For readers of *The Dark Lake* and *The Dry*, comes this taut psychological suspense set in a dramatic Tasmanian landscape from bestselling author Sarah Barrie. A lonely widow, a sinister act, a remote mansion with a dark past... After the violent death of her husband, Callie Jones retreats to a cottage in the grounds of an old mansion in Tasmania. The relative remoteness of the place and the wild beauty of the Tasmanian landscape are a balm to her shattered nerves and the locals seem friendly, particularly horseman Connor Atherton and his siblings at the nearby property, Calico Lodge. But all is not well: the old mansion has a sinister past, one associated with witchcraft and murder. As Callie is threatened by odd events in the night and strange dreams overtake her sleep, she begins to doubt her own sanity. What's really going on beneath the surface of this apparently peaceful town? Are her friends and neighbours really who they seem? As events escalate, Callie starts to realise that the mansion may hold the key to unlocking the mystery, but the truth might have as much power to destroy as it does to save. 'Utterly addictive suspense and riveting storytelling set in a darkly gothic Tasmania.' - bestselling author of *The Dark Lake*, Sarah Bailey

'So that was all it took,' I thought. 'That was all it took for me to feel like I had all the power in the world. One morning, one moment, one yellow-haired boy. It wasn't so much after all.' Chrissie knows how to steal sweets from the shop without getting caught, the best hiding place for hide-and-seek, the perfect wall for handstands. Now she has a new secret. It gives her a fizzing, sherbet feeling in her belly. She doesn't get to feel power like this at home, where food is scarce and attention scarcer. Fifteen years later, Julia is trying to mother her five-year-old daughter, Molly. She is always worried - about affording food and school shoes, about what the other mothers think of her. Most of all she worries that the social services are about to take Molly away. That's when the phone calls begin, which Julia is too afraid to answer, because it's clear the caller knows the truth about what happened all those years ago. And it's time to face the truth- is forgiveness and redemption ever possible for someone who has killed?

Atherton #1 Little, Brown Books for Young Readers

What happened to the 11 men who served as governor of Illinois from 1933 to 2003? That is what this book is about. Each life is traced from highlights and lowlights in office to the day the music stopped and life played out as a former governor. Most of them would have preferred to continue serving as the state's chief executive. But that wasn't an option. Each man faced the challenges of a new life. Some performed well, some did not. The eleven are a mixed bag of personalities, ambitions and attempts at further glory. Their stories offer a rich assortment of adventures ranging from failure to success, from further political involvement to heroic legal battles, and efforts to earn their way. Yes, stories of three who went to prison, Kerner, Walker and Ryan, are included. For the first time in print, the rest of the story is available.

In the dazzling conclusion to the epic story of Atherton, Patrick Carman takes

readers on the most rewarding journey of all, to the perilous realm of *The Dark Planet*: Earth. When Edgar discovers a way to leave the mysterious satellite world of Atherton, he couldn't have imagined the gloom that awaited him on the dark planet, where the oceans are toxic, the forests are full of mutant monsters, and children toil in darkness, controlled by ruthless maniacs. Max Harding, an orphan of the Silo, the maker of Atherton, and the last hope of a dying world, left this place behind, and now Edgar is determined to complete the mad scientist's spectacular plan, revealing Atherton's true purpose. Edgar's quest to discover Earth's dark secret leads to an out of this world adventure in the final book of the Atherton trilogy.

From the creator of the *Land of Elyon* comes a riveting adventure set in an extraordinary satellite world?created as a refuge from a dying Earth?that begins to collapse and forever change the lives of its inhabitants. Edgar, a gifted climber, is a lonely boy scaling the perilous cliffs that separate the three realms of Atherton: a humble fig grove; a mysterious highland world of untold beauty and sinister secrets; and a vast wasteland where he must confront an unspeakable danger that could destroy the people of Atherton. When Edgar discovers a book which contains the history of Atherton's origins and ultimate apocalypse, his world?quite literally?begins to turn inside out.

