Set along the Gulf Coast before and after Hurricane Katrina, “ these stories evoke places with a sharp, sensuous and at times magical skill ” (Colm T ó ib í n). The sixteen short stories featured in this prize-winning debut collection paint a richly textured vision of the American South. Set in the Gulf Coast over the course of a year torn in half by the arrival of Hurricane Katrina, and filled with humor and fierce honesty, they follow the lives of an assembly of unforgettable characters: an exonerated ex-con who may not be entirely innocent; a rabbit farmer in mourning; a nurse who decides to romance a patient as payback for her husband ’ s infidelity; and an earnest young mariner trying to start a new life with his wife—all populating the spirited cities and drowsy parishes in Skip

Horack ’ s marvelous portrait of the South. With its “ epic-worthy ” stories, *The Southern Cross* marks the arrival of a standout new voice (Antonya Nelson). “ Each of these deeply felt stories is an offbeat song of the new South. From post-K New Orleans to the Panhandle, Horack rummages fearlessly through the houses and trailers and yards and bars where his characters kill time and make hay, so he can unearth what worries their hearts. His is an intrepid and startling new literary voice. ” —Pia Z. Ehrhardt

“ These stories are the real deal, the way Larry Brown ’ s and Raymond Carver ’ s stories are real. ” —Rick Bass

Edgar, a gifted climber, secretly scales the treacherous walls separating the three worlds of Atherton: the humble grove that is his home...a mysterious highland realm of untold beauty and sinister secrets ...and a vast wasteland below, where a monstrous danger lurks that could destroy them all. While searching the forbidden cliffs for a treasure lost in his faded memory, Edgar discovers the first of many startling revelations to come: the three realms are beginning to

collapse, turning his entire world inside out. Atherton is not what it seems, but something far more dangerous, with a history locked inside the mind of a madman and a future beyond Edgar's wildest imagining.

A madcap adventure through a tight-knit world of drag performers making art and mayhem in the greatest city on earth. Ten years ago, an aimless coat check girl better known today as Merrie Cherry sweet-talked her boss into giving her \$100 to host a drag show at a Brooklyn dive bar. Soon, kids like Aja were kicking

their way into the scene, sneaking into clubs, pocketing their tips to help mom pay the mortgage, and sharing the stage with electric performers like Thorgy Thor and Sasha Velour. Because suddenly, in the biggest, brightest city in America, drag was offering young, broke, creative queer people a chance at real money—and for thousands or even millions of people to learn their names. In *How You Get Famous*, journalist Nicole Get Famous, journalist Nicole Pasulka joyfully documents the rebirth of the New York drag scene, following a group of iconoclastic performers with undeniable charisma, talent, and a hell of a lot to prove. The result is a sweeping portrait of the 21st-century search for celebrity and community, as well as a chronicle of all the struggles, fights, and disappointments along the way. A rollicking account of the quest to make a living through an art form on the cusp of becoming a cultural phenomenon, *How You Get Famous* offers an unmissable romp through the gritty and glamorous world of Brooklyn drag. The Power of Many Scholastic Paperbacks Edgar, an eleven-year-old orphan, finds a book that reveals significant secrets about Atherton, the strictly divided world on which he

lives, even as geological changes threaten to shift the power structure that allows an elite few to live off the labor of others. The Dark Planet Turtleback NATIONAL BOOK CRITICS CIRCLE AWARD WINNER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: The New York Times \* NPR \* Vogue \* Gay Times \* Artforum \* “Gay Bar is an absolute tour de force.” –Maggie Nelson "Atherton Lin has a five-octave, Mariah Carey-esque range for discussing gay sex.” –New York Times Book Review As gay bars continue to close at an alarming rate, a writer looks back to find out what 's being lost in this indispensable, intimate, and stylish celebration of queer history. Strobing lights and dark rooms; throbbing house and drag queens on counters; first kisses, last call: the gay bar has long been a place of solidarity and sexual expression—whatever your scene, whoever you 're seeking. But in urban centers around

the world, they are closing, a cultural demolition that has Jeremy Atherton Lin wondering: What was the gay bar? How have they shaped him? And could this spell the end of gay identity as we know it? In *Gay Bar*, the author embarks upon a transatlantic tour of the hangouts that marked his life, with each club, pub, and dive revealing itself to be a palimpsest of queer history. In prose as exuberant as a hit of poppers and dazzling as a disco ball, he time-travels from Hollywood nights in the 1970s to a warren of cruising tunnels built beneath London in the 1770s; from chichi bars in the aftermath of AIDS to today 's fluid queer spaces; through glory holes, into Crisco-slicked dungeons and down San Francisco alleys. He charts police raids and riots, posing and passing out—and a chance encounter one restless night that would change his life forever. The journey that emerges is a stylish and nuanced inquiry into the

