Book of the Week By turns devastating and soaring, an ambitious memoir debut from one of Irish literature's rising stars When Sea?n Hewitt meets Elias, the two fall headlong into a love story. But as Elias struggles with severe mental illness, they soon come face-to-face with crisis. All Down Darkness Wide is a perceptive and unflinching meditation on the burden of living in a world that too often sets happiness and queer life at odds, and a tender and honest portrayal of what it's like to be caught in the undertow of a loved one's deep depression. As lives are made and unmade, this memoir asks what love can endure and what it cannot. Delving into his own history, enlisting the ghosts of queer figures before him, Hewitt plumbs the darkness in search of answers. From a nineteenth-century cemetery in Liverpool to a sacred grotto in the Pyrenees, it is a journey of lonely discovery followed by the light of community.

Haunted by the rites of Catholicism and spectres of shame, it is nevertheless marked by an insistent search for beauty. Hewitt captures transcendent moments in nature with exquisite lyricism, honours the power of reciprocated desire and provides a master class in the incredible force of unsparing specificity. All Down Darkness Wide illuminates a path ahead for queer literature and for the literature of heartbreak, striking a piercing and resonant chord for all who trace Hewitt's dauntless footsteps.

Lori Shepherd and the phantom Aunt Dimity have become one of the mystery genre 's most celebrated detective duos. Watch out for Nancy Atherton's latest, Aunt Dimity and the King's Ransom, coming in July 2018 from Viking! In their latest adventure, a pleasant woodland stroll through the English countryside is rudely cut short by the blizzard of the century, forcing Lori to take shelter in Ladythorne Abbey—an old pile still haunted by the presence of the madwoman whose prison it once was. But the abbey 's greatest secret is the priceless jewel it conceals somewhere within its cloisters—an heirloom that hides a treacherous past that Lori 's fellow guests can 't wait to get their hands on. Only Aunt Dimity 's indispensable wisdom can help Lori unravel a mystery that is considerably thicker than the accumulating snow in this page-turning treat.

Is it possible to run a multibillion-dollar corporation on the power of trust? Must you set aside your authentic self as you climb the corporate ladder? Is there another role for technology beyond saving costs and creating efficiencies? In *The Power of Many*, Meg Whitman, former president and CEO of eBay, speaks to these questions and more, identifying ten core values that steered her—and can steer any leader—to success without ethical compromise. During her decade at the helm of eBay, Meg Whitman transformed it from a tiny start-up into a nearly \$8 billion global powerhouse, revolutionizing the way goods are bought and sold online. *Fortune* magazine twice named her the Most Powerful Woman in

Business. Now, with the vitality, candor, and often self-effacing humor that is her trademark, Meg lays out the ten core values that she credits not only with her strategic success but with many of the joys and satisfactions of her private life. Values such as trust, authenticity, courage, and validation are not naive, Meg shows us, and they are definitely not a luxury. Rather, they are essential tools for success that go hand in hand with traditional business practices—like holding oneself accountable or growing a company efficiently. She believes they are the foundation of strong management in the twenty-first century. Today, technology and the transparency it brings demand that

organizations demonstrate a character that aligns with the values of their communities. Meg illustrates the origins of her values and the underpinnings of her approach with compelling stories from her extraordinary career and her down-to-earth upbringing—from the harrowing twenty-two-hour system outage that nearly sunk eBay to the indomitable spirit of her eighty-nine-year-old mother, who grew up in Boston society but worked as an airplane mechanic during World War II. It was her mother, Meg says, who gave her “a bias toward action.” Here, too, are stories of finding her equilibrium during the time when she had young children, and in her marriage to a neurosurgeon with his own highly

demanding career. Meanwhile, her experiences at some of America’s best-known companies, including Disney, FTD, and Procter & Gamble, offer valuable case studies of what can go wrong and right, and how even mistakes can be transformed into opportunities. Meg Whitman shows us that achievement can and should be teamed with optimism, trust, and honesty. The Power of Many offers the insights and motivation we need to propel ourselves to the next level—to scale, as Meg would say—in business and in life.

Fans of action-packed sci-fi thrillers such as *I Am Number Four* and *The Maze Runner* will love bestselling author Patrick Carman's *Pulse*, with its epic action scenes and memorable love story. In the year 2051, who has the

power called a pulse? With the help of her mysterious classmate Dylan Gilmore, Faith Daniels discovers that she can move objects with her mind. This telekinetic ability is called a “pulse,” and Dylan has the talent, too. In riveting action scenes, Faith demonstrates her ability to use her pulse against a group of telekinesis masters so powerful they will flatten their enemies by uprooting streetlights, throwing boulders, and changing the course of a hurtling hammer so that it becomes a deadly weapon. But in order to save the world, Faith will have to harness not only the power of her mind, but the power of her heart, too. The first in a stunning trilogy, *Pulse* is a triumph about the power of the mind—and of love.

