The Hunter  
(Highland Guard)

March, 28 2023

---

Series #7) by Monica  
McCarty...

I love the highland guard novels, they are all well written and are basically about boy meets girl and marries. But every book is different and never gets boring. Lots of detail and great characters. THE HUNTER is as well put together as the first of the series. I always look forward to the next book, would recommend this whole series to anyone who likes highland romances.
