rogue branded Queen Slayer, uses the madness to his advantage. While on the run, he searches for any sign of his mother, and may the gods have mercy on those who stand contrary. Jonathan, a gentleman of the highest caliber, along with March, a legendary swordswoman, live together in solitude to escape the madness. Together, their days are filled with swords, pleasures, and teas, only missing Cheshire. They want nothing more than to remain lost, and will go to any lengths necessary to make sure of it. But their lives and all of Wonderland are thrown into chaos by the unexpected appearance of Mary Anne, a young woman from another world. To keep all they hold dear, Cheshire, Jonathan, and March must descend deeper into the madness, risking everything to do something about this strange woman before her presence brings their worlds crashing down like a house of cards. But it may already be too late.

A Thriller Abrams

The Fischer House was the scene of a vicious crime in the 1920s - a crime which still resonates as the century turns. At its heart was a beautiful, enigmatic woman called Pandora Gibson-Hoare, a photographer of genius whose only legacy is a handful of photographs and the clues to a mystery. Paul Seaton was lured to the house ten years ago and escaped, a damaged man. Now three students will die unless he dares to go back. But this time he has Nick Mason at his side, and maybe Mason's military skills and visceral courage will be enough.

The Science, Politics, and Greed Behind the Gold King Mine

Disaster Farrar, Straus and Giroux

A gritty, riveting, and wholly original murder mystery from PEN/Hemingway Award-winning author and 2015 Edgar Awards winner Chris Abani. Before he can retire, Las Vegas detective Salazar is determined to solve a recent spate of murders. When he encounters a pair of conjoined twins with a container of blood near their car, he's sure he has apprehended the killers, and enlists the help of Dr. Sunil Singh, a South African transplant who specializes in the study of psychopaths. As Sunil tries to crack the twins, the implications of his research grow darker. Haunted by his betrayal of loved ones back home during apartheid, he seeks solace in the love of Asia, a prostitute with hopes of escaping that life. But Sunil's own troubled past is fast on his heels in the form of a would-be assassin. Suspenseful through the last page, *The Secret History of Las Vegas* is Chris Abani's most accomplished work to date, with his trademark visionary prose and a striking compassion for the inner lives of outsiders.