In bestselling author Patrick Carman's rich and riveting follow-up to *The House of Power*, an extraordinary world meets its destiny in an epic and unforgettable rebirth. The world of Atherton has collapsed and the three levels have become one. Humans and monsters, once separated by vast cliffs, now roam the surface of Atherton together. The inside of Atherton--where the most troubling secrets are hidden--has been breached. While Edgar embarks on a life-or-death quest to find Atherton's mad maker, his two friends, Samuel and Isabel, venture through dangerous underground realms, confronting deadly cave dwellers, rivers of fire, and waters of life. Atherton is not what it seems at all, but something far more dangerous, with a history locked inside the mind of a madman and a future beyond Edgar's wildest imagining.

Set along the Gulf Coast before and after Hurricane Katrina, "these stories evoke places with a sharp, sensuous and at times magical skill" (Colm Tóibín). The sixteen short stories featured in this prize-winning debut collection paint a richly textured vision of the American South. Set in the Gulf Coast over the course of a year torn in half by the arrival of Hurricane Katrina, and filled with humor and fierce honesty, they follow the lives of an assembly of unforgettable characters: an exonerated ex-con who may not be entirely innocent; a rabbit farmer in mourning; a nurse who decides to romance a patient as

payback for her husband's infidelity; and an earnest young mariner trying to start a new life with his wife--all populating the spirited cities and drowsy parishes in Skip Horack's marvelous portrait of the South. With its "epic-worthy" stories, *The Southern Cross* marks the arrival of a standout new voice (Antonya Nelson). "Each of these deeply felt stories is an offbeat song of the new South. From post-K New Orleans to the Panhandle, Horack rummages fearlessly through the houses and trailers and yards and bars where his characters kill time and make hay, so he can unearth what worries their hearts. His is an intrepid and startling new literary voice." --Pia Z.

Ehrhardt "These stories are the real deal, the way Larry Brown's and Raymond Carver's stories are real."

How would it feel to build a massively successful network marketing business from a place where you feel supported, energized, and connected to your feminine pleasure and

power? If the business you've built has you feeling burned out, alone, and exhausted instead of successful and free, it can seem like that dream is no longer achievable. But it is. Dr. Erin Pollinger is proof of that. At one point, Dr. Erin was broke and suffering. Today she is living a life of freedom, travel, service, and contribution, while building community and creating a legacy. Now, she wants to help you reinvigorate your sense of connection and community by tapping into your source of internal support. In Network Marketing Queen, Dr. Erin will help you become aware of the disconnect in your life, show you how to reclaim your pleasure and power by connecting to your womb space, and walk you through daily practices that will help cultivate this vital relationship. From Dr. Erin's story and those of other successful women, you will learn how to be the Queen of your life and business. Your House, My House Penguin

Fifteen-year-old Will Besting is sent by his doctor to Fort Eden, an institution meant to help patients suffering from crippling phobias. Once there, Will and six other teenagers take turns in mysterious fear chambers and confront their worst nightmares—with the help of the group facilitator, Rainsford, an enigmatic guide. When the patients emerge from the chamber, they feel emboldened by the previous night's experiences. But each person soon discovers strange, unexplained aches and pains. . . . What is really happening to the seven teens trapped in this dark Eden? Patrick Carman's *Dark Eden* is a provocative exploration of fear, betrayal, memory, and—ultimately—immortality. *Skeleton Creek* Little, Brown

Tremor, the second book in bestselling author Patrick Carman's *Pulse* trilogy, is filled with more action-packed scenes and romance. Tremor will excite fans of *I Am Number Four* and *The Maze Runner* with its richly developed characters and electrifying story of love and revenge. In the year 2051, some people have a second pulse. Like all who have "the pulse," Faith Daniels and Dylan Gilmore have telekinetic powers—they can move objects with their minds. But there are five second pulses in the world who have an even greater power: They are virtually indestructible. Both Faith and Dylan have the second pulse. As Dylan executes a plan to infiltrate enemy grounds, he'll have to face his only weakness—and a family secret that will threaten his very existence.

In the 23rd installment of the bestselling Aunt Dimity series, a dark and stormy night kicks off a ghost chase in rural England. On a dull and dreary October day, Lori Shepherd and her husband Bill set off for the historic town of Rye, on the southeast coast of England, for a quiet weekend together without the kids. Bill must first pay a visit to a reclusive client—but after Lori drops him off, a

powerful storm drives her off course and leaves her stranded in an ancient, rambling inn called The King's Ransom. When Lori is spooked by ghostly noises in the night, Aunt Dimity reminds her rather tartly that not all ghosts intend to harm the living. But the longer Lori is stuck at the inn, the stranger things seem. She learns that the inn was once a hangout for smugglers, and that it's riddled with secret tunnels the smugglers used to reach a network of hidden caves. Then there's the inn's cook--a brawny, gruff ex-con--who seems to have a beef with a mysterious French guest. Are the noises Lori hears made by the spirits of long dead smugglers? Or should she be more worried by the inn's living inhabitants? Joining forces with her new friend Bishop Wyndham, and guided by Aunt Dimity's wise counsel, Lori sets out to discover once and for all who--or what--is haunting The King's Ransom.

#1 NEW YORK TIMES
BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a

"powerful" (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE

Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she

is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?