The Tragedy of Great Power Politics (Updated Edition) Lawrence Hill Books

Nominated for a 34th annual Lambda Literary Award • An essential and revelatory coming-of-age novel from a thrilling new voice, *Rainbow Milk* follows nineteen-year-old Jesse McCarthy as he grapples with his racial and sexual identities against the backdrop of his Jehovah's Witness upbringing. In the 1950s, ex-boxer Norman Alonso has immigrated to Britain from Jamaica with his wife and children in order to secure a brighter future. Blighted with unexpected illness and racism, Norman and his family are resilient but are all too aware that their family will need more than just hope to survive in their new country. At the turn of the millennium, Jesse seeks a fresh start in London, escaping a broken immediate family, a repressive religious community, and his depressed hometown in the industrial Black Country. But once he arrives he finds himself at a loss for a new center of gravity and turns to sex work, music, and art to create his own notions of love, masculinity, and spirituality. A wholly original novel as tender as it is visceral, *Rainbow Milk* is a bold reckoning with race, class, sexuality, freedom, and religion across generations, time, and cultures.

"The third edition of this seminal work includes the original text, first published in 1974, the updates and reflections from the second edition and two groundbreaking new chapters. *Power: A Radical View* assesses the main debates about how to conceptualize and study power, including the influential contributions of Michel Foucault. The new material includes a development of Lukes's theory of power and presents empirical cases to exemplify this. Including a refreshed introduction, this third edition brings a book that has consolidated its reputation as a classic work and a major reference point within Social and Political Theory to a whole new audience. It can be used on modules across the Social and Political Sciences dealing with the concept of power and its manifestation in the world. It is also essential reading for all undergraduate and postgraduate students interested in the history of Social and Political Thought."--Publisher's website

Atherton #1 Penguin

A bittersweet, biting, sharply observed family drama from the author of *Waterloo* After her father

has a heart attack and subsequent surgery, Helen Atherton returns to her hometown of Washington, D.C., to help take care of him and, perhaps more honestly, herself. She's been living in Los Angeles, trying to work in Hollywood, slowly spiraling into a depression fueled by hours spent watching C-SPAN-her obsession with politics a holdover from a childhood interrupted by her father's involvement in the Iran-Contra scandal. "I don't know whether to think of him as a coconspirator or a complicit bystander or just someone who was in the wrong place at the wrong time." Though the rest of the world has forgotten that scandal, the Atherton family never quite recovered. While living with her father in her childhood home, Helen tries to piece together the political moves that pulled her family apart. All the Houses is, at its heart, a father-daughter story. With razor-sharp prose, an alluring objectivity, and a dry sense of humor, Karen Olsson writes about the shape-shifting of our family relationships when outside forces work their way in-how Washington turns people into unnatural versions of themselves, how problematic and overbearing sisters can be, and how familial nostalgia that sets in during early adulthood can prove counterproductive to actually becoming an adult.

The Ruin of All Witches Hachette UK

A gripping story of a family tragedy brought about by witch-hunting in Puritan New England that combines history, anthropology, sociology, politics, theology and psychology. "The best and most enjoyable kind of history writing. Malcolm Gaskill goes to meet the past on its own terms and in its own place...Thought-provoking and absorbing." —Hilary Mantel, best-selling author of *Wolf Hall* In Springfield, Massachusetts in 1651, peculiar things begin to happen. Precious food spoils, livestock ails, property vanishes, and people suffer convulsions as if possessed by demons. A woman is seen wading through the swamp like a lost soul. Disturbing dreams and visions proliferate. Children sicken and die. As tensions rise, rumours spread of witches and heretics and the community becomes tangled in a web of distrust, resentment and denunciation. The finger of suspicion soon falls on a young couple with two small children: the prickly brickmaker, Hugh Parsons, and his troubled wife, Mary. Drawing on rich, previously unexplored source material, Malcolm Gaskill vividly evokes a strange past, one where lives were steeped in the divine and the diabolic, in omens, curses and enchantments. *The Ruin of All Witches* captures an entire society caught in agonized transition between superstition and enlightenment, tradition and innovation.