---

connection between place and identity—a tale of liberation, but one that invites us to go beyond the simplified Stonewall mythology and enter lesser-known battlefields in the struggle to carve out a territory. *Elegiac*, *randy*, and *sparkling* with wry wit, *Gay Bar* is at once a serious critical inquiry, a love story and an epic night out to remember. *All Down Darkness* *Wide Currency* A fast-paced, genre-blending adventure—now in paperback! The *Tapestry* series continues to weave threads of fantasy, mythology, science fiction, and mystery into a wholly original adventure that appeals to fans of everything from *Harry Potter* to *Lord of the Rings* to *The X-Men*. Genre-blending and fully illustrated, The *Tapestry* novels have caught the attention of middle-grade and young adult readers alike—and the series is only getting bigger. In this second book of the

series, grave forces are converging to seize control of the *Book of Thoth*, a hidden artifact whose pages hold the key to creating—or unraveling—the very threads of existence. Max McDaniels and David Menlo embark on a quest to protect the book from the demon *Astaroth*, who would exploit its secrets with dire consequence. And with *Astaroth* free after centuries of imprisonment, the world outside *Rowan*'s gates has already become hostile. Far from home, cut off behind enemy lines, Max and his allies must journey across Europe, descend into the fabled *Frankfurt Workshop*, brave the tangled corners of the *Black Forest* . . . and cross beyond the veils of our very world. annual *Lambda Literary Award* • An essential and revelatory coming-of-age novel from a thrilling new voice, *Rainbow Milk* follows nineteen-year-old *Jesse McCarthy* as he grapples with his racial and sexual identities against the backdrop of his *Jehovah's Witness* upbringing. In the 1950s, ex-boxer *Norman Alonso* has immigrated to Britain from *Jamaica* with his wife and children in order to secure a brighter future. Blighted with unexpected illness and racism, *Norman* and his family are resilient but are all too aware that their family will need more than just hope to survive in their new country. At the turn of the millennium, *Jesse* seeks a fresh start in *London*, escaping a broken immediate family, a repressive religious community, and his depressed hometown in the industrial *Black Country*. But once he arrives he finds himself at a loss for a new center of gravity and turns to sex work, music, and art to create his own notions of love, masculinity, and spirituality. A wholly original novel as tender as it is visceral, *Rainbow Milk* is a bold reckoning

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn

Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong.

Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she

once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?

By turns devastating and soaring, an ambitious memoir debut from one of Irish literature's rising stars  
When Sean Hewitt meets Elias, the two fall headlong

into a love story. But as Elias struggles with severe mental illness, they soon come face-to-face with crisis. All Down Darkness Wide is a perceptive and unflinching meditation on the burden of living in a world that too often sets happiness and queer life at odds, and a tender and honest portrayal of what it's like to be caught in the undertow of a loved one's deep depression. As lives are made and unmade, this memoir asks what love can endure and what it cannot. Delving into his own history, enlisting the ghosts of queer figures before him, Hewitt plumbs the darkness in search of answers. From a nineteenth-century cemetery in Liverpool to a sacred grotto in the Pyrenees, it is a journey of lonely discovery followed by the light of community. Haunted by the rites of Catholicism and spectres of shame, it is nevertheless marked by an insistent search for beauty. Hewitt captures transcendent moments in nature with exquisite lyricism, honours the power of reciprocated desire and provides a master class in the incredible force of unsparing specificity. All Down Darkness Wide illuminates a path ahead for queer literature and for the literature of heartbreak, striking a piercing and resonant chord for all who trace Hewitt's dauntless

footsteps.

Fans of action-packed sci-fi thrillers such as I Am Number Four and The Maze Runner will love bestselling author Patrick Carman's Pulse, with its epic action scenes and memorable love story. In the year 2051, who has the power called a pulse? With the help of her mysterious classmate Dylan Gilmore, Faith Daniels discovers that she can move objects with her mind. This telekinetic ability is called a "pulse," and Dylan has the talent, too. In riveting action scenes, Faith demonstrates her ability to use her pulse against a group of telekinesis masters so powerful they will flatten their enemies by uprooting streetlights, throwing boulders, and changing the course of a hurtling hammer so that it becomes a deadly weapon. But in order to save the world, Faith will have to harness not only the power of her mind, but the power of her heart, too. The first in a stunning trilogy, Pulse is a triumph about the power of the mind—and of love.