They Dare to Speak Out W. W. Norton & Company

The first book to speak out against the pervasive influence of the American-Israeli Public Affairs Committee (AIPAC) on American politics, policy, and institutions resonates today as never before. With careful documentation and specific case histories, former congressman Paul Findley demonstrates how the Israel lobby helps to shape important aspects of U.S. foreign policy and influences congressional, senatorial, and even presidential elections. Described are the undue influence AIPAC exerts in the Senate and the House and the pressure AIPAC brings to bear on university professors and journalists who seem too sympathetic to Arab and Islamic states and too critical of Israel and its policies. Along with many longtime outspoken critics, new voices speaking out include former President Jimmy Carter, U.S. Representative Cynthia McKinney, Senator Robert Byrd, prominent Arab-American Dr. Ziad Asali, Rabbi Michael Lerner, and journalist Charles Reese. In addition, the lack of open debate among politicians with regard to the U.S. policy in the Middle East is lamented, and AIPAC is blamed in part for this censorship. Connections are drawn between America's unconditional support of Israel and the raging anti-American passions around the world--and ultimately the tragic events of 9/11. This replaces 1556520735.

Under the Oaks HarperCollins Australia

When Evan Pugh became the first president of Pennsylvania's Farmers' High School—later to be known as The Pennsylvania State University—the small campus was in disrepair and in dire need of leadership. Pugh was young, barely into his 30s, but he was energetic, educated, and visionary. During his tenure as president he molded the school into a model institution of its kind: America's first scientifically based agricultural college. In this volume, Roger Williams gives Pugh his first book-length biographical treatment. Williams recounts Pugh's short life and impressive career, from his early days studying science in the United States and Europe to his fellowship in the London Chemical Society, during which he laid the foundations of the modern ammonium nitrate fertilizer industry, and back to Pennsylvania, where he set about developing "upon the soil of Pennsylvania the best agricultural college in the world" and worked to build an American academic system mirroring Germany's state-sponsored agricultural colleges. This last goal came to fruition with the passage of the Morrill Act in 1862, just two years prior to Pugh's death. Drawing on the scientist-academic administrator's own writings and taking a wide focus on the history of higher education during his lifetime, Evan Pugh's Penn State tells the compelling story of Pugh's advocacy and success on behalf of both Penn State and land-grant colleges nationwide. Despite his short life and career, Evan Pugh's vision for Penn State made him a leader in higher education. This engaging biography restores Pugh to his rightful place in the history of scientific agriculture and education in the United States.

Part personal history, part biography, *Dotter of Her Father's Eyes* contrasts two coming-of-age narratives: that of Lucia, the daughter of James Joyce, and that of author Mary Talbot, daughter of the eminent Joycean scholar James S. Atherton. Social expectations and gender politics, thwarted ambitions and personal tragedy are played out against two contrasting historical backgrounds, poignantly evoked by the atmospheric visual storytelling of award-winning comic artist and graphic novel pioneer Bryan Talbot. Produced through an intense collaboration seldom seen between writers and artists, *Dotter of Her Father's Eyes* is intelligent, funny and sad - a fine addition to the evolving genre of graphic memoir.

[The Field of Wacky Inventions](#) Touchstone Books

From New York Times bestselling author James Rollins and award-winning suspense novelist Rebecca Cantrell comes a disturbing story of vengeance, bloodshed, and creatures that prowl the night. In the haunted, war-torn highlands of Afghanistan, amid the ruins of Shahr-e-Gholghol, an archaeology team is massacred in the night. Sergeant Jordan Stone and his crack forensic team are called in to examine the site, to hunt for the perpetrators of this horrific act. But the discovery of a survivor—a child of ten—will shatter all the team knows about life and death. Among the crumbling bones of dead kings, something hoary and murderous stirs out of the ancient past, lurching forward to claim vengeance on those still living. Included with this thrilling story is a sneak peek at *The Blood Gospel*, where the further exploits of Sergeant Stone and his team will be revealed.
